OFFICIAL PAPER OF THE CITY OF CONCRETE. REAPPOINTED FEBRUARY 17, 1914

Be a booster; bury the hammer. By united effort we can make Concrete one of the best towns in the county. Try it.

THE CONCRETE HERALD

The upper Skagit valley is the land of opportunity. Its resources are unlimited, but publicity and development are needed.

VOL. XXI | CONCRETE, SKAGIT COUNTY, WASHINGTON, SATURDAY, JULY 29, 1922 | NUMBER 34

SUPERIOR COMPANY TO ENTERTAIN WITH BIG CELEBRATION

WILL BE HELD AUGUST 11 TO CELEBRATE FOURTEENTH ANNIVERSARY OF FIRST SHIPMENT FROM LOCAL PLANT.

Plans have been under way in preparation for a big celebration to be held in this city Friday, August 11, and arrangements for the affair are now practically completed. The celebration is to be given by the Superior Portland Cement company in honor of the 14th anniversary of the first shipment of cement from the local plant, and all the people of Concrete and vicinity are expected to take part in the celebration and to enjoy the various events to be provided. However, there will be one marked difference between the coming event and the usual celebrations—everything will be free. The big plant will be closed down for the day in order to give all the employes a chance to take in the celebration from start to finish, and it is not likely that any of them will miss the opportunity.

The detailed program for the day has not been announced yet, but among the events of the celebration are one, and possibly two, baseball games, races and other field sports, a splendid motion picture show with matinee for the children in the afternoon, and a big dance to wind up the festivities in the evening. There will be a baseball game between the Superior and Concrete teams, and if arrangements can be made, a game between the Superior team and some outside team. The races and field sports will be held at the baseball park, either immediately preceding or following the ball game. The name of the show has not been given out, but it is understood that the Concrete theater management was authorized to select the best pictures available for that date. The dance will be held in the Legion hall, and it is likely that Barney's popular orchestra will furnish the music. Ross Zongrone is in charge of arrangements for the celebration, and he is trying to line up some other attractions for the day. The program for the day will be announced next week.

If the coming celebration is a success, and meets the approval of the employes of the company and the people of Concrete, it is planned to make it an annual affair, and if this is done, it is certain that the Superior celebration will be one of the big events in Concrete each year.

JUDGE MACKINTOSH FILES FOR THE SUPREME COURT

In this issue of the Herald appears the announcement of Judge Kenneth Mackintosh for re-election to the state supreme court for a term of six years. Judge Mackintosh has the distinction of being the only native son of this state to serve on the supreme bench of the state, having been born in Seattle in 1875. He served six years as a superior judge in King county before being appointed to the supreme court in 1918 to fill a vacancy, being later elected to fill out the unexpired term. Those who have watched the opinions written by Judge Mackintosh say that they show a broad Western vision of fundamental justice and an absence of the technicalities that so often bewilder the layman.

SEATTLE MINISTER WILL PREACH HERE TOMORROW

Rev. S. E. P. White of Seattle will speak in the Presbyterian church tomorrow evening at the regular service starting at 7:30. Rev. Mr. White is an able and interesting speaker and it is hoped that there will be a large attendance for this meeting. Some special music has been arranged for this service, including a trio by Mr. and Mrs. Harry Patton and Mrs. H. P. Swain.

Whose Summer Picnic Is This?

CONCRETE TEAM TO PLAY IN HAMILTON TOMORROW

Manager Stickley will take his bunch of baseball players to Hamilton tomorrow afternoon and try to chalk up another victory over the fast aggregation wearing the colors of that city. The Hamilton team is a tough bunch to beat, and the local players will have to work their hardest to avoid a defeat. These teams have met in four games this season, of which Hamilton has won one and Concrete three. Both teams are anxious to win tomorrow's game, so it is likely to be an exciting affair. It is expected that a large crowd of fans will accompany the team to Hamilton and will encourage the boys by rooting their hardest.

LADIES' AUXILIARY WILL HOLD MEETING THURSDAY

The Ladies' Auxiliary of the Mt. Baker Presbyterian church will hold its next regular meeting in the church parlors next Thursday afternoon, August 3. After the close of the business session refreshments consisting of ice cream and cake will be served. It is hoped that all members will attend this meeting and bring their friends along.

DETOUR ON LYMAN ROAD AGAIN OPEN FOR TRAVEL

The detour on the Lyman-Minkler road which was closed last Saturday morning by the Great Northern on account of being on the railroad right of way with three grade crossings in a distance of a little over a mile, was reopened again Saturday evening, satisfactory arrangements having been made with the railroad company for the use of the road until another detour could be opened. The work of laying pavement along this road is going ahead rapidly, and if the present progress is maintained the detour will only be used for a week or so longer. The detour is in very bad condition and motorists from the upper valley will be glad when a better road will be available.

BUSINESS MEETING HELD BY BAPTIST LADIES' AID

The Ladies' Aid of the Baptist church held an enjoyable meeting in the church Tuesday afternoon with an unusually large attendance for this season of the year. A pleasant social session followed the regular business meeting, during which a delightful luncheon was served by the hostesses, Mesdames J. E. Metcalf and Frank Ritchie.

BOLT CUTTER IS KILLED IN CAMP ON BAKER RIVER

Lawson W. Cable, a bolt cutter, was killed at the Eighteen-mile camp of the Baker River Lumber company on the upper Baker river, last Saturday forenoon. He was working alone and left the camp in the morning with lunch, and was not missed until the crew came in for supper in the evening. A search was at once made and his body found under a log. Indications were that his saw had cramped and he had crawled under the log to wedge it up, when it rolled over, crushing him beneath it and killing him instantly. The body was brought to this city Monday by pack train and taken to his home in Sedro-Woolley. He has been employed at the camp for about ten days prior to his death.

Funeral services were held at the Baker chapel in Sedro-Woolley yesterday afternoon, with burial in the Sedro-Woolley cemetery. Lawson W. Cable was a native of Tennessee and was almost 60 years of age. He is survived by his wife and two daughters, Ena and Ruby Cable, residing in Sedro-Woolley, and a son, Enoch Cable, a former service man, whose present whereabouts is unknown.

M'KINNEYS RETURN FROM LONG AUTOMOBILE TRIP

Mr. and Mrs. E. R. M Kinney and son Eddie and Rupert Wetzel returned yesterday evening from an automobile trip to Texas, visiting other points in the Middle West during the trip. They left here about two months ago, and made the entire trip both ways by auto. They report the best kind of a vacation, as they did not have a mishap of any kind and enjoyed every mile of the journey. They say that they found the roads uniformly good, the finest highways being in Colorado and Washington and the worst through Montana. They were surprised at the long dry spell here, as they found plenty of rain in Texas and through the Central states.

SEDRO-WOOLLEY CALLS BIDS FOR CLUB BUILDING

Largely through the efforts of Dave Donnelly, the final plans for financing the new building for the Sedro-Woolley Commercial club were completed this week, and bids are now open, called for the erection of the building. The structure will be two stories in height and will be of brick and tile construction and will cost about $22,000. Bids will be opened August 1 and work will start as soon as contract is let.

S. A. PITTMAN PURCHASES JOHNSON'S SHOE SHOP

S. A. Pittman of this city closed a deal the first of the week for the purchase of the Paul Johnson shoe shop in the Siegrist building on Main street. Mr. Pittman took possession of the shop at once and is now looking after the wants of his customers. Mr. Pittman is experienced in the shoe repairing business and expects to find his new venture more profitable than working by the day. He is equipped to handle shoe repair work of all kinds, and also has a shoe-shining parlor in connection. Mr. Johnson left for Bellingham and it is understood that he expects to enter business in that city.

MORE CANDIDATES FILE FOR PRIMARY ELECTION

The list of candidates for Skagit county offices was increased by three filings made this week. J. C. Wixson of Big Lake and J. O. Rudene of LaConner filed for the office of representative from the fifty-first district. This makes a total of six candidates in the race for this office, of which three will be nominated. The other new candidate is J. T. Stevenson, who wants to be county commissioner from the first district, opposing E. E. Van Buren, who is a candidate for re-election.

SUPERIOR BUNCH LOSES FIRST GAME TO ROCKPORT

Following the unwritten rule of baseball, the Superior team lost its opening game to the Rockport bunch last Sunday, the game developing into a slugging match with a final score of 14 to 9. There were plenty of good plays made during the game and also a lot of errors. The game was close throughout and one that kept fans interested. The Superior team showed up well under fire, and gives indications that with a little more experience it will develop into an aggregation that will be hard to beat. There seems to be plenty of latent talent among the players, but the team is still weak on team play. The Rockport team also showed lack of practice, but the up-river lads managed to out-hit the locals and and annexed enough more runs to win the game.

Manager Nelson will take his team to Milltown tomorrow and will tackle the fast bunch of husky farm boys that represent that community on the baseball field, and hopes to win this game. With the regular team in Hamilton, the Concrete fans will be without a game tomorrow.

LIVESTOCK EXHIBIT TO BE FEATURE OF SKAGIT COUNTY FAIR

SPECIAL PRIZES OFFERED TO GIVE ADDED INTEREST—PREMIUM LIST IS NOW READY FOR DISTRIBUTION.

Preparations for the 11th session of the Skagit county fair, to be held in Burlington during the week of August 14 to 19, are going ahead rapidly and every indication is that this season will be the greatest in the history of the fair assosiation.

Early entries indicate that the livestock exhibit this year will be the big feature of the fair, as entries are being reported in the various classifications daily to the secretary. Special premiums offered by livestock breeders and others are giving added interest and will undoubtedly result in a considerable increase in the number and quality of the exhibits in the department. J. A. Scollard, president of the United Dairy association, has announced his intention of showing his splendid Aberdeen Angus herd during the fair, and there will also be representative exhibits of Ayrshire, Guernsey, Holstein-Friesian and Jersey breeds. The secretary announces that none but tuberculin tested animals will be permitted to show. Exhibits in the cattle department will be in charge of Thos. G. Lockhart, who will give his undivided time to this department. The poultry section will be in charge of C. L. Murdy, with W. M. Coates as judge. It is expected that there will be an unusually large number of Skagit county birds on display in this section.

The ladies' auxiliary department, under the direction of Mrs. George A. Pringle, assisted by Mrs. W. E. Jennings, and Mrs. W. L. Jackson, will have much of interest to offer visitors this year. Secretary Gordon is kept busy these days lining up amusement features and riding devices for the entertainment of pleasure seekers.

The 1922 premium list is now off the press and is now being mailed out throughout the county. Any person desiring a copy can secure it by writing the secretary, W. J. S. Gordon, Mt. Vernon.

LOCAL THEATRE OFFERS VARIED ENTERTAINMENT

The Concrete theater offers a wide choice of pictures for the coming week, and all are unusually good. Tonight Fred Stone will be featured in "The Duke of Chimney Butte," a Western comedy drama with plenty of action. It is a story of the cattle ranges with the usual beautiful heroine and the cattle rustlers who are trying to get possession of her ranch. Tomorrow night Marie Prevost comes in "A Parisian Scandal," a comedy of society life that is full of laughs. The Century comedy, "Touch Down," will also be shown.

Next Tuesday Evelyn Nesbit will be seen in "The Hidden Woman," an interesting drama with an unusual plot. This picture was produced under the direction of Allan Dwan, and is said to be one of his finest photoplays. Thursday night Wm. Desmond appears in "Dangerous Toys," a drama of society life that will prove interesting to all who see it. The comedy, "Snooky's Twin Troubles", will furnish the laughs for the evening.

Next Saturday pretty Pauline Frederick comes in "Two Kinds of Women," a story of the west in which the star is seen in an unusual role. Pauline Frederick has long been a popular star with Concrete theater patrons and this picture will bring her new friends. Next Sunday Hoot Gibson, the popular Western star, is featured in "Red Courage," a screen adaptation of Peter B. Kayne's famous story, "The Sheriff of Cinnebar." It is a story of the western mining camps in the early days and will please those who enjoy plenty of excitement.

PUGET SOUND CAMP IS CLOSED DOWN BY SHORTAGE OF CARS

WILL REMAIN CLOSED UNTIL STRIKE IS SETTLED—OTHER CAMPS IN UPPER VALLEY NOT AFFECTED YET.

The big logging camp of the Puget Sound Sawmills & Shingle company north of town, closed down indefinitely last Saturday, the shutdown being caused by the railroad strike. The camp has been having difficulty for several weeks in securing sufficient cars to move the logs taken from the woods, and the shortage was gradually growing worse. The company was also in trouble from the source at the other end, the big mills in Bellingham being unable to secure cars for the shipment of lumber, resulting in an accumulation of lumber and logs at the mills with no assurance of any relief in the immediate future. In order to prevent an oversupply of logs at Bellingham, and to avoid the increased expense of logging with a shortage of cars, the company decided to close its camp here until the strike is settled. The logging crews of more than 100 men left Saturday for outside points and all that are left at the camp now is the office force and a few men to keep a lookout for fires and care for the camp machinery and equipment.

The continued dry weather for the past two months has greatly increased the danger of a disastrous fire at the camp, and the suspension of operations lessens this danger, and it is believed that the fire situation was also a factor in the decision to stop work.

The shutdown is indefinite, but it is generally believd that the strike will be settled within a comparatively short time, and it is understood that the camp will resume operations as soon as cars are again available for shipment. It is very likely that the camp will be in full operation again within 30 days.

The other logging camps in the upper valley have not been affected by the strike as yet. The McNeill-O'-Hearne camp, east of town, is shipping out 10 or 12 cars of logs a day and so far has been able to secure all the cars needed. The Faber Logging company's camp at Faber is also making regular shipments to the Clear Lake mill at Clear lake. The Superior Portland Cement company is experiencing some difficulty in securing enough cars to fill their orders, but not to such an extent as to interfere with the steady operation of the plant.

STANDARD OIL COMPANY STARTS WORK ON STATION

The Standard Oil company started work this week on the construction of its new oil storage station in Central Concrete, opposite the Presbyterian church. Two large storage tanks, with a capacity of several hundred gallons of gasoline each, are on the ground, and will be erected as soon as the foundations are in place. A corrugated iron warehouse for the storage of oil of various kinds is also being built. The work is going ahead rapidly, and it is expected that deliveries of oil and gas from the new station will be made within the next thirty days.

BRUSH FIRES NEAR CITY ENDANGERS BUILDINGS

The brush fire that has been burning between this city and Grasmere took a notion to approach nearer town Tuesday, and helped along by a strong wind soon burned over the slope of the hill west of Crofoot addition. The fire came within a short distance of Ed Kennard's cabin and a cottage owned by L. E. Wolfe, and both of the buildings were in danger for several days. The fire now appears to have almost burned itself out and it is not expected that there will be any further danger from it.

Mrs. W. C. Brown and three children of Olympia left for their home Sunday after visiting for a week with Mrs. Brown's uncle, John Fisher and family.

Rev. Mr. Hoy announces a special sermon for young people next Sunday evening. There will be special music, including a song, "My Mother's Bible," by the Busy Bee class, and all young people and their elders as well, are cordially invited to attend.

Mr. and Mrs. Ed Pressentin of Marblemount visited Wednesday and Thursday of last week with Mr. and Mrs. H. C. Swettenam.

Mr. and Mrs. Charles Richardson and Mr. and Mrs. Allen McNeill picniced at Mariette Falls Sunday.

Mr. and Mrs. R. Nestos of Concrete were Sunday visitors at the H. A. Moore home.

Mr. and Mrs. John Glover shopped in Sedro-Woolley Monday of this week.

Mrs. George D. Morrison of Novato, Cal., arrived in Hamilton Monday of this week and will visit with her sister, Mrs. H. A. Moore and family.

Miss Mildred Ragan and Archie Griffith of Concrete called on friends here Friday evening of last week on their way to Mt. Vernon, where they visited the Misses Erma Ragan and Elsie Young and all attended the pavement dance in the county seat town.

Mr. and Mrs. J. P. Richards enjoyed a visit Friday of last week from a party of friends who were en route to Concrete and the upper valley. The party included Mr. and Mrs. C. S. Hungerford and son Paul and daughter Ida all of Burlington, and also their son and wife, Mr. and Mrs. Arthur Hungerford, of Bremerton.

Miss Faira Reece of Port Stanley is a guest of her sister, Mrs. Chas. Cabe.

Mr. and Mrs. Clarence Lowe and daughter Jaqualine and Mr. Hanson, all of Mt. Vernon, visited Hamilton friends Sunday on their return from a fishing trip up river.

The Bow baseball nine met with the local team on the grounds here last Sunday afternoon, the visitors getting only three scores against 11 for the Hamilton nine. Smith did some fine pitching for the town team and Cratsenberg was awake all the time behind the bat. Lawrence Russell has been elected captain, taking the place vacated by the resignation of George Wilson.

Mr. and Mrs. D. C. Henry and children left Tuesday morning for Seattle, where they will attend the "Wayfarer," and visit with relatives. They were joined in Sedro-Woolley by their niece, Miss Josephine Haggard, of Maple Falls, who will accompany them on the trip.

Mrs. S. H. Sprinkle left Saturday morning for Seattle and plans to visit for a week or two there and will see the "Wayfarer" pageant also.

Mr. and Mrs. Neil Richmyer and daughter drove to Chuckanut Saturday and visited until Sunday with Mr. and Mrs. W. D. Clifton, former Hamilton people, who are camping there.

Mrs. C. R. Perry and Mrs. Frank Perry and son went to Bellingham Saturday, and their husbands motored down Saturday evening, all returning to Hamilton Sunday.

Mr. and Mrs. R. S. Bust are the parents of a fine baby boy, born Saturday morning, July 22.

The camp fire girls who went from here for a vacation at Camp Sealth on Vashon island arrived home Saturday evening of last week, a little ahead of their schedule on account of the fire which became so threatening [illegible] the world from The Times of Thursday of last week. The girls are shown removing their belongings and camp equipment to a place of safety. Girls who arrived home Saturday were Lorna Slipper, Anna Belfrey, Kathryn Moore, Daisy Hamilton, Theo Cummings, and Aldine Vaughn. The guardian of the local camp, Mrs. H. A. Moore, was with the girls at the camp during the fire and returned to Hamilton with them Saturday.

H. C. Swettenam, C. C. Cooper, Charles Cummings and Fred Stephenson were among the local Masons who attended the big meeting of the order at Abbotsford, B. C., Saturday of last week.

The Busy Bees club held their regular monthly meeting for July at the home of Miss Elsie Cooper, near the Siding, Friday of last week. Eight members of the club and their teacher were in attendance and an interesting meeting was enjoyed. It was decided that flowers brought to decorate the class table each Sunday will hereafter be sent to some one sick or has no flowers. Following the business meeting the girls played games and Mrs. Cooper and Mrs. Henry served refreshments of cake and lemonade.

Dr. and Mrs. R. G. Kellner and Mrs. A. P. Floyd motored to Seattle Sunday, returning home Monday.

Mr. and Mrs. I. A. Hays, Ira Morris and Mr. and Mrs. R. A. Shannon visited at the Burlington hospital on Sunday with Mrs. Ira Morris, who was operated on there recently for appendicitis. Mrs. Morris is recovering nicely and will soon be able to leave the hospital.

No. 04730

NOTICE FOR PUBLICATION

(Isolated Tract)

PUBLIC LAND SALE

Department of the Interior

U. S. Land Office at Seattle, Wash. July 6, 1922

Notice is hereby given, as directed by the Commissioner of the General Land office, under provisions of Section 2455, R. S., pursuant to the application of Harry S. Harkness, Serial No. 04730, we will offer at public sale, to the highest bidder, but at not less than $2.00 per acre, at 10 o'clock a. m., on the 21st day of August, 1922, next, at this office, the following tract of land: SW¼ SW¼, Section 32, Township 35 N., R. 11 E. W. M., 40 acres.

The sale will not be kept open, but will be declared closed when those present at the hour named have ceased bidding. The person making the highest bid will be required to immediately pay to the Receiver the amount thereof.

Any persons claiming adversely the above-described land are advised to file their claims, or objections, on or before the time designated for sale.

IRVING D. SMITH, Register.

Concrete Road Building Breaks All Records

62,000,000 square yards of Concrete highway pavement —equivalent to 6000 miles of 18-foot road —have been built this year. This is nearly double the amount built in any other year.

People demand roads which give the greatest measure of service, saving and safety. That is why highway officials everywhere are building Concrete hard-surfaced roads. They know from experience no other road performs like Concrete.
