Be a booster; bury the hammer. By united effort we can make Concrete one of the best towns in the county. Try it.

THE CONCRETE HERALD

The upper Skagit valley is the land of opportunity. Its resources are unlimited, but publicity and development are needed.

Formerly the Hamilton Herald, Established Nov. 23, 1901. Oldest Paper in the Upper Skagit

VOLUME XXIV | CONCRETE, SKAGIT COUNTY, WASHINGTON, THURSDAY, JUNE 4, 1925 | NUMBER 26

COUNCIL VOTES TO HAVE PLANS DRAWN FOR NEW CITY HALL

DECISION MADE TO GO AHEAD WITH NEW BUILDING AT ONCE —BUILDING PERMIT GRANTED AND MAY BILLS PAID.

The city council held a busy session on Monday evening, but the most interesting item of the evening's business was the decision to proceed at once with the erection of a new city building on the east end of Main street. Councilman McGovern reported that he had secured donations of all the cement, sand and gravel and most of the lumber needed for the proposed building had been contributed and that several more donations were in sight. After a little figuring over the condition of the city finances, it was decided that the building could be erected now, and Leonard R. Everett was employed to prepare plans and specifications for the structure and to have them ready for the next meeting. The city attorney was requested to complete title to the property, which was recently vacated by the city, and it is expected that bids will be called immediately after the next meeting of the council. The proposed building will be about 24x50 feet, of reinforced concrete, and will be divided into a jail, hose house and city hall. The jail will be planned to accommodate the steel cells received from the county last year.

The meeting was called to order by Mayor Nelson with all councilmen present. The minutes were read and the treasurer's report was read and filed. Several of the committees presented short reports of routine work.

The proposed new rates for water service in the city were read, and after some discussion was laid over until the meeting of June 15, at which time some representative of the water company will be asked to be present to explain the necessity for the raise and the fairness of some of the items. The question of whether or not to file an official protest against the increase of rates will be decided after the hearing.

Leonard R. Everett presented an application on behalf of Dr. F. J. Van Kirk for the erection of a reinforced concrete building in the fire limit. The plans and specifications were found satisfactory and the permit was ordered granted.

The petition of the Puget Sound Power & Light company for the vacation of apart of the old road in East Concrete was laid on the table.

The following bills were approved by the finance committee and ordered paid:

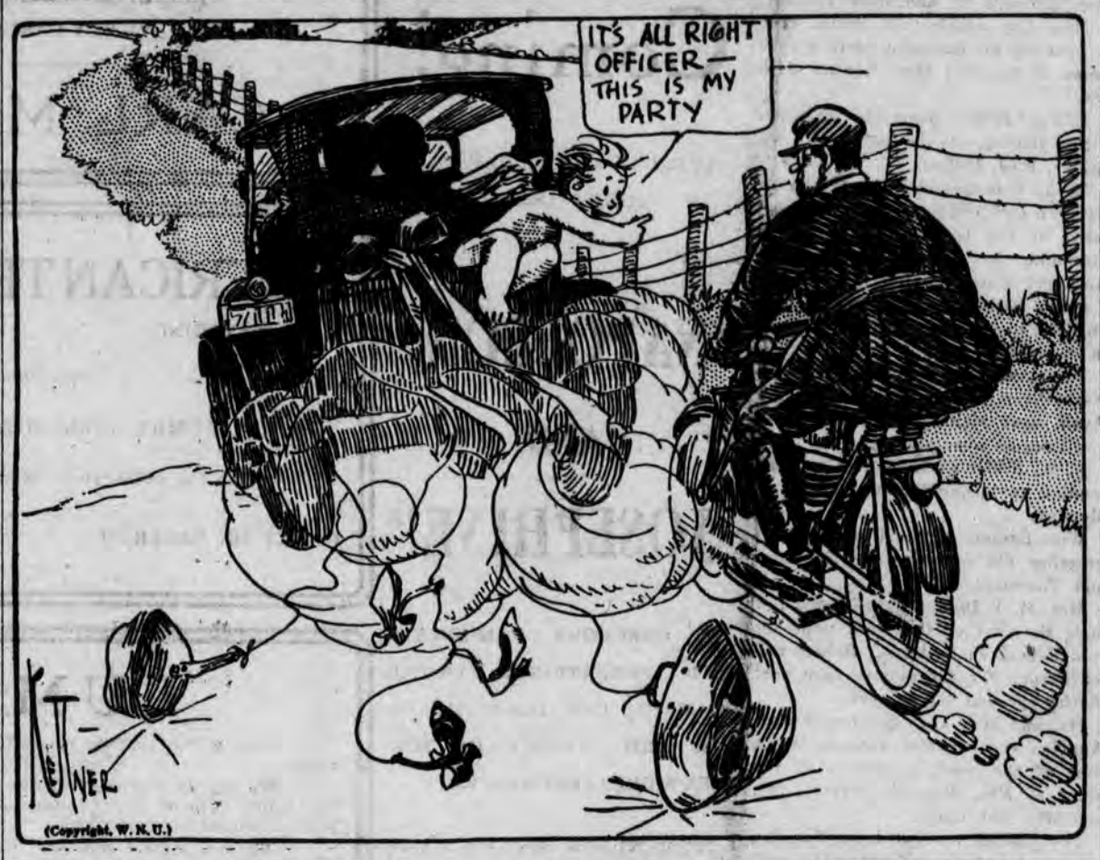
Bud Thompson, meals for prisoners, $5; Library, maintenance, $15; A. W. Hallock, team work, $20; G. L. Leonard, salary and rent, $25; G. Harper, work on streets, $32.50; J. J. McDougall, do, $97.50; Baker River Power, Light and Water company, hydrant rental, $32.50; J. D. Owen, salary, $70; J. H. Cooper, salary, $100.

The street and alley committee was authorized to have the parking areas on Main street marked off with white paint. The prevalence of speeding on the pavements was discussed and steps taken to remedy the evil. Another matter that came up for discussion was the habitual drunkenness at public dances. The police officers were instructed to keep close watch during the dances and to arrest all drunks found there, whoever they may be. Repairs to streets and the walks were then discussed, after which the meeting adjourned.

EAGLES CANCEL PLANS FOR OPEN INSTALLATION

The public installation and entertainment announced by Concrete aerie No. 1444, F. O. E., for this evening, has been cancelled on account of the death of the little daughter of I. B. Gates, president-elect of the aerie. The officers will be installed at a closed meeting, and the entertainment features planned for the evening may be given later.

The June Bride



DEATH VISITS LOCAL HOME TWICE WITHIN A MONTH

The Grim Reaper visited the home of Mr. and Mrs. I. B. Gates for the second time in less than a month when their little daughter, Wynona May, passed away Saturday, just three weeks after the death of her brother, Donald. The little girl was taken suddenly ill Saturday evening with convulsions, and although Dr. Mills was immediately called and every effort made to save her life, she failed to rally and passed away just before midnight.

Funeral services were held at the Presbyterian church Monday afternoon with Rev. John M. Thomson of Seattle in charge of the services. The little casket was covered by a mass of flowers contributed by sympathizing friends and neighbors. Music was furnished by a local choir, and the pall-bearers were four girls from the high school. After a short and impressive service, she was laid to rest beside her brother in the Forest Park cemetery. Wynona May Gates was born in this city on June 3, 1923. She was a lovable little tot and was the pet of the neighborhood. The sorrowing family has the sympathy of the entire community in their great loss in so brief a time.

CONCRETE PEOPLE ARE MARRIED IN VANCOUVER

Mrs. Mary Vier and Pete Burns, both well known residents of this city, and who have made their home here for many years, took a trip to Vancouver, B. C., the first of last week, and on Wednesday, May 27, they were united in marriage at the Methodist parsonage in that city. After a short honeymoon they returned to this city, and on Sunday they left for Morovits ranger station, near Mt. Baker, where Mr. Burns will be employed as a fire guard through the summer. Their many friends in this city join in extending congratulations and best wishes.

CITIZENS STAY UP LATE TO WASH OFF PAVEMENT

Last Friday evening several of the leading citizens decided that the Main street pavement in the business district needed washing off, so they tackled the job. They started about 10 o'clock to clean off the rubbish, then took the fire hose and gave the pavement a good washing off, finishing the job at 2 o'clock in the morning. Those handling the job were Carl Monrad, Ed McGovern, Ed Carlson and Night Marshal Cooper.

EIGHTH GRADE STUDENTS GIVEN STATE DIPLOMAS

The students of the eighth grade of the Concrete school who were fortunate enough to pass the state examination last month, have been awarded their state diplomas during the past week. Of the thirteen pupils who made the required grades, Edna Gardinier ranked first with 826 points; Manford Thosath was second with 813, and Edwina Tipton third with 802. The others who passed were Ross Armstrong, Thelma Beard, George Cunningham, Dan Crooks, Jack Lisherness, Grace McQueen, Marie Richmond, Gladys Wheeler, Frank Frank and Albert Wynne. A number of others failed in only one or two subjects, and these will have a chance to make the necessary marks in these subjects on June 18 and 19, when another state examination will be held here.

Twenty-eight seventh graders took the examination in physiology and geography and all but four passed in both subjects. Edna Gardner made the best average, with Billy Whitnall second and Bernie Fletcher third.

ROYAL NEIGHBORS WILL HOLD CONVENTION HERE

The various Skagit county camps of the Royal Neighbors of America will hold a district convention in this city next Tuesday afternoon and evening, as guests of Concrete Camp No. 9404. The sessions will be held in the American Legion hall and elaborate preparations have been made for the entertainment of the visiting Neighbors. The afternoon meeting will open at 2 o'clock and will be strictly a business session. The evening session will open at 8 o'clock, during which the business of the convention will be concluded and an entertainment program given. The proceedings will wind up with a fine supper served by the local Neighbors in the Concrete hall.

SEPERAS BUYS INTEREST IN THE CONCRETE CAFE

James Seperas, who conducted a pool hall here a few years ago, and who has since been in Seattle, returned to Concrete this week and purchased the interest of Andrew Rotous in the Concrete cafe. The firm will here after be Politis & Seperas. Jim always considered Concrete a good business town and is glad to be back in the city. Since leaving here he has taken unto himself a wife, and Mrs. Seperas is now here and will assist with the work at the cafe.

THOMAS BIASIZO DIES IN HOSPITAL AT BURLINGTON

Thomas Biasizo, a resident of this city for the past seven years, passed away in the Burlington hospital last Thursday evening after an illness of a few weeks. He was taken ill with the flu some weeks ago, the disease developing into pneumonia. He was taken to the hospital at Burlington for treatment, but failed to improve.

Funeral services were held at the Catholic church in this city Sunday with the Rev. Father Murtaugh in charge of the services. The church was filled to the doors and there was a mass of flowers, signifying the esteem in which he was held in the community. After the service burial was made in the Forest Park cemetery.

Thomas Biasizo was born in Ciseriis, Italy, on January, 20, 1880. He came to the United States about 13 years ago, and about seven years ago came to this city. He was married in 1918 to Miss Olive Mora, daughter of Mr. and Mrs. Francisco Mora of this city. He is survived by his wife and three small children, a daughter and two sons.

CONCRETE BALL TEAM TO PLAY MT. VERNON SUNDAY

The reorganized Concrete baseball team will make its first appearance Sunday afternoon when it meets the Buick team of the Mt. Vernon city league on the local diamond. The Buicks have one of the best teams in the Mt. Vernon league, and as the local team has been strengthened since its last appearance, a good game is expected.

Last Sunday the Van Horn and Lyman teams tangled on the local grounds, the up-river gang winning by the close margin of 6 to 5. Hobe Wiseman was on the mound for Van Horn and allowed five runs in the first inning. After that Lyman never had a chance to score.

FORMER CONCRETE MAN IS DROWNED IN ALASKA

Mr. and Mrs. Joseph Fessler received a telegram the first of the week announcing that James W. Crandall, a former resident of Concrete, was drowned off a fishing schooner near Wrangel, Alaska, last week. No details have been received of the accident. Mr. Crandall made his home here for some years and was well known to the old timers. He was about 40 years old and is survived by a little son, who is making his home with his grandparents, Mr. and Mrs. Fessler.

WATER COMPANY TO CHARGE MORE FOR SERVICE IN TOWN

NEW TARIFF MAKES A BIG INCREASE IN RATES FOR WATER SERVICE OF EVERY KIND—TO GO INTO EFFECT JULY 1.

The Baker River Power, Light & Water company, which furnishes the water service for the town of Concrete, has filed with the state department of public works at Olympia a new tariff or rates to go into effect on July 1, unless it is held up a protest from this city before that time. If a protest is filed, a public hearing will be held at which the fairness of the new rates will be determined by the department of public works.

The new rates show a large increase for almost every line of water service, the minimum for a residence and most business houses being raised from $1 per month to $1.65 per month. This minimum applies to residences, stores, offices, lodge halls, churches, service stations, banks, theaters and wood yards. The pool halls, schools and laundry will pay a minimum of $2 a month; the garages will pay from $2.65 and up, while the minimum for bakeries, confectioneries and restaurants will be $3.20 per month. Barber shops are rated at $2 for the first chair and $1 for each additional chair, with extra charges for baths, toilets, etc. All hotels and lodging houses will have a base rate of ten cents a room, with extra charge for baths, toilets, and other similar fixtures.

The minimum covers only the service to one customer through one faucet, and for additional fixtures there will be an extra charge of 25c for the first and 15c for each additional faucet. A hot and cold water service to a bath or other fixtures is rated as one faucet.

The new tariff also provides rates for metered water service, with a minimum of $1.65, with rules for the installation of meters, and provides that the company may install meter service at any place when it wishes. The only water service listed that is not increased is the water hydrants of the city, which remain at $2.50 each per month.

It is understood that the reason for the raise in rates is that the present rates are not sufficient to pay for the upkeep of the system. The town covers as large an area as many cities of twice the population, and an exceptionally long system of mains is required to supply the customers of the company. The new rates are the same as are now charged in Sedro-Woolley and Mt. Vernon for like services.

PLUMBING SHOP OPENED HERE BY GEO. CLINCHARD

George A. Clinchard has leased the lower floor of the I. O. O. F. building and has opened a modern heating and plumbing shop. He will handle a line of plumbing and heating fixtures, and will also do general plumbing work in the community. He is also equipped to handle repair work of all kinds. He has had considerable experience in this work and he will no doubt get all the work in that line that he can handle.

CONCRETE TEACHER IS HONOR GUEST AT PARTY

Miss Doris Turner, fourth grade teacher in the Concrete school during the past year, was the honor guest at a merry party given in the Concrete hall Tuesday evening. The party was given by the young people of the city and was largely attended. Games and dancing featured the entertainment for the evening. Miss Turner will be married next Saturday to Jack Templeton, a former Concrete boy.

LEGION WILL RAISE FUNDS TO CARE FOR NEEDY WAR ORPHANS

ENDOWMENT FUND OF $5,000,000 BEING RAISED IN NATION TO ASSIST DISABLED VETERANS AND HOMES FOR CHILDREN.

Although the last shot of the World war was fired nearly six and a half years ago, America's war orphans are increasing every day. The gas, shells and hardships of the conflict meant a lingering death to thousands of soldiers—a death that overtakes them years after they have discarded their uniforms. As the veterans are dying from diseases contracted as a result of war-weakened bodies, their children become war orphans as truly as if the fathers had fallen at the front.

The years that have passed between the war and the deaths of these men many times make it difficult or impossible to prove that the fatal illness was due to war service. Unless this proof can be established, no government compensation can be obtained for the children and they must look to other agencies for care.

The American Legion is seeking to meet the country's obligations to these orphans through the American Legion Endowment Fund, which is now being raised. The Legion is raising a total sum of $5,000,000 throughout the United States, and the interest from this fund will be used to assist disabled veterans and to establish war orphans in good American homes. The Legion has announced its determination that these children shall not lose their rights to a home, an education and an opportunity in life because their fathers made the great sacrifice for the country.

Until such time as homes can be found, the Legion plans to care for the children in groups of cottages called billets. From six to twelve children live in each cottage with a "house mother" under conditions as near home life as possible. They attend the public schools and live the normal life of an American child. The first of these billets has been established at Otter Lake, Michigan, and others will be built throughout the country as funds are available.

The Legion is asking the people of America to help make possible this program for the care of the orphans and the disabled. America, which poured out its millions so generously for the assistance of the orphans of Europe, will not fail its own.

The quota assigned to the state of Washington is $120,000, and the compaign to raise the quota is now under way. It is certain that the state will contribute more than its share, and the people of Concrete are expected to give a generous response to the appeal.

HISTORICAL PHOTOPLAY IS FEATURE AT THEATEB

The biggest feature on the program at the Concrete theater for next week is the historical drama, "Napoleon and Josephine," based on the life of Napoleon. Special efforts have been taken to have the picture historically correct, and all will find it interesting and instructive. Among the big scenes are the return from Elba, the burning of Moscow, the retreat from Russia and the battle of Waterloo. The picture will be shown on Tuesday and Wednesday nights.

Next Saturday Anna Q. Nilsson will be seen in "Innocence," an interesting drama of stage life. The story has an unusual plot and there is plenty of action. On Sunday and Monday nights the feature will be "The Marriage Cheat," a story of married life that will hold the interest of those who are married and those who are not.

For Thursday and Friday nights next week the attraction will be "The Price of Pleasure," starring Virginia Valli and Norman Kerry. It is the story of a shop girl and a millionaire, and there are plenty of thrills and a lot of dramatic action.

A LOVED ONE GONE AWAY

(By Capt. J. Eliot)

Written on hearing an eloquent and impressive discourse delivered by the Rev. Mr. Thompson at the Presbyterian church of Concrete over the body of a sweet little child (A daughter of Mr. and Mrs. I. B. Gates), who was interred in the Concrete cemetery June 1.

* * *

Death is fastidious in its choice,
And often takes the young away,
But bids with an imperial voice
The aged and forlorn to stay—
And thus it was with this sweet one,
Who was her parents' joy and pride,
But left their arms, and now is gone
To wait them at the Saviour's side.

NOTICE OF SALE OF STATE LANDS

NOTICE Is Hereby Given, That on Tuesday, the 7th day of July, 1925, between the hours of ten o'clock in the forenoon and four o'clock in the afternoon, commencing at ten o'clock in the forenoon of said day, in front of the main entrance door to the County Court House in the city of Mt. Vernon, county of Skagit, State of Washington, by the County Auditor of said county, the following described state lands, together with the improvements situated thereon, will be sold a public auction to the highest bidder therefor, to-wit;

(NOTE—No one except citizens of the United States, or persons who have declared their intention to become such, can purchase state lands.)

Application No. 12406

Lot 5 and the SE¼ of SW¼ of section 36, township 35 north, range 9 east W. M., containing 67.40 acres, more or less, according to the government survey thereof, appraised at $1,011.00. Subject to an easement for a right of way for a transmission line heretofore granted to the City of Seattle. Improvements appraised at $75.00.

Said lands will be sold for not less than the appraised value above stated and upon the terms and conditions following:

Not less than one-tenth of the purchase price must be paid at the time of sale. The purchaser, if he be not the owner of the improvements, must forthwith pay to the officer making the sale the full amount of the appraised value of the improvements, as above stated. One-tenth of the purchase price must be paid annually thereafter with interest on all deferred payments at the rate of six per centum per annum: Provided, That any purchaser may make full payment of principal, interest and statuary fees at any time and obtain deed. The purchaser of land containing timber or other valuable materials is prohibited by law from cutting or removing any such timber or materials without first obtaining consent of the Commissioner of Public Lands or the board, until the full amount of the purchase price has been paid and the deed issued.

All sales of state lands are made subject to the reservations of oils, gases, coal, ores, minerals and fossils of every name, kind and description, and to the additional terms and conditions prescribed in section 3 of chapter 256 of the Laws of 1907.

Said land will be sold subject to the terms, conditions and reservations of chapter 109 of the Session Laws of 1911, relating to easements for rights-of-way and the carrying of timber, stone, minerals and other products over the same.

CLARK V. SAVIDGE,
Commissioner of Public Lands.

June 5—July 2

NOTICE OF SALE OF TIMBER ON STATE LAND

Notice is hereby given that on Tuesday, the 7th day of July, 1925, between the hours of ten o'clock in the forenoon and four o'clock in the afternoon, commencing at ten o'clock in the forenoon of said day, in front of the main entrance door to the County Court House in the City of Mt. Vernon, County of Skagit, State of Washington, by the County Auditor of said County, the timber on the following described state land will be sold at public auction to the highest bidder therefor, to-wit:

Application No. 12397

Timber on the NE¼ of SE¼ and S½ of SE¼ of Section 36, township 36 North, Range 7 East W. M., containing 120 acres, more or less, according to the government survey thereof, appraised at $15,327.00.

Said timber on said land to be sold for not less than the appraised value, as appraised by the Board of State Land Commissioners in the manner provided by law, a statement of which is now on file in the office of the Auditor of said County.

Terms of Sale are: Cash to be paid on the day of sale.

The purchaser of timber on state lands will have five (5) years within which to remove said timber, with the privilege of securing extensions of time under the statutes governing.

CLARK V. SAVIDGE,
Commissioner of Public Lands.

June 5—July 2

Serial No. 05003

NOTICE FOR PUBLICATION

Department of the Interior

U. S. Land Office at Seattle, Wn.

May 25, 1925.

NOTICE is hereby given that Irene May Connally, whose post-office address is Concrete, Wash., did, on the 25th day of September, 1924, file in this office Sworn Statement and Application, No. 05003, to purchase the NE¼ of the NE¼, Section 7, Township 36 N., Range 9 E., W. Meridian, and the timber thereon, under the provisions of the act of June 3, 1878, and acts amendatory, known as the "Timber and Stone Law," at such value as might be fixed by appraisement, and that, pursuant to such application, the land and timber thereon have been appraised, at a total of $245.00; the timber estimated 300,000 board feet at $.75 per M, and the land , $20.00; that applicant will offer final proof in support of his application and sworn statement on the 15th day of August, 1925, before the Clerk of the Superior Court, at Mount Vernon, Wash.

Any person is at liberty to protest this purchase before entry, or initiate a contest at any time before patent issues, by filing a corroborated affidavit in this office, alleging facts which would defeat the entry.

IRVING D. SMITH,
Register.

FLOYD H. ROLLER

PERMANENT ROADS ARE A GOOD INVESTMENT —NOT AN EXPENSE

NOW IS THE IDEAL TIME TO BUILD MORE PAVED HIGHWAYS

There is not a single community in the United States that does not need a greater mileage of permanently paved roads.

16,000,000 motor vehicles are now using our highways for business and pleasure. They are packing the paved roads in already congested areas, as well as over-running regions until recently considered remote. And they are pounding to pieces all but permanent roads.

Even though a number states have made good progress in building Concrete Roads, their present permanently improved mileage is entirely inadequate, as every motorist knows.

Meantime, while the building of permanent highways lags, the production of motor vehicles is increasing the present total at the rate of 4,000,000 a year!

Sooner or later this gap must be closed. Why wait?

Not in a long time have general conditions been so favorable for carrying on such public works as permanent highway building, thus assuring tax-payers more for their money.

Now is the ideal time to extend both street and road programs!

Local Items of Interest

Mr. and Mrs. E. L. Bolton and daughter Dorothy left Sunday for Seattle, where they will visit with relatives for the next two weeks, after which they will leave for Berkeley, Cal., where Mr. Bolton will take the summer course at the University of California. They expect to return to Concrete about August 15.

Mr. and Mrs. I. B. Gates motored to Sedro-Woolley last Friday evening to attend the commencement exercises at the Sedro-Woolley high school, their son Edgar being one of the graduating class.

—Horace Condy. Optometrist of Sedro-Woolley, will be at the Concrete Drug store on the third Thursday of every month. Eyes examined and glasses fitted. Next visit June 18.

Harry Wainwright, one of the prominent citizens of Sauk, was looking after business interests and greeting old friends in the city yesterday.

Deputy Sheriffs Gage and Palmer of the highway patrol service, were business visitors in the city Tuesday.

—For sale, house and lot, 40x90, in Crofoot's addition. See any of the trustees of the F. O. E., I. B. Gates, E. L. Gardner or Richard Thompson, or telephone F52.

Edward Janson and son Wilfred of Rockport were transacting business and visiting friends in town Monday.

Mrs. W. F. Boggs returned the first of the week from Seattle, where she has been taking medical treatments for the past week. She is slightly improved in health.

—For sale, player piano and a large phonograph; price very reasonable. Bluebird Beauty Parlor.

Mr. and Mrs. Ramsey have rented the Bolton cottage in Crofoot's addition for the summer and took possession Monday.

Will D. Crofoot reports the sale of tracts 20, 21, and 27 in Sunrise Home Tracts to A. M. Glitz. This property adjoins the farm that Mr. Glitz is developing just south of town.

—For sale, player piano and a large phonograph; price very reasonable. Bluebird Beauty Parlor.

Mrs. Selma V. Lindbeck and children were visiting with relatives and friends in Everett over the week-end.

Mr. and Mrs. Andy Brunell motored to Mt. Vernon Saturday to observe the Memorial day exercises in that city.

Mr. and Mrs. M. G. Munks returned Sunday evening from a few days' motor trip to Seattle, Portland and other cities.

—For sale, family size refrigerator, as good as new; will sell cheap. Mrs. Wm. Warren, Silver Leaf Apartments.

Frank Ritchie was greeting old friends in Lyman Saturday.

Mrs. Floyd H. Roller went to Burlington last Friday evening to take in the senior play given by the students of the Burlington high school.

—For sale, three beautiful lots in Central Concrete; all cleared with small fruit orchard; will sell cheap; some terms. See W. D. Crofoot.

Mr. and Mrs. Dan Anderson left yesterday for Seattle to welcome their son, Wayne, who is returning from a trip to China as a member of the merchant marine service.

Mr. and Mrs. Ben N. Weaver and Mr. and Mrs. E. C. Schoeneman motored to Vancouver Sunday for a day's outing. They report a very enjoyable trip.

Mr. and Mrs. Wesley Bronson, who have just returned from a wedding tour to coast cities, are making an extended visit at the home of Mr. Bronson's parents, Mr. and Mrs. H. A. Bronson. They will locate in this city if they are able to find a home.

Mrs. Harry Wainwright and daughter Vera of Sauk were visiting their friends in the city last Saturday.

Mr. and Mrs. W. J. Morris and son Weldon returned Sunday evening from a few days' visit with relatives and friends at Port Angeles.

—For sale, two improved lots, each 30x112 feet, in Garden addition, near Baker river; ideal home or garden tract; will sell cheap for $100 if taken at once; terms to reliable party. See or write Edward Janson, Rockport.

Mr. and Mrs. Carl Russell of Birdsview were visiting with relatives and friends in the city Sunday evening.

Miss Edna Schwab, who has been taking medical treatment in Portland, for the past few months, was visiting with friends in town for several days the latter part of last week.

—For sale, sewing machine in good condition; a real bargain. See Mrs. Carl Freeman, Crofoot's addition.

Duncan McKay of Clear Lake, county fire warden, was a business visitor in town the first of the week.

C. H. Russell, the jeweler, was visiting with relatives and friends in Seattle over the week-end.

Mrs. E. W. Brown of Seattle was a week-end guest at the home of Mr. and Mrs. A. M. Stoneman over the week-end.

—Used range for sale cheap. For particulars telephone Main 74.

Mr. and Mrs. John Nelson of this city are very proud of the fact that they are now American citizens and will be entitled to take part in future elections. They received their certificates of naturalization this week, as a result of the hearing held in Mt. Vernon last week.

Wm. Moran, one of the pioneer farmers of the Sauk district, was transacting business and visiting with relatives annd friends in town yesterday.

Mr. and Mrs. W. J. Morris and Mr. and Mrs. William Kissner motored to Sedro-Woolley yesterday evening for a short visit with friends.

Mrs. H. C. Lisherness is spending a few days this week with friends in Seattle and other cities.

CARD OF THANKS

We wish to express our heartfelt thanks to the many kind friends and neighbors for the sympathy and assistance so generously extended to us in our great sorrow following the death of our little daughter, Wynona May, and also for the many beautiful flowers contributed for the funeral service.

MR. AND MRS. I. B. GATES
and Family.
