Be a booster; bury the hammer. By united effort we can make Concrete one of the best towns in the county. Try it.

THE CONCRETE HERALD

The upper Skagit valley is the land of opportunity. Its resources are unlimited, but publicity and development are needed.

Formerly the Hamilton Herald, Established Nov. 23, 1901. Oldest Paper in the Upper Skagit

VOLUME XXIV | CONCRETE, SKAGIT COUNTY, WASHINGTON, THURSDAY, JUNE 11, 1925 | NUMBER 27

ROYAL NEIGHBORS OF SKAGIT COUNTY HOLD CONVENTION

ALL CAMPS IN COUNTY WERE REPRESENTED AT MEETING HELD HERE TUESDAY—ALL REPORT AN ENJOYABLE TIME.

There are nine camps of the Royal Neighbors of America in Skagit county, and they were well represented at the county convention of the order, held in this city Tuesday afternoon and evening. There were 143 Neighbors who answered the roll call at the afternoon meeting, and during the evening the members and guests brought the number well over 200. The session is reported to have been one of the best ever held in the county, and all the visiting Neighbors returned home with pleasant memories of the entertainment given by the local camps.

The sessions of the convention were held in the Legion hall, both in the afternoon and evening, winding up with a supper served by the Concrete women in the Concrete hall about midnight. The session was called to order by President Nellie Wheelock, and opened with an address of welcome by Neighbor Winnifred Hall of Concrete Camp No. 9404, and the response was given by Neighbor Violet Jansen of Clear Lake. A large part of the afternoon meeting was devoted to a school of instruction in the ritualistic work, conducted by Mrs. Elizabeth Thayer, state oracle.

The evening session was opened at 8 o'clock, when the business of the convention was concluded, including the initiation of a large class of candidates, the Burlington camp having charge of the work. The business meeting was closed about 9:30, when the doors were thrown open to the public and an excellent entertainment program given. Every camp in the county contributed a number to the program, which included drills and marches, readings, dialogues, and musical selections. Mt. Baker camp of this city contributed a piano solo by Miss Una Phillips, and Concrete camp contributed a fancy dance by Miss Thelma Evensen. All the numbers given were good and all were greatly enjoyed by the large crowd.

At the close of the entertainment, the members and visitors adjourned to the Concrete hall, where a fine supper was served by the ladies of the local camps. There were over 200 plates served at the hall. After the supper was served, the hour as close to midnight, and all adjourned to their homes. The next convention will be held in Milltown next year.

PRESBYTERIAN PASTOR TO REPORT ON ASSEMBLY

Rev. Hugh Armstrong, who has just returned from Columbus, Ohio, where he attended the sessions of the general assembly of the Presbyterian church, will give a report of the more important items of the annual session at the regular services at the church Sunday evening. Many matters were taken up at the assembly this year that are of interest to the members of the church and to all who are interested in church affairs. An added feature will be some special music by the choir. It is expected there will be a large attendance.

ANOTHER NEW RESIDENCE GOING UP ON MILL STREET

The Baker River Lumber company has another cottage under construction, adjoining the one just completed a few weeks ago. The new building is now nearing completion, and will be occupied by Mr. and Mrs. W. Kissner. Ben N. Weaver is in charge of the work. Two old buildings in that neighborhood have been turned around to front the street and are being overhauled and repaired, and when the work is completed they will be about the same as new houses.

Deserted

VAN CLEAVE RESIDENCE BADLY DAMAGED BY FIRE

The residence of Mr. and Mrs. Walter Van Cleave in Crofoot's addition was badly damaged by fire on Friday afternoon of last week. Mr. Van Cleave was at work and Mrs. Van Cleave was up town, with only the children at home when the fire started. The blaze was first discovered by Mrs. R. A. Riffe and Mrs. Walter Merryweather from across the street, and had apparently started in the children's bedroom. An alarm was turned in and neighbors started carrying out the furniture, most of it being out by the time the fire hose go into action. After hard fighting the fire was checked after it had burned off the roof and ceiling.

The damage to the building is estimated at about $600, covered by insurance. Furniture and clothing destroyed and damaged amounts to about $250, which was not covered by insurance. The work of rebuilding the house will be started as soon as the insurance is adjusted. The Van Cleave family is residing in the A. J. Collins cottage until they are able to get back into their own home.

FORMER TEACHER HERE MARRIED IN BELLINGHAM

Miss Doris Turner, who taught in the Concrete school last year, was married in Bellingham last Saturday morning to Jack Templin, who is also a former resident of Concrete. The marriage took place in the First Presbyterian church in Bellingham in the presence of about fifty relatives and intimate friends, with the Dr. Edward Hill Gelvin reading the service. Miss Jeanice Turner, sister of the bride, acted as bridesmaid. Following the wedding, an informal reception was held at the home of the bride's parents, after which the bride and groom started on a two weeks' wedding tour of Puget Sound cities. They will make their home in Bellingham. Their many friends here join in extending congratulations.

STATE EXAMINATIONS TO BE HELD HERE NEXT WEEK

The June examinations from the eighth grade will be held next Thursday and Friday, June 18 and 19, the places designated in this county being Concrete, Hamilton, Edison, Sedro-Woolley and Mt. Vernon. Pupils who failed in one or more subjects in the May examinations will have a chance to make the grades required for their diplomas next week. Pupils from the rural districts can take the examination at the nearest school.

INSPECTOR IS KILLED BY FALL FROM TRAM TOWER

M. S. Nelson, an engineer employed as inspector of the construction work on the new tram line of the Superior Portland Cement company, was instantly killed yesterday afternoon when he fell from the top of the tram tower located north of the school grounds. He was engaged in taking some measurements on top of the tower and in some manner the steel tape he was using came in contact with the high tension line of the Stone & Webster company, which passes through the tower and was about 25 feet below him. The shock apparently dazed him and threw him from the tower to the ground almost a hundred feet below, killing him instantly. The body was taken to his former home in Seattle for burial.

Mr. Nelson came to this city from Seattle about six months ago to take up his work as inspecting engineer on the tram construction work. He was a skilled workman and was popular with all who knew him. He was about 40 years of age, and is survived by his wife and a small son, Richard.

GOOD PICTURES COMING TO THEATER NEXT WEEK

There are a number of real features on the program of the Concrete theater for the coming week, almost every change including a headliner. On Saturday evening the attraction will be Jack London's "The Call of the Wild," one of the best animal stories ever written. The photoplay follows closely the action of the book and is said to be fully as enjoyable.

Another real feature is scheduled for Sunday and Monday nights, when "Sundown" will be shown. This is a western drama telling the story of one of the last battles of the cattle men to save their ranges from the invasion of farms, gardens, railroads, and auto highways. There are many thrilling scenes, including a stampede of a herd of 100,000 cattle. The cast is headed by Roy Stewart and Bessie Love.

For Tuesday and Wednesday nights the patrons of the theater are promised a thrilling melodrama in "The Air Hawk." It is a story of love and adventure with some of the most exciting flying stunts ever filmed. Those wanting thrills and excitement in their pictures will surely enjoy this one. The cast is headed by A. Wilson, known as "The Horseman of the Heavens," and Virginia Faire.

On Thursday and Friday nights Jack Hoxie will be seen in "Daring Chances," a powerful western drama featuring the Universal ranch riders. This is a story of hard riding and fast action and all will find it interesting.

NEW OFFICERS INSTALLED BY THE CONCRETE EAGLES

The Concrete Aerie of Eagles installed officers for the new semi-annual term at the regular meeting of the lodge held last Thursday evening, the installation being the main event of the evening. The new officers of the aerie are: Worthy president, Ira P. Gates; vice-president, Lester Thomas; chaplain, John Boeringa; secretary, Jos. Kemmerick; treasurer, Jno P. Gailey; physician, Dr. J. F. Mills; inner guard, E. J. O'Brien; outer guard, Frank Carnovale; trustee, H. E. McQueen. The other two trustees, Richard Thompson and E. L. Gardner, are holdovers.

A large number of the Eagles are arranging to go to Vancouver, B. C., next week to attend the annual meeting of the state aerie. The elected delegates are Richard Thompson, Jos. Kemmerich and Dr. J. F. Mills. The rest will go along as visitors.

M'GOVERN IS APPOINTED AS ACTING POSTMASTER

Franklin A. McGovern received notice the first of the week that he had been officially appointed as acting postmaster for Concrete to succeed the late L. E. Wolfe. He qualified at once and took charge of the office in his own name yesterday. His commission as acting postmaster is good only until a permanent appointment of a new postmaster is made by President Coolidge, but i tis not expected that any change will be made until after congress meets in December. Mr. McGovern has been clerk in charge of the office since Mr. Wolfe was incapacitated by illness last fall and is fully acquainted with duties of the office It is expected that he will handle the work in a manner that will be found satisfactory to all the patrons of the office.

NEW DANCING PAVILION BUILT AT BACON CREEK

Joe Barta of this city and some associates who are interested in in building up a summer resort at Bacon Creek, about six miles above Marblemount, have just completed the construction of a large dancing pavilion at that place and the opening dance will be held tomorrow night. It is planned to hold dances at this place every two weeks thru the summer. Bacon Creek is one of the favorite fishing resorts of this part of the state and touriss from all pars of the northwest can be found there through the summer. It is expected that the dances to be held there will prove popular wih the visitors during the season.

COMMISSIONERS TO LET CONTRACT FOR BRIDGE NEAR SAUK

WILL OPEN BIDS ON JUNE 19 FOR 450-FOOT BRIDGE ACROSS SAUK RIVER—WILL BENEFIT LARGE DISTRICT.

Bids are now being called for the construction of a new wagon bridge across the Sauk river, located between the village of Sauk and the Sauk Prairie community. Bids will be opened on Friday, June 19, and it is expected that the contract will be let and that work will start at once. This bridge will replace the present ferry across the Sauk river, cutting out a large expense for the operation and upkeep of the ferry and in keeping the approaches to the ferry open. The bridge will make the Sauk Prairie district more accessible and will have a tendency to divert the business of the community, which is now going to Darrington and Snohomish, to Concrete and other Skagit valley towns.

The plans for the bridge were prepared by the county engineer's force, and it is stated that this is the first time that a bridge of major importance has been completely designed wholly by the local office. The plans on the structure are comprehensive and very complete.

The total length of the structure will be 450 feet, consisting of one 140-foot Howe truss span, one 19-foot counterbananced span, and seven teen 17-foot trestle spans on piling. An interesting feature of the new bridge is the construction of the counterbalanced span, this being made necessary by the passing under this portion of the bridge of the Sound Timber company's right-of-way, and the clearance was not sufficient to allow for the passing of the driving equipment and other loads carried by the company. The span constructed is made so that it may be raised easily and do away with this difficulty.

The structure will be partly financed by the people in the vicinity of the Sauk Prairie, who are furnishing part of the materials and also donating a portion of the labor necessary to build the bridge. When completed it will be of great benefit to their district.

LOCAL SCHOOL FACULTY FILLED FOR NEXT YEAR

At a meeting of the school board held last week, the teaching force for next year was completed by the election of Miss Constance Bennett of Seattle, a graduate of the University of Washington, to fill the vacancy in the high school. The full corps for next term will consist of twelve teachers, two more than for last year, as follows: Superintendent, Edwin L. Bolton; high school teachers, Miss Elsie Chandler, Miss Irva Knuppenburg and Miss Bennett; grade teachers, A. B. Wiseman, Miss Annice M. Lang, Miss Margaret McDonald, Miss B. Brooks, Miss Ebba Natterlund, Miss Myra Huestis, Miss Mary Park and Mrs. Selma V. Lindbeck. Mr. Wiseman will again have charge of the boys' athletics, and Miss McDonald will coach the girls.

STORES ARE DECORATED FOR R. N. A. CONVENTION

A feature of the Royal Neighbors convention in this city Tuesday that received much pleasing comment from the visitors was the way in which the display windows of the town were decorated in honor of the guests. Practically every business house in the city was attractively decorated in the R. N. A. colors of purple and white, and most of them showed careful planning and excellence in design. Judging by street comments, honors for the most attractive window would go either the Concrete Market & Grocery or Carl Monrad, and either one was attractive enough to win a prize, and several of the others were almost as good.

CONCRETE TEAM IS DEFEATED SUNDAY IN TEN INNING GAME

COLVIN'S HOME RUN GIVES THE MT. VERNON TEAM A 10 TO 8 VICTORY OVER LOCALS—EVERETT TEAM TO PLAY HERE.

Colvin spoiled a perfectly good ball game for Concrete last Sunday when he landed on one of Hobe Wiseman's benders in the tenth inning and hoisted it into McDaniel's raspberry patch. The score at the time was six-all and there were two men on the paths at the time, so the four-base wallop really ended the game and gave the Mt. Vernon Buicks the victory in a close and hard-fought contest.

The game looked easy at the start, when the Concrete sluggers landed on Hedlund for five hits and four runs in the first inning, and with Hopper pitching airtight ball for Concrete for six innings, it looked like a sure win. Mt. Vernon was held scoreless until the sixth, when the down-river gang broke through for one run. As the locals added two more in the last half, the 6 to 1 lead looked perfectly safe for the home gang. However, Hopper began to tire in the seventh, and the Buicks landed on him for a flock of safe hits, with a few errors mixed in, the total being two more runs, and in the eighth they continued the bombardment for three more runs, enough to tie up the game. Hopper was then lifted and Hobe Wiseman sent to the mound, and he got by without further damage until the tenth. Colvin went in for Hedlund in the eighth, and no runs were scored on either side in the ninth. In the first of the tenth, Wiseman wobbled and walked Herrle and Noce, and then Colvin broke up the game. Webber followed with a three-bagger and scored on Harvey's error, adding one more for good measure, but the run was not needed. Concrete started a rally in the last half of the tenth and pushed over two runs, but were unable to get enough to tie it up again, the game ending with the score 10 to 8 in favor of the visitors. It is believed that Colvin's homer was the longest hit ever made on the grounds.

Batteries—Buicks: Hedlund, Colvin and Hartnett; Concrete — Hopper, Wiseman, Lorentzen and Wiseman.

Next Sunday the Concrete team will play the H. P. Frolich team of Everett on the local grounds. The Frolich's have one of the strongest independent teams in Snohomish county, and in spite of its defeat last Sunday, the Concrete team looks good enough to hold its own with any amateur team. The game next Sunday should be a good one, and it is hoped that there will be another good crowd out to root for the local bunch.

TOWN COUNCIL TO HOLD MEETING MONDAY NIGHT

The mid-month meeting of the town council will be held Monday night, and the session promises to be a busy one. There will be an informal hearing and discussion regarding the increase in water rates, and it is expected that the plans for the new city hall will be adopted and a date set for receiving bids for the building. These two items, with the regular routine business will keep the councilmen busy for awhile. As Mayor Nelson is out of the city, there is likely to be a contest over the election of a mayor pro tem to preside at the meeting.

LADIES' AUXILIARY WILL HOLD MEETING THURSDAY

The Ladies' Auxiliary of the Presbyterian church will hold its next regular meeting on Thursday afternoon, June 18, at the church parlors. The usual business meeting will be held first, after which will come a social session, during which refreshments will be served. All members are urged to attend, and visitors will be welcome.

RUPTURE

EXPERT HERE

F. H. Seeley of Chicago and Philadelphia, the noted truss expert, will personally be at the Mitchell Hotel, and will remain in Everett Saturday only, June 20. Mr. Seeley says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10d ays on the average case. Being a vast advancement over all former methods—exemplifying instntaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or Incissional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. Warning—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.
P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley.

NOTICE OF SALE OF STATE LANDS

NOTICE Is Hereby Given, That on Tuesday, the 7th day of July, 1925, between the hours of ten o'clock in the forenoon and four o'clock in the afternoon, commencing at ten o'clock in the forenoon of said day, in front of the main entrance door to the County Court House in the city of Mt. Vernon, county of Skagit, State of Washington, by the County Auditor of said county, the following described state lands, together with the improvements situated thereon, will be sold a public auction to the highest bidder therefor, to-wit:

(NOTE—No one except citizens of the United States, or persons who have declared their intention to become such, can purchase state lands.)

Application No. 12406

Lot 5 and the SE¼ of SW¼ of section 36, township 35 north, range 9 east W. M., containing 67.40 acres, more or less, according to the government survey thereof, appraised at $1,011.00. Subject to an easement for a right of way for a transmission line heretofore granted to the City of Seattle. Improvements appraised at $75.00.

Said lands will be sold for not less than the appraised value above stated and upon the terms and conditions following:

Not less than one-tenth of the purchase price must be paid at the time of sale. The purchaser, if he be not the owner of the improvements, must forthwith pay to the officer making the sale the full amount of the appraised value of the improvements, as above stated. One-tenth of the purchase price must be paid annually thereafter with interest on all deferred payments at the rate of six per centum per annum: Provided, That any purchaser may make full payment of principal, interest and statuary fees at any time and obtain deed. The purchaser of land containing timber or other valuable materials is prohibited by law from cutting or removing any such timber or materials without first obtaining consent of the Commissioner of Public Lands or the board, until the full amount of the purchase price has been paid and the deed issued.

All sales of state lands are made subject to the reservations of oils, gases, coal, ores, minerals and fossils of every name, kind and description, and to the additional terms and conditions prescribed in section 3 of chapter 256 of the Laws of 1907.

Said land will be sold subject to the terms, conditions and reservations of chapter 109 of the Session Laws of 1911, relating to easements for rights-of-way and the carrying of timber, stone, minerals and other products over the same.

CLARK V. SAVIDGE,
Commissioner of Public Lands.

June 5—July 2

NOTICE OF SALE OF TIMBER ON STATE LAND

Notice is hereby given that on Tuesday, the 7th day of July, 1925, between the hours of ten o'clock in the forenoon and four o'clock in the afternoon, commencing at ten o'clock in the forenoon of said day, in front of the main entrance door to the County Court House in the City of Mt. Vernon, County of Skagit, State of Washington, by the County Auditor of said County, the timber on the following described state land will be sold at public auction to the highest bidder therefor, to-wit:

Application No. 12397

Timber on the NE¼ of SE¼ and S½ of SE¼ of Section 36, township 36 North, Range 7 East W. M., containing 120 acres, more or less, according to the government survey thereof, appraised at $15,327.00.

Said timber on said land to be sold for not less than the appraised value, as appraised by the Board of State Land Commissioners in the manner provided by law, a statement of which is now on file in the office of the Auditor of said County.

Terms of Sale are: Cash to be paid on the day of sale.

The purchaser of timber on state lands will have five (5) years within which to remove said timber, with the privilege of securing extensions of time under the statutes governing.

CLARK V. SAVIDGE,
Commissioner of Public Lands.

June 5—July 2

Serial No. 05003

NOTICE FOR PUBLICATION
Department of the Interior
U. S. Land Office at Seattle, Wn.
May 25, 1925.

NOTICE is hereby given that Irene May Connally, whose post-office address is Concrete, Wash., did, on the 24th day of September, 1924, file in this office Sworn Statement and Application, No. 05003, to purchase the NE¼ of the NE¼, Section 7, Township 36 N., Range 9 E., W. Meridian, and the timber thereon, under the provisions of the act of June 3, 1878, and acts amendatory, known as the "Timber and Stone Law," at such value as might be fixed by appraisement, and that, pursuant to such application, the land and timber thereon have been appraised, at a total of $245.00; the timber estimated 300,000 board feet at $.75 per M, and the land , $20.00; that applicant will offer final proof in support of his application and sworn statement on the 15th day of August, 1925, before the Clerk of the Superior Court, at Mount Vernon, Wash.

Any person is at liberty to protest this purchase before entry, or initiate a contest at any time before patent issues, by filing a corroborated affidavit in this office, alleging facts which would defeat the entry.

IRVING D. SMITH,
Register.

FLOYD H. ROLLER

PERMANENT ROADS ARE A GOOD INVESTMENT —NOT AN EXPENSE

NOW IS THE IDEAL TIME TO BUILD MORE PAVED HIGH-WAYS

There is not a single community in the United States that does not need a greater mileage of permanently paved roads.

16,000,000 motor vehicles are now using our highways for business and pleasure. They are packing the paved roads in already congested areas, as well as over-running regions until recently considered remote. And they are pounding to pieces all but permanent roads.

Even though a number states have made good progress in building Concrete Roads, their present permanently improved mileage is entirely inadequate, as every motorist knows.

Meantime, while the building of permanent highways lags, the production of motor vehicles is increasing the present total at the rate of 4,000,000 a year!

Sooner or later this gap must be closed. Why wait?

Not in a long time have general conditions been so favorable for carrying on such public works as permanent highway building, thus assuring tax-payers more for their money.

Now is the ideal time to extend both street and road programs!

Local Items of Interest

Mr. and Mrs. Ole Nelson are leaving today for a month's auto tour as a vacation. They expect to drive to Southern California, then come north through Nevada, Montana, Idaho and Eastern Washington. They are looking forward to a delightful trip.

Mr. and Mrs. William Warren returned last night from a week's visit to Lynden, where they visited with relatives and friends and also attended the 25th wedding anniversary of Mr. and Mrs. Crosier.

—Horace Condy. Optometrist of Sedro-Woolley, will be at the Concrete Drug store on the third Thursday of every month. Eyes examined and glasses fitted. Next visit June 18.

Mrs. Fred Trudell of Marblemount was visiting relatives and friends in town Sunday.

Edwin L. Bolton, superintendent of the Concrete school, returned Sunday from a week's visit in Seattle. He left again yesterday and will start Sunday for Berkeley, Cal. where he will attend the summer school at the University of California.

—For sale, family size refrigerator, as good as new; will sell cheap. Mrs. Wm. Warren, Silver Leaf Apartments.

Deputy Sheriffs Woodard and Conn drove up from Mt. Vernon Saturday for a short business visit in town.

Willard L. Brickey, a prominent attorney of Mt. Vernon, was in the city yesterday on professional business.

Carroll Biggerstaff has his head neatly bandaged this week, as the result of a slight auto accident while returning from a trip to Sedro-Woolley last Saturday evening.

Mr. and Mrs. Lester Elkins are the proud parents of a fine son, born on Thursday, June 4.

Mr. and Mrs. Carl Freeman and children drove to Bellingham the first of the week, where Mrs. Freeman and children will visit for about a month while Carl is employed in a camp near Seattle.

—For sale, two improved lots, each 30x112 feet, in Garden addition, near Baker river; ideal home or garden tract; will sell cheap for $100 if taken at once; terms to reliable party. See or write Edward Janson, Rockport.

Mr. and Mrs. F. A. Dixon of Seattle were visiting with old friends in the city for a few days the latter part of last week.

Ed Pressenin, the Rockport merchant, was transacting business in the city Saturday.

—Used range for sale cheap. For particulars telephone Main 74.

Miss Alice Mathany, who has been attending the normal school at Ellensburg, returned home the latter part of last week. She will visit here for a few weeks and then take in the summer school in Bellingham.

Miss Evelyn Gustafson of Mount Vernon was visiting with friends in town last Saturday.

—For Sale, three room house and four lots in Greist's addition to Grasmere; ten bearing fruit trees on the property. For price and terms see or write Frank Lorenz, Concrete.

Mrs. Ole Nelson returned home on Monday from Butte, Montana, where she was called a few weeks ago by the death of her sister.

A. M. Stoneman and his sister, Miss Audrey Stoneman, drove to Seattle Tuesday for a short visit with relatives and friends.

—Hemstitching and picoting, ten cents a yard. Mrs. Frank Wetzel, Garden addition.

Joe Barta, the pioneer baker of the city, was looking after business interests at Bacon Creek yesterday.

Rev. Hugh Armstrong returned yesterday evening after an absence of about a month, during which he attended the general assembly of the Presbyterian church at Columbus, O. and later went on to Boston for a few tays' visit with relatives.

Otto Treichler, cashier at the Concrete depot, is now away on his vacation, and covering a large part of the country. He expected to go as far south as Los Angeles, Ca., and El Paso, Texas, then north to Indianapolis, then west to Montana, and probably other points before retorning home. He expects to be away for the rest of the month.

Mrs. Katherine Glover and Mrs. Nell Wheelock drove to Mt. Vernon Saturday to attend to some business matters and o visit friends.

Mrs. W. J. Roberts of Mt. Vernon was greeting old friends here during the R. N. A. convention Tuesday.

CARD OF THANKS

We wish to thank the business men of the city for their decorations, and all who helped, for their assistance, in our efforts to make the Skagit County convention of the Royal Neighbors a success.
