OFFICIAL PAPER OF THE CITY OF CONCRETE. REAPPOINTED FEBRUARY 17, 1914

Be a booster; bury the hammer. By united effort we can make Concrete one of the best towns in the county. Try it.

THE CONCRETE HERALD

The upper Skagit valley is the land of opportunity. Its resources are unlimited, but publicity and development are needed.

Formerly the Hamilton Herald, Established Nov. 23, 1901. Oldest Paper in the Upper Skagit

VOLUME XXII. CONCRETE, SKAGIT COUNTY, WASHINGTON, SATURDAY, DECEMBER 30, 1922 NUMBER 4

FIRST SESSION OF NIGHT SCHOOL WILL BE HELD WEDNESDAY

WILL BE FREE TO ALL MEN AND WOMEN OF THE CITY WHO CARE TO ATTEND—THREE SESSIONS EACH WEEK.

The night school for adults to be conducted in connection with the Concrete school will hold its first session next Wednesday night, January 3, and regular sessions will be held on Monday, Wednesday and Friday evenings of each week for the remainder of the school term, all sessions to open at 7 o'clock in the evening. The only thing that might prevent the regular operation of the school would be a lack of sufficient pupils to make the work worth while. The night school will be conducted for the benefit of foreigners who wish to qualify for naturalization and for those who are already citizens who wish to better their education. All expenses in connection with the school will be paid by the Superior Portland Cement company, making the school free to all students. All that is asked is a prompt enrollment at the start of the term and a regular attendance at the weekly sessions.

At the meeting held Wednesday night last week for preliminary enrollment, only a few turned out, but those who were present said that they knew of many others who expected to enroll when school opened. The teachers who will have charge of the school, Supt. J. R. Moore and H. A. Christensen, ask that all who expect to take advantage of the night school enroll at once, so that the work can be outlined and all arrangements made next week. Students who enroll several weeks after work is started will either miss some of the work or else will retard the work of those who started when the term opened.

There are many people in this city and vicinity who lacked proper educational facilities in their youth and who would gain much by attending this school. It offers an opportunity that seldom comes to residents of a small town, and the people should show their appreciation by taking full advantage of the course. Foreigners who wish to read and write English should arrange to attend regularly through the session.

There is no reason why the night school should not open with an enrollment of 40 or 50 students, and if this number take advantage of the opportunity, it will make the work more interesting for the teachers and for all who attend. Every person who wants to attend the school should be at the school building next Wednesday night.

DANGER OF SKAGIT FLOOD IS NOW BELIEVED PAST

The heavy rains of the past week threatened for some time to bring the Skagit and Baker rivers to flood stage, the Skagit particularly reaching a height that caused residents of down-river towns considerabe worry. For the past few days the weather has turned colder and both rivers have fallen almost to normal again, and it is now believed that all danger of any extreme high water is past. Residents of the valley still remember the flood of 1921 and as soon as the Skagit begins to raise they begin looking for a dry place on high land.

CHARLES STEVENSON TO BE MOUNT VERNON CHIEF

Charles Stevenson, who served four terms as sheriff of Skagit county, was this week appointed chief of police of Mt. Vernon to succeed Tip Conn, who resigned to become sheriff of this county. Since leaving the sheriff's office about two years ago, Mr. Stevenson has been acting as a merchant patrolman in Mt. Vernon. He has many friends in Concrete who know that he will make good on his new job.

The Publishers of The Concrete Herald wish their readers a full measure of happiness, health and prosperity for the New Year.

CONCRETE WRESTLER HAS TOUGH MATCH MONDAY

James Lamb, a Concrete man who is making a name for himself in the wrestling world, had an easy time winning his match with Frank Virgilio, a good amateur wrestler of this city, last Saturday night, but he will have one of the toughest battles of his wrestling career next Monday night, when he meets Gust Pappas, the light-weight champion. Virgilio was a willing worker but was not skillful enough to cause Lamb any trouble, losing the first fall in fourteen minutes and the second in about thirty. The attendance at the match was small, most of the fans waiting for the big match next Monday.

Pappas has wrestled in all parts of the United States and so far has never had his shoulders pinned to the mat. He has met all the best lightweights of the country and has beaten them all, and has also thrown many good wrestlers who were much heavier. Lamb has met some of the best men on the Pacafic coast and is also undefeated, and thinks he will be able to take the measure of his opponent Monday, which would make him the lightweight champion. The men are evenly matched in size, skill and experience, and the match should be one of the best ever pulled off in the city. Many wrestling fans from outside cities are coming here to see the match. The contest will be held in the Concrete theater, starting at 8:15, under catch-as-catch-can rules, with Olaf Nestos of this city as referee.

FORMER HAMILTON GIRL DIES IN SEDRO-WOOLLEY

Mrs. Arnold Williams of Clear Lake passed away in the Valley hospital in Sedro-Woolley on Wednesday of last week after a short illness. She was formerly Miss Marion Woodring of Hamilton, having been born in that city 17 years ago, and was well known throughout the upper valley. Funeral services were held at the Baker chapel in Sedro-Woolley on Thursday afternoon, with Rev. Mr. Brooks in charge. Burial was made in the Hamilton cemetery. She is survived by her husband and an infant son.

LADIES' AUXILIARY HOLDS MEETING NEXT THURSDAY

The next regular meeting of the Ladies' Auxiliary of the Presbyterian church will be held in the church parlors next Thursday afternoon, January 4. At the close of the business session, a light luncheon will be served by Mrs. J. E. Metcalf, Mrs. George D. Kauffman and Mrs. H. L. Lindenstruth, who are the hostesses for the afternoon. As this is the first meeting of 1923, it is hoped that all members will start the year right by attending this meeting.

FRANK W. WETZEL BUYS LOT ADJOINING PROPERTY

Frank W. Wetzel closed a deal the first of the week for the purchase of the lot adjoining his residence property on Division avenue on the west, from Albert Ring. Mr. Wetzel expects to build an addition to his residence next spring, and the enlarged residence will extend over to property just purchased.

M'NEILL-O'HEARNE CAMP IS AGAIN IN OPERATION

The McNeill-O'Hearne camp, east of town, which was closed down a few weeks ago by snow and freezing weather, resumed operations Tuesday morning, and unless again closed down by weather conditions, will continue running throughout the winter. The camp furnishes employment for about fifty men, making the pay roll quite an asset to the city. The Puget Sound camp has a crew of men busy repairing and rebuilding bridges along its railroad and will not start up until after this work is finished.

The shingle mill of the Baker River Lumber company is expected to start cutting shingles next week, and will run until the bolts on hand are cut up, which will take about a month or six weeks.

SUPERIOR MEN ARE GIVEN TURKEYS FOR CHRISTMAS

Following the annual custom of the company, the Superior Portland Cement company presented to each of its married employes a fine turkey for his Christmas dinner. Every employe without a family here was given a large chicken or a chance to eat a turkey dinner at the expense of the company. The birds given out this year were the best to be found on the market, and every man who enjoyed one for dinner on Christmas day deeply appreciated the generosity of his employer. About 250 of the noble birds were passed out in the city this year.

FINE PROGRAMS GIVEN BY LOCAL SUNDAY SCHOOLS

The Christmas programs given this year by the Sunday schools of the Presbyterian and Baptist churches were unusually good and both were enjoyed by large audiences. The Presbyterian tree and program was held Friday night last week, and the Baptist entertainment was Sunday night. The little folks gave some fine recitations, drills and songs, and at the close of each program, Christmas boxes of candy and nuts were handed out to all the youngsters. The Presbyterian Sunday school also sent out treats to the homes, more than 300 packages being distributed.

ANACORTES MAN ON TRIAL FOR MURDER OF BROTHER

The trial of Victor Anderson of Anacortes on a charge of murder in the first degree was started in the superior court in Mt. Vernon last Saturday and has continued throughout this week. The case was expected to be ready to go to the jury some time yesterday. The case has been bitterly fought before the court and many witnesses have been examined on both sides.

Victor Anderson is charged with having killed his brother, Enoch Anderson, on the night of November 28, 1920, when Enoch disappeared. In January, 1921, the body of the missing man was found floating in the bay at Anacortes, wrapped in blankets and tied to a sack which is believed to have contained rocks to weigh it down. Victor was arrested last March and has been in jail since that time.

LOCAL MERCHANT INJURED IN AUTOMOBILE ACCIDENT

George W. White, one of the proprietors of the Superior Mercantile company store, was severely injured in an automobile accident in Sedro-Woolley last Saturday as the result of a collision with a car driven by Mrs. Paul Rhodius of that city. Mr. and Mrs. White and son David and Mr. White's father, W. E. White of Everett, left here in their car Saturday afternoon for Everett to spend the holidays. While driving along one of the main streets of Sedro-Woolley they saw the other car, driven by Mrs. Rhodius, coming down a side street at a rapid rate. While the White car had the right of way, they attempted to avoid the collision, but apparently Mrs. Rhodius did not see their car until she crashed into it. Mr. White received a broken collar bone, a broken rib and a bad cut on the back of the head, besides numerous bruises. The elder Mr. White received a bad cut on the chin, but Mrs. White and David escaped with a few slight bruises. They were taken to the office of Dr. Mattice in Sedro-Woolley for medical attention, and later returned to this city. Mr. White is reported to be recovreing as rapidly as could be expected and no serious results of the accident are anticipated, but he will be laid up for some time. The White car was practically wrecked by the collision and the Rhodius car was considerably damaged.

TODAY IS LAST CHANCE TO GET AUTO LICENCES

All automobile owners who have not secured a 1923 license before tonight will be in danger of arrest for driving without a license next week. The automobile code provides that all auto licenses expire on the last day of the year, and that the new plate should be in place on January 1. County Auditor Barrow reports that the sale of new licenses so far has been about the same as during the same period last year, and that the big majority of auto owners are likely to be on the delinquent list.

INSANE MAN SHOOTS AT INTERURBAN CONDUCTOR

Claiming that he became furious because the conductor on an interurban car blew his whistle too often, Fraser Castle of Burlington drew a revolver from his pocket and fired two shots at the conductor. The bullets shattered the glass front of the car. Fraser was walking on the track at the time and paid no attention to the whistle of the car. Castle was arrested and later examined before an insanity commission in Mt. Vernon. He was found insane and committed to the Northern hospital at Sedro-Woolley.

SOCIAL DANCE GIVEN BY CONCRETE YOUNG PEOPLE

An enjoyable social dance was given in the I. O. O. F. hall last night by a number of the young people of the city. Invitations were limited on account of the small size of the hall but there were enough present to provide a good time for everybody. The evening was spent in playing games, dancing and in having a general good time.

SEDRO-WOOLLEY TO VOTE ON BONDS FOR A NEW HIGH SCHOOL

UNION HIGH SCHOOL DISTRICT VOTES TODAY ON $150,000 BOND ISSUE FOR NEW BUILDING AND SITE.

The Sedro-Woolley Union high school district is holding an election this afternoon to vote on the question whether or not the district shall issue bonds to the amount of $150,000 for the purpose of building and equipping a new high school building and to purchase a site for the new school. The school directors have already taken an option on two blocks lying west of the library building in Sedro-Woolley as a site for the new high school. This property has a frontage of 500 feet and will cost the district $5,225.

The new school as planned will accommodate 400 pupils, and the old building would be used for the overflow and to care for some of the pupils of the Sedro-Woolley grade schools, which are also overcrowded. Included in the new building will be a large auditorium, a gymnasium, a school cafeteria and class rooms. The plans for the building were prepared by the same firm of architects that planned the new Mt. Vernon high school building.

The Sedro-Woolley Union high school now has about 500 students, and the present building is filled to overflowing and additional rooms rented about the city for school use. The only opposition appearing to the bond issue is from people who want to have a larger building erected, so that all the high school pupils can be kept in one building, but it appears that the district is not able to finance such a building at this time. It is generally believed that the bonds will carry by a large margin and that the building will be erected in time for use during the next school year.

CONCRETE YOUNG PEOPLE ADMIT THEY ARE MARRIED

It has been rumored about the city for the past two months that Miss Linda Linne, clerk in the Concrete Drug store, and Allen McPhee, also of this city, had been married in October, but they met all inquiries regarding the truth of the rumor with evasive answers. However, this week they announced to their friends that the rumor was true, and that they had been married in Everett on October 17, but that for various reasons they had thought it best not to announce the wedding sooner. Their many friends in the city are now extending belated congratulations.

The bride is a daughter of Mr. and Mrs. O. Linne of this city and is well known and deservedly popular. The groom is a son of the late Mrs. W. J. O'Connell and is a leader among the younger set. Mr. and Mrs. McPhee will make their home in this city.

AMERICAN LEGION HEAD WILL VISIT THIS COUNTY

Alvin M. Owsley, national commander of the American Legion, will be entertained by the Mt. Vernon post of the legion at luncheon on Sunday, January 7, at 11:30 o'clock. He will go from Mt. Vernon to Bellingham, where a mass meeting will be held at 1:30, returning to Everett for a meeting there in the evening. A number of the legion men from the local post are planning to go to Mt. Vernon that day to meet their commander. Mr. Owsley is one of the greatest orators in America today, and it is urged that every ex-service man, whether a member of the legion or not, attend one of his meetings.

The local post will hold a meeting Monday, January 8, to elect officers for the ensuing year. It is hoped that every member turn out for this meeting and help to select the officers of the post.

EXCAVATION WORK STARTED FOR NEW CEMENT BUILDINGS

L. R. EVERETT STARTS DIGGING OUT BASEMENT FOR ARGERIS BUILDING—OTHERS START TO WORK NEXT WEEK.

Leonard R. Everett, who has the contract for the erection of the Argeris building on the corner of Main and Aldridge streets, started work Tuesday morning on the excavation for the basement and foundation walls of the new structure. A crew of men and several teams have been kept busy for the past week on this work. The dirt removed, which is largely gravel, is being hauled to Garden addition and used to improve the road to Crofoot addition, and a considerable change has already been made in the condition of the road, although the job is barely started. The amount of material to be moved will permit of the road being widened for its full length and all low places filled to an even grade. The material also makes a fine road surfacing and will eliminate the deep mud holes that have been features of the road for the past several winters. Mr. Everett estimates that it will require two or three weeks to complete the excavating work.

Roy R. Reed, who has the contracts for the Concrete theater and Gailey & Oliver buildings, writes from Seattle that he will return to Concrete early next week, and will have everything ready to start work with a rush as soon as he gets here. As there is very little excavating necessary for these buildings, it is likely that actual construction will be started on these before it is on the Argeris building. Unless unforeseen delays occur, it is expected that all three buildings will be ready for occupancy before April 1.

FINE PICTURES COMING TO THEATER NEXT WEEK

Some of the leading movie stars will be seen at the Concrete theater next week in pictures that are rated among the best. Tonight Jackie Coogan, the popular star of "The Kid," will be featured in "My Boy," a comedy drama that shows this little actor at his best. Tomorrow night George Arliss, the noted actor, will be seen in "Disraeli," a screen adaptation of the famous stage play of the same name. The plot is an interesting story of English political life during the reign of Queen Victoria.

Tuesday night the attraction will be the Noble Johnson production, "Tracks," a story of love and adventure on the western cattle ranges that will interest those who want plenty of thrills. A comedy will also be shown.

Thursday night Hoot Gibson appears in "Trimmed," a comedy drama featuring the adventures of a returned soldier who is elected sheriff of a western town and starts out to make good. The photoplay is full of fun and exciting situations.

Next Saturday Hope Hampton comes in "Star Dust," an entertaining story of theatrical life that will be found pleasing. Next Sunday Douglas Fairbanks, the popular comedian, will be seen in "The Nut," a story of an amateur philanthropist who runs into all kinds of trouble but wins out in the end. The picture is one of the funniest that Fairbanks has made.

CONCRETE SCHOOL WILL REOPEN NEXT TUESDAY

The holiday vacation for the youngsters and teachers of the Concrete school will come to an end on New Year's day, and all will be back at work Tuesday morning. The week's rest is expected to freshen the minds of both teachers and pupils and extra good work should be the rule for nevt week.

HAMILTON ITEMS

Mr. and Mrs. A. W. Stewart had as dinner guests on Christmas day Geo., Gladys, Robert and Irene Blanton, Mr. and Mrs. S. P. Ericsson and Anders Jensen.

Santa Claus was generous to the boys and girls at the community Christmas tree Saturday evening of last week. There was no program and the featured entertainment was the personal appearance of Santa Claus, who told of his exciting trip over the top of Mt. Baker with his moose team. With boy scouts in uniform as aids the boxes of candy, nuts and oranges piled around the tree were soon distributed to the little folks and the holiday treat was sent also to all boys and girls of the town who were not present so far as they were reported. Following the Christmas tree the regular Saturday night dance was held in the hall.

Serial No. 04833
Contest No. 498

NOTICE OF HEARING

Department of the Interior
United States Land Office, Seattle, Washington, November 20, 1922

To Carl Lester Pape, Applicant, and to Inaugural Mining Company, Skagit River Copper Mining Co., Henry Roberts, Michael O. Spencer, James J. Connor, John C. Iverson and Jos. W. Gregory, his attorney, and to all parties claiming as mineral the land hereinafter described:

You are hereby notified that Carl Lester Pape, who gives Hamilton, Washington, as his post office address, did, on August 25, 1922, file homestead application No. 04833 for Lot 5, Sec. 23 and Lots 5 and 6, Sec. 24, Twp. 35N., R. 6 E., W. M., and filed corroborative affidavits alleging that no mining locations exist upon the legal subdivisions of this land; that no mining operations are being conducted upon this land or upon any tracts adjoining thereto, and that said land is of more value for agricultural than for mineral purposes.

Said land has been heretofore held by Departmental and Commissioners' Decisions to be mineral in character, but by Commissioner's letter "N" of October 11, 1922, he allowed a hearing to determine the present character of the land.

All said parties are hereby notified to appear, respond, and offer evidence touching said allegations at 10 o'clock a. m., on January 9, 1923, before the Register of the United States Land Office at Seattle, Washington.

ROCKPORT

Now the Christmas rush is over and everyone enjoyed a good time. The next thing we are waiting for is the New Year's resolutions.

Mr. and Mrs. Carl Olson and children went to Seattle Saturday to visit with their old friends, Mr. and Mrs. A. G. Polson, former residents of Rockport.

Last Thursday our first and second school basketball teams went to Hamilton for a return match with the boys of that school. Our first team lst to Hamilton 20 to 12, but the boys of the second team wore a smile home, as they won, the score being 10 to 8.

Mr. and Mrs. Howard Christian motored to Sedro-Woolley to spend Christmas at the home of Mrs. Christian's parents, Mr. and Mrs. Thue.

Mr. and Mrs. Jack Snyder took in the big dance given by the Elks in Anacortes last Saturday evening.

Word has been received here that Miss Iola Barrett of Portland, formerly of Marblemount, had the misfortune to break her leg on Christmas eve, falling as she was stepping down a short step. Miss Barrett is a trained nurse and was on duty on a special case when the accident happened. Her many friends here are hoping for her early recovery.

Miss Ethel Tracy of Concrete was a holiday guest at the home of Mr. and Mrs. Garnet Thompson.

N. L. Larsen, Dan Cooper and F. Brown, employed with the city of Seattle railroad section crew, spent the week-end in Seattle.

Mr. and Mrs. Ed Pressentin and children were among those present at the big annual Christmas dinner at the Martin home Monday.

Mr. and Mrs. Edward Janson and son Wilfred spent Christmas with relatives and friends near Mt. Vernon.

Mrs. George Wismer was an over-Sunday guest of Mrs G. Marshall at Rocky creek.

The morning train from Newhalem was an hour late Wednesday morning on account of a slide on the track but the section crew was soon on the job and cleared the track so that both trains were able to make the trip.

Mrs. Walter Clark and Mrs. Bert Shannon and family returned home from Bellingham Tuesday evening.

The carpenters have started work on the new McGee residenceñ which is being built near the Gander residence.

Mr. and Mrs. Neil McLeod and children spent several days at the home of A. Reece, east of town.

Miss Ruby Stafford is spending the holidays with relatives and friends here.

The city of Seattle surveying crew expects to start work this week along the Sauk river.

J. R. Sheldon of Rockford visited for several days this week with his daughter, Mrs. Walter Clark.

Miss Alice Halbert returned last Friday from a visit with friends in Seattle and other sound cities.

Oscar Banner of Marblemount was transacting business in town Tuesday.

Wm. Kahler was a dinner guest at the home of Mr. and Mrs. Al Fletcher Monday evening.

Miss Lily Olson spent Christmas with her parents, Mr. and Mrs. F. Olson, at Avon, returning home Wednesday.

Mrs. D. Hooper and Mrs. Epp Shular spent Tuesday at the home of Mrs. Dexter Cook at Van Horn. F. Cook accompanied them home and spent a few days at the Shular home here.

Mr. and Mrs. Perry Harding and sons motored to Blanchard Sunday and remained over the holiday, visiting friends and enjoying some good duck hunting.

Miss Maria Shular is visiting at the home of D. Hooper for a few days this week.

Horace Cook has returned home again after spending several months near Hamilton, where he has been employed.

CARD OF THANKS

I wish to publicly thank the Superior Portland Cement Co. for the choice Christmas turkey presented to me as one of its employes. The Superior company has never failed at Christmas time to remember each of its employes with a turkey, and I am sure I express the sentiment of all in saying that this generosity is greatly appreciated by the men. Such kindly acts as this tends to bring about closer relations and a more united spirit of cooperation between employer and employe.

FRANK WALTON.

HAMILTON

A Christmas program was given by the Sunday school last Sunday morning instead of the regular school session. The church was gay with Christmas greenery and garlands of red and green, and a lighted Christmas tree occupied one end of the rostrum. Mrs. Riggs, Sunday school superintendent, was ill and unable to be present, but Rev Riggs arranged with Lyman to come to Hamilton for the morning service instead of going to that place. Thores was Christma music and recitations and a little Christmas play by the Busy Bee club, the service closing with the 23rd psalm spoken in concert by the school.

The total sale of Christmas seals in Hamilton amounted to $51.60, the school, under Supt. Brode, disposing of seals to the amount of $32.25 and Mrs. F. G. Slipper and Mrs. H. C. Swettenam sold a total of $19.35 among the business houses.

J. H. Slipper left Sunday morning for business houses.

J. H. Slipper left Sunday morning for Seattle to spend Christmas with his family.

Mrs. J. Belfrey and family left on Tuesday evening for a short visit in Seattle.

Homer and Robert Cathey left on Saturday for Seattle to visit with Mr. and Mrs. Thomas Cathey, there.

Mr. and Mrs. Grover Welch entertained at dinner Christmas day Mr. and Mrs. F. E. Chambers and daughter, and Mr. and Mrs. Dexter Hooper and two daughters of Lyman, Walter Mason, Walter Welch, Jack Cogdill and Z. V. Welch.

Under the chaperage of Mr. Campbell, Superintendent Brode, and Miss Chisholm the 7th and 8th grade classes enjoyed a Christmas frolic at the school buildings Friday evening of last week. They met first in the 7th grade room for a Christmas tree, where each of the young folks received a gift. The games were played in the high school assembly room and dainty refreshments were afterwards served in the dining room by a committee from the two grades.

Mr. and Mrs. George Perry and family came up from Bremerton for a Christmas visit with Mr. Perry's parents, Mr. and Mrs. Charles Perry.

Mr. and Mrs. George Hardy enjoyed a Christmas visit with friends in Seattle.

Mr. and Mrs. J. C. Iverson and son Bovee, Mr. and Mrs. Herbert Mote, Mrs. Mildred Clayre and son Bobbie, and Miss Phyllis Iverson, all of Seattle, came to Hamilton Saturday and visited until Monday evening with Mr. and Mrs. Irving Cary and family. At dinner on Christmas day places were arranged at the Cary board for the Iverson party.

Mr. and Mrs. J. J. McKinnon of Flat, Alaska, who have been visiting with relatives here are now making a visit with friends near Atlwa, Ontario, Canada.

Claude Martin, who is a nephew of Grover Welch and friend, O. F. Kruger, both soldiers of Camp Lewis, came to Hamilton Monday evening and will visit for several days with Mr. and Mrs. Welch.

Miss Rosie Poe, daughter of J. R. Poe of this place and James M. Baldwin of Elma, Wash., were married in Seattle Saturday of last week. The bride is well known in Hamilton having made her home here since childhood, and Mr. Baldwin lived here about two years while taking up a homestead across the river. He is an ex-service man, with a brilliant record for foreign service in France where he went through the Meuse-Argonne campaign and was gassed in the battle of the Argonne in October, 1918. Mr. and Mrs. Baldwin came to Hamilton Saturday evening adn visited with Mrs. Baldwin's father until Sunday when they went to the home of her sister, Mrs. H. R. Knippell, for an over-Christmas visit. They will probably make their home in Clallam county.

Mr. and Mrs. Dewey Verbeck and son left Friday of last week for Seattle to spend Christmas with Mr. Verbeck's parents. They were accompanied by Mrs. Verbeck's brother, Earl Reeder of Roberts, Idaho, who was their guest for several days last week.

Mr. and Mrs. Frank Perry returned Monday evening from a Christmas visit in Bellingham.

Mr. and Mrs. Ben Roush and son, Ben Jr., motored from Bellingham and were Christmas guests of Mr. Roush's parents, Mr. and Mrs. J. P. Richards.

Mr. and Mrs. A. P. Floyd and family had as guests at Christmas dinner T. S. Eichholtz and John and Charles Floyd.

Mr. and Mrs. Charles Anderson and daughter came to Hamilton Sunday evening and were Christmas guests at the home of Mr. and Mrs. George Wilson.

William Hedden, who has been critically ill, is now improved, and the little son of Mr. and Mrs. C. C. Cooper is also recovering from his serious attack of pneumonia.

H. D. Woodin was a Christmas guest at the home of his brother, V. Woodin, in Sedro-Woolley.

Mrs. E. E. Rowe and son Ed Allen enjoyed Christmas day with Mr. and Mrs. Winfield Lamkin in Sedro-Woolley.

Friends of Mrs. Lester Broome, who was formerly Miss Violet Ellison of this place, were shocked Sunday to hear of a tragic accident which occurred at the Broome home in Seattle Saturday afternoon. Bobbie, their year old son, tipped over a teakettle of boiling water, scalding himself terribly. At St. Luke's hospital, where he was hurried immediately after the accident, he is said to be in a critical condition and is not expected to survve his injuries.

Mr. and Mrs. Earl Galbreath drove to Tacoma Saturday for a holiday visit with relatives there. They were accompanied as far as Seattle by Mrs. Ed Smith and son Everett and Mr. Smith went down on the train Sunday morning to join his family for a visit in the metropolis.

Miss Olive Dexter, daughter of Mr. and Mrs. Whitney Dexter, graduated this month from the Oregon Agricultural college, having completed a four year course in liberal arts in three and one-half years. Miss Dexter visited last week in Portland then returned to Corvallis, and does not plan to come home at present. She graduated from the Hamilton grade school, then began her high school course in Hamilton, completing it at the Mt. Vernon high school. Her college work has been taken at the Washington State college and the O. A. C.

Mr. and Mrs. S. H. Sprinkle entertained at dinner Christmas, Mr. and Mrs. F. G. Slipper and sons, Armine and Fred and daughter Lorna. Sunday afternoon and evening Mr. and Mrs. Sprinkle, Dr. and Mrs. R. G. Kellner, Chester Kellner and Mrs. Edith Gemander were guests at the Slipper home.

Mr. and Mrs. Charles Jordan and children spent Christmas at the home of Mr. Jordan's parents at Prairie.

Mr. and Mrs. Robert Omon and children of Sedro-Woolley drove to Hamilton Monday evening and visited with Mr. and Mrs. S. P. Eriesson. Mr. and Mrs. Oman returned home the same evening but the children remained to visit this week with the Eriessons.

Mr. and Mrs. A. Stafford gathered about them all their children and grandchildren for Christmas merrymaking, with 14 seated at the holiday dinner.

Chauncey Davis, who has been teaching school at Riverside, in Okanagan county, came home Sunday and is enjoying a vacation this week at the home of his mother, Mrs. H. Davis.

Thursday of last week the Rockport team of boys came to Hamilton and mixed with the locals in a close game, the score standing 14 to 1, in favor of Hamilton.

Hans Nelson came down from camp 11 to spend Christmas with his daughters, Mrs. George Wilson and Mrs. O. M. Freeman and their families.

Mr. and Mrs. William Hudson and son Jack of Bellingham came to Hamilton Saturday and visited overnight with Mr. and Mrs. H. C. Swettenam. Sunday the Swettenams and their guests left for Rockport where they spent Chrisamts with Mr. and Mrs. H. A. Martin as part of a big family party.

Concrete Road Building Breaks All Records

62,000,000 square yards of Concrete highway pavement—equivalent to 6000 miles of 18-foot road—have been built this year. This is nearly double the amount built in any other year.

People demand roads which give the greatest measure of service, saving and safety. That is why highway officials everywhere are building Concrete hard-surfaced roads. They know from experience no other road performs like Concrete.
