

Be a booster; bury the hammer. By united effort we can make Concrete one of the best towns in the county. Try it.

THE CONCRETE HERALD

Formerly the Hamilton Herald, Established Nov. 23, 1901. Oldest Paper in the Upper Skagit

VOLUME XXVIII

CONCRETE, SKAGIT COUNTY, WASHINGTON, THURSDAY, NOVEMBER 7, 1929.

The upper Skagit valley is the land of opportunity. Its resources are unlimited, but publicity and development are needed.

NUMBER 49

REGULAR MEETING OF COUNCIL IS HELD ON MONDAY NIGHT

BILLS ARE ALLOWED AND CITY MATTERS ARE TALKED OVER—BOARD IS NAMED FOR NEXT ANNUAL TOWN ELECTION.

The November meeting of the town council was held Monday evening with just a quorum present. Councilmen McDonald, Gardiner and Middleton responded to roll call; Councilman Ritchie was working and Councilman Gates was out of the city.

The meeting was called to order at the usual hour by Mayor Dillard. The minutes were read and approved and the monthly report of Treasurer Seabury was read.

Mr. McDonald, chairman of the Street and Alley committee, reported that all sidewalks were now in good shape; that a culvert had been installed under the road to Capitol Hill, and that Shuksan street in Crofoot's addition, had been graveled. Mr. Middleton stated that he had received some complaints in regard to the road leading to Capitol Hill, and that he believed some gravel was needed. It was reported that a larger light had been installed at the foot of the hill in Crofoot's addition, and that it was believed that this would give sufficient light for that locality.

The following bills were approved by the Finance committee and were ordered paid:

Department of Labor and Industries, industrial insurance and medical aid, \$4.28; Concrete Library, maintenance, \$15; Ada Seabury, salary, \$16.33; G. L. Leonard, salary, \$20; Superior Portland Cement, Inc., coal for city hall, \$21.32; Baker River Power, Light and Water Co., hydrant rental, \$35; Chas. Paine, hauling rock, \$45; Lakeside-Western Lumber Co., lumber for sidewalks, \$54.25; Puget Sound Power and Light Co., lighting service, \$93.46; J. J. McDougall, work on streets, \$95; J. D. Owen salary and special police, \$155.

The matter of building a sidewalk from A street to Melville's addition, a distance of 350 to 400 feet, was talked over, and it was decided that a walk was badly needed at this place. The matter was held open to give the committee a chance to look over the ground and get a rough estimate of cost, but it seemed to be the sentiment of the council that the walk should be built. The question of graveled the road to Capitol Hill was talked over, but the matter was left in the hands of the Street and Alley committee for investigation and such action as may be found necessary.

It was found that an election board for the town election to be held on Tuesday, December 3, would have to be appointed at this meeting. After a short discussion, the following were named to serve on the board: Inspector, Mrs. Lura Ritchie; judges, Mrs. Rosalie McGowan and Mrs. Mary Evensen.

The date for holding a mass caucus to nominate candidates for the municipal election was discussed informally, and after various dates had been suggested, it was decided that Monday evening, November 18, was about the most convenient time, so that date was fixed. The caucus will probably be held in the Legion Hall.

SEATTLE MINISTERS VISIT AT PRESBYTERIAN MANSE

Rev. Mr. Hoon, pastor of the First M. E. Church of Seattle, and Rev. F. L. Pedersen, associate pastor, accompanied by Mrs. F. L. Pedersen spent Monday and Tuesday in town as the guests of Rev. and Mrs. L. H. Pedersen at the Presbyterian manse. On their return to Seattle Tuesday afternoon each carried a generous basket of trout, caught in the Baker river. Rev. Mr. Hoon, who is a recent arrival in Seattle from the Middle west, made his first trip through a forested region on his trip here, and greatly enjoyed his experience. He was much impressed with the splendid scenery around Concrete and says he will return again for a longer visit.

Still Wrangling

(Copyright, W. N. U.)

CONCRETE BAND TO PLAY AT THE THEATER TUESDAY

The people of Concrete and vicinity will have another chance to hear the Mt. Shuksan band next Tuesday evening when the band gives a concert at the Concrete theatre. The band has not made a public appearance for several months, and since the organization has been holding regular practice meetings each week, some splendid music is anticipated at Tuesday's concert. This band is an asset to the city in many ways and it is hoped that the people of the community will show their appreciation of the efforts of Director Gentry and his musicians by turning out in full force Tuesday night.

The selections to be played at the concert are as follows:

March "Advance" Bennett
Overture "Tom, Dick and Harry" Southwell
March "Golden Spur" Weber
Serenade "Twinkling Stars" Southwell
March "Queen City" Boorn
Waltz Spanish "El Reno" Kiefer
Two Step "Ma Honey Belle" Kiefer
Schottische "Pastime" Al Hayes
Galop "Vivo" Kiefer

The regular picture program for the evening will also be given, so all who come will find plenty of entertainment.

BURLINGTON TEAM TIES COUNTY FOOTBALL RACE

The Sedro-Woolley high school appeared to have clear sailing for the county football title after its upset victory over Anacortes two weeks ago, but last Saturday the Burlington team heaved a monkey wrench into the machinery and the county championship now seems headed for a triple tie. Much to the surprise of the Sedro-Woolley fans, and also to many in other parts of the county, the Burlington eleven outplayed the Sedro-Woolley lads and came out on the long end of a 19 to 0 score in the other county game last week, Anacortes won from Mount Vernon, 35 to 0.

Anacortes now leads with two wins and one defeat; Burlington and Sedro-Woolley have each won one and lost one; Mount Vernon has only played one conference game and lost it. Sedro-Woolley and Burlington each have a game with Mount Vernon left to play, and if each wins, which now seems likely, the county race will end with Anacortes, Burlington and Sedro-Woolley tied for the title. If Mount Vernon should spring a surprise and win both games, Anacortes and Mt. Vernon will be tied.

WOMEN'S COMMUNITY CLUB HAS MEETING FOR STUDY

The study department of the Women's Community Club held a meeting in the club rooms in the Library building yesterday afternoon with ten of the members present. The meeting was devoted to reading O'Neill's play, "The Strange Interlude". The book was only about half finished when the meeting closed, and a special meeting will be held tomorrow afternoon to complete the reading of the play, to be followed by a general discussion. The monthly business meeting of the club will be held in the club rooms next Wednesday, Nov. 13. As there are a number of matters of interest to the community to come up, all are invited to come. All women interested in the work of the club are invited to come and assist at the meeting.

CHAIN GROCERY TO OPEN IN CONCRETE THIS MONTH

The MacMarrs Stores, a national chain grocery organization, will open a branch store in the Agerin building on Main street within the next few weeks. The store will occupy the room just vacated by the Concrete Market & Grocery, and painters are now busy painting and kalsomining the room. While no definite information is available, it is understood that equipment and stock for the new store will begin coming in as soon as the painters are through. A definite announcement as to the opening date will likely be made later.

The MacMarrs chain is one of the largest in the country and is particularly strong on the Pacific coast, having branches in many cities and towns although generally in cities much larger than Concrete. The organization places its branches after careful study, so MacMarrs must believe that Concrete is a good town and has a real future, or the store would have been located elsewhere.

ENJOYABLE PARTY HELD TO CELEBRATE BIRTHDAY

Mrs. I. B. Evensen entertained a number of the youngsters at her home on West Main street Tuesday evening in honor of the thirteenth birthday anniversary of her son, Edward. There were 22 boys and girls present and all had a merry time in playing games and in having a general good time. The rooms had been beautifully decorated for the occasion. A feature of the evening was the fine birthday dinner, which was served just before the close of the party.

STAGE LINE TO ROCKPORT WILL START NEXT WEEK

B. H. Solomon, operator of the Sedro-Woolley - Concrete Stage line has arranged to open a new passenger and express service between Concrete and Rockport. The new service will start next Friday, November 15, and will include three stages each way daily. The proposed schedule shows stages leaving Concrete at 7:30 in the forenoon and 12:20 and 4:20 in the afternoon. Returning the stages will leave Rockport at 8:15 a. m. and 12:45 and 4:45 p. m. The new line will make direct connections with the stages for Bellingham and Seattle. The new stage service is expected to prove a great convenience to the residents of the upper valley, and with the opening of the new camp at Rockport, the stages should have plenty of passengers.

LOCAL FOOTBALL SQUAD TO SEE STANFORD GAME

Next Saturday A. B. Wiseman, the athletic coach of the Concrete high school will give his football squad a real treat by taking them to Seattle to see the football game between the University of Washington and Stanford University. All the lettermen are certain to go, and if transportation can be arranged, all the boys who have been turning out regularly for football practice, whether they have made the team or not, will be taken along. Mr. Wiseman has made it an annual event to take his team to Seattle for one of the big games, and if the usual program is followed the boys will have choice seats for the game and will possibly take in a show before returning home. All the boys are looking forward to the trip.

HALLOWE'EN PASSES BY TAMELY IN CONCRETE

Halloween, formerly the dread of peace officers and property owners, is becoming tamer each year, at least in Concrete. This year the customary pranks were played, but so far as was learned, no property was destroyed or badly damaged, and the bands of boys, and girls also, who roved the city during the early evening, were generally law abiding and contented themselves with soaping windows and making plenty of noise. One small group of boys caused a disturbance at the I. O. O. F. hall, where church services were being held, and the result was a session with Marshal Owen. As it appeared that the disturbance was more thoughtlessness than malicious, it is not believed any further action will be taken.

LEGION CELEBRATES ARMISTICE DAY IN ANACORTES MONDAY

NEARLY ALL STORES IN COUNTY TO BE CLOSED—NO PROGRAM ARRANGED FOR CONCRETE FOR THE DAY.

Next Monday is Armistice Day and is a legal holiday in this state for everybody but the school children, who will have to attend school as usual. No celebration or special program has been arranged for this city except that the high school will have appropriate exercises in assembly in the forenoon. The stores will likely be closed all day, and a number of Concrete people will attend Armistice Day celebrations in other cities.

In the larger cities of the county, it is planned to make Armistice day a real holiday, with practically all store and business houses closed, and in some places the mills and other industries will be closed for the day.

(The American Legion posts of the county usually hold a joint celebration in some city, with the various posts joining in the program and other exercises. This year the celebration will be held in Anacortes and with the Mount Vernon posts working together in preparing the program for the day.)

The celebration will start at 1:30 in the afternoon with a drill by the Mount Vernon bugle band on the downtown streets, after which the band will head a march to the football field, where the Anacortes and Whatcom high schools will play. These teams are about evenly matched and those who attend will see a close and exciting game. Between the halves, Major George Shorkley of Mount Vernon will dedicate the American Legion colors and banner and the American Legion Auxiliary colors and banner.

At 6:30 in the evening various organizations will assemble at the Elks club to form the big parade, which will be led by massed colors with a U. S. Coast Guard color guard. Other organizations that will be in line include the G. A. R., the American Legion, the Veterans of Foreign Wars, World War Veterans, Mount Vernon Ambulance Corps, Boy Scouts, and the women's auxiliaries of the various organizations.

The program for the day will close with a big dance in the Elks club with music furnished by Jake Running's band of Mount Vernon. It is expected every Legion post in the county will be represented, and a number of people from this city are making plans to celebrate the holiday in Anacortes.

HIGH SCHOOL LEADERS TO HAVE MEETING IN SEATTLE

Designed to impart information of practical value as well as entertainment, the annual high school leaders' conference sponsored by the Associated Students of the University of Washington will be held on the campus, Thursday, Friday and Saturday, November 14, 15 and 16.

The principal purpose of the conference will be fulfilled by numerous meetings, lead by trained students, at which the various problems confronting the high school leaders will be discussed.

To enable the visitors to see the machinery of a student association in actual operation, an activity assembly will be held the first day of the conference. The University president, students leaders and captains of various sports will speak at this assembly.

Tours of the city and of the largest manufacturing plants have been arranged and the visiting students will also attend an all-University play and a football game as guests of the student body. They will be entertained during their stay at fraternity and sorority houses on the campus.

The students from the Concrete High School who are representing the school are, Robert Leonard, Leroy Reynolds, Helen O'Conner, Lillie Oakes. They are to be accompanied by Superintendent E. L. Bolton.

SEDRO-WOOLLEY IS TIED BY CONCRETE IN FRIDAY'S GAME

WELL PLAYED GAME ON SEDRO FIELD ENDS IN SCORELESS TIE—HAMILTON HERE FRIDAY FOR BIG GAME OF SEASON.

In a hard fought and well played game on the Sedro-Woolley grounds Friday afternoon, the Sedro-Woolley reserves and the Concrete high school battled through four quarters to a scoreless tie. Both teams showed wonderful defensive work, but neither of them were able to show any concerted offense, each team lacking the power to push the ball over when near the goal line.

In the first half the Sedro-Woolley scrubs outplayed the boys from the cement city, keeping the ball in Concrete territory during practically all of the two periods. However, Concrete put up a pretty defense and "held tough" when the goal line was in danger. Sedro-Woolley had the ball within the ten-yard line three times, with four downs to go each time the defense held. In the second half the situation was reversed, the play being mostly in Sedro-Woolley territory and Sedro-Woolley doing the fighting with its goal threatened time after time. Through bad breaks, Concrete lost two certain touchdowns in this half. Beard caught a long pass from Ross and had a clear field for a touchdown and was past the safety man when he stumbled and fell and was tackled as he rose to resume his run. Another time a perfect pass from Ross was caught by McDonald behind the Sedro-Woolley goal line, but he fumbled the ball as he was tackled, and the ball went out to the Sedro-Woolley 20-yard line, and that chance was gone. The Concrete boys were in scoring distance several times, but were unable to break through the Sedro-Woolley defense.

The game was a good one and the fans saw plenty of action. The teams were evenly matched, and while the Concrete players were disappointed in not winning the game, they give Sedro-Woolley credit for a hard battle and admit that the tie score was earned. The Concrete school now has a record of two games won, two tied and two lost for the season.

Tomorrow afternoon the Concrete boys will play their last game of the season, and it is considered as the big game, Hamilton furnishing the opposition. Earlier in the season the Concrete boys won from Hamilton at Hamilton by 14 to 0, but the play was so close that the breaks could have gone the other way. Coach Wiseman and his huskies are not looking for any easy victory tomorrow. They know that anything can happen in a football game and are prepared to meet a stronger Hamilton eleven than the one they met a few weeks ago. The game promises to be a fine contest and a record crowd is sure to be on hand, unless it happens to be a cold and rainy day.

BASKETBALL SEASON TO OPEN TOMORROW NIGHT

The basketball season of 1929-30 will be ushered in tomorrow evening in Concrete with a game between the girls of the Concrete high school and the women's town team of Clear Lake. The Concrete girls have had very little practice this year, but are prepared to put up a hard battle against their more experienced opponents, while they are not making any claims of victory, they are going into the game with a determination to win if possible.

This game is a curtain riser to the main event of the evening, which will be between the Clear Lake town team and the Concrete town team, being the opening game of the Skagit County Basketball league. Nothing is known to the comparative strength of the teams, but a fast and exciting game is expected. It is hoped that there will be a large attendance out for the opening game, to root for Concrete's teams.

Most of the evidence against S. Takayama, the Japanese arrested for the Portland Hotel fire in Seattle, seems to be that he had been a friend of the wife of the proprietor. Jealousy is kind of a weak rope to hang a man with, but the Seattle police seem to feel that they must have a woman in it somewhere. Otherwise it wouldn't fit in with the usual movie version.

The province of Nova Scotia has just voted in favor of government control of liquor after having had a prohibition clause in their constitution for a number of years. And so the world moves along, always striving for what it hasn't got and when it gets it it wants to be back where it started from. No wonder laws fail to be observed.

The Mt. Suksan Band of Concrete will give a concert at the Concrete Theatre next Tuesday night. Here is your chance to hear a fine program and at the same time show your ap-

preciation to the men and boys who are working to make it a success.

Scarface Al Capone, the Chicago gangster and tough guy refuses to speculate in Wall Street. "They are too crooked", he says. And if they are too crooked for him—God help the poor speculators.

The meanest thief in the world is busy again in Seattle. This time he is stealing the Christmas money from little children's banks.

The stock market is (or was) back to normal again for a few days. Probably just steaming up for another blow-out.

Mrs. Al Piro and two children, formerly of Alaska, now residing at Snohomish, and Misses Lottie and Olga Johnson and Arthur Johnson, also of Snohomish were dinner guests at the home of Rev. and Mrs. L. H. Pedersen last Friday.

BIRDVIEW

A Hallowe'en party was enjoyed by the community here Friday evening in the gymnasium. The teachers and children had the hall all decorated in Hallowe'en colors. Nearly every one was masked. The following received prizes, Mrs. Earl Spurling as the best dressed lady, Mrs. Joe Kemmerich as the best dressed boy, Billie R. Gee as the best dressed girl, Wilma Johnson as the best dressed character, she was Santa Claus and Ruth Fredrickson as the best dressed child. A fine lunch of sandwiches, coffee, doughnuts and punch was served to about two-hundred guests.

Vivian Bates received a serious cut on his leg Monday while cutting wood. He went to Dr. McFadden at Concrete and had it dressed and went back to work thinking it didn't amount to much but in a short while the stitches broke and he lost a large amount of blood before he could get to the doctor again.

John Gowan and son Kenneth were business visitors in Concrete Saturday. The following ladies attended the football game in Hamilton Friday, Mrs. Joe Kemmerich, Miss Hazel Bloom, Mrs. Mont King, Mrs. Glendon Bust and Miss Elizabeth Johnson.

Mrs. and Mrs. Ray Jordan spent the week end with Mr. and Mrs. Lawrence Burns at High Rock.

Mr. and Mrs. Richard Thompson and daughter Adrian and Mrs. William Cupples were visitors at the Joe Kemmerich home Saturday evening.

Twenty-four friends from here attended the funeral of Mrs. Evelyn Bates Pearson in Lyman Tuesday. Mrs. Pearson lived here a few years ago and attended the local school.

Fourteen young people met at the home of Mrs. W. R. Gee Thursday evening and organized a Christian Endeavor. The following officers were elected, Wesley Bloom, president, Miss Ruth Johnson, vice-president and Kathryn King, secretary and treasurer. They held their first meeting at the church Sunday evening.

Henry Lindlow, a painter from Sedro-Woolley, was a visitor here Monday. He was on his way to Concrete to paint the store that McMarrs is going to occupy.

Mrs. Fred Scott and Mrs. Eddie McKinney of Concrete were guests of Mrs. Carl King Monday.

The following young people enjoyed a theatre party at Sedro-Woolley on Saturday evening, Miss Gladys Blanton, Ruth Johnson, Miss Irma Gilmore, Tom Royal, Raymond Stephens and George Blanton.

Mr. and Mrs. William Gee and son Billie R. were luncheon guests of Mr. and Mrs. Frank Gee in Lyman Sunday.

Cure Worse Than the Bite

Crossing the English channel was a worse business in early days than now. This is how our ancestors sought to evade unpleasant effects:

Take one ounce of sirup of clove gillyflowers, one drachm of confectio alchermes, one ounce and a half of borragh water and the like of mint-water, one ounce of mountford water and as much cinnamon water, temper all these together in a cordial and take a spoonful at a time when at sea.

Indians' Basket Granary

A large basket granary, used by Pacific coast Indians to store acorns, one of their chief foods, on exhibition at the Field Museum of Natural History, Chicago, is shaped like a beehive. It is made by twisting willow withes with the leaves left on into a rope-like form, which is then coiled to make the receptacle. There is a mouth in the top with a cover. The granary rests on a platform of poles devised to keep it out of reach of rodents.

Recognition Gained by Pose as English Artist

A number of years ago a young American artist sought a position on a certain eastern newspaper. His work was admirable, but there was no vacancy. Undeterred, he applied at other newspaper offices, but without success. Starvation and a hall-room overlooking a back yard stared him in the face.

At that time, foreign artists were in demand. The young fellow changed his name and inserted a hyphen to give it a ritzy atmosphere, and hied himself to the first editor who had turned him down. He had had cards printed bearing a London address.

The busy editor, having forgotten his face, listened to his story. He was an English artist, just arrived. His work, according to the artist, would take the country by storm. The editor believed it, for the drawings were excellent.

The artist was set to work and his name emblazoned on billboards and trucks. It wasn't long, however, before the editor discovered the hoax. Instead of firing the man, he kept him on the staff.

"Anybody who had the nerve to pull a stunt like that," said the editor to me, "deserves a job. He fooled me completely and any guy who can get away with that is a lulu."

The editor insisted that the artist resume his right name. It is only fair to say that the perpetrator of the hoax made good and is still earning an excellent living with his pen.—Washington Star.

Great Commanders Not Famed as Rifle Shots

The great Napoleon, being economically minded, would have been gratified to know that his "fowling piece" brought \$1,900 second hand at a recent sale in Paris.

Bonaparte, educated as an artilleryman, was a "big gun" man in his military attitude, and depended largely on his artillery and cavalry sabres to win glory. As a handler of small arms he was a true artilleryman.

The Little Corporal was a poor shot and sport did not appeal to him, perhaps for that reason. Students of the intimate details of his life recall that on one of the few occasions he was gunning for game his entire bag consisted of his favorite dog.

His great adversary, the duke of Wellington, was no better. Lady Shelley, in his memoirs, describing a day's hunting with him, says:

"The hero of Waterloo was a very wild shot. After wounding a retriever and peppering a keeper's galter, he sprinkled the bare arms of an old woman washing clothes at her cottage window."

CONCRETE WASHINGTON

Prepare To Sleep Well This Winter On A Simmond's

Sleep is essential to any person but few realize the importance of RESTFUL SLEEP. Cheap and old fashioned springs and mattresses support the body by holding up the head and feet and letting the middle part sag. This causes a strain on the body that takes away from complete rest and comfort.

Simmond's Beautyrest mattresses and Simmond's 'A' Springs have solved the problem of real comfort at low cost. They are so designed that the body is supported evenly the full length, no sag, no danger of the bed being low in any place. This eliminates any strain on your muscles and allows the body a complete relaxation.

They are very reasonable in price being only

Simmond's Beautyrest Mattress \$39.50
Simmond's 'A' Springs \$19.75

High School News

By Helen O'Conner

We've got to hand it to the Freshmen girls for winning the Championship of the High School in basketball playing. The next game is scheduled for Friday with the Clear Lake team.

The Senior's pins arrived Friday and each Senior is seen to be proudly strutting about, flashing his 'badge' on the under-grads.

Why the bleakness, Freshie, wee, Plagued by heartless Sophomore guile?

Junior too, are looking sad, Even Seniors fail to smile.

It's no secret, huge and dark, Why the gloom prevaileth so— Comes the teachers innings now, For reports are "out" you know.

The American History class sponsored by Mr. Hill is now working on an Armistice Day Program, which

will be given Monday morning in the Assembly. The program will consist of speeches, sketches from "Behold It or Not, songs and histories of the state of Washington, Paul Bunyan, the hero of the North west and other selection from history and legends.

There are more knockers in small towns than in larger cities. In large cities nobody listens.

Regular church service 7:30, including period of congregational singing. An appropriate Armistice Sunday sermon by the pastor: "Friendships Better than Battleships".

BAPTIST CHURCH

WILLIS E. PETTIBONE, Pastor
Residence 511 State Sedro-Woolley

Services for the week as follows:
Bible school 10 a. m.
Regular church service, 4:30 p. m.
Sermon by the pastor.
Week day service Monday at 7:30 p. m.

CATHOLIC CHURCH

Second Sunday: Mass at 8:30 a. m.
Third Sunday: Mass at 11 a. m.

Mrs. C. T. Hetherington drove to Seattle the first of the week to take her little granddaughter, who has been seriously ill for some time, to the Virginia Mason hospital for treatment.

ROCKPORT

Mr. and Mrs. Harry Wainright had as their guests over the week end. Mrs. Robert Weideman of Santa Barbara, California, Mrs. Lee Brink of Arlington and Mrs. William Reed of Bellingham.

Miss Veryl Morehouse entertained with a delightful Hallowe'en party at her home in west Rockport on last Thursday evening. Cards and dancing furnished the diversion for the evening, after which a dainty luncheon was served. Those present were Mr. and Mrs. W. C. Snyder, Mr. and Mrs. George Hunziker, Mr. and Mrs. George Morehouse, Miss Edna Buchanan, Miss Bessie Stafford, Herbert Johnson, Arthur Morehouse, Richard Jenkins and the hostess.

Mr. and Mrs. W. C. Snyder returned to their home here on Wednesday evening, after spending the past week with friends in Tacoma.

The Rockport Civic Club gave a shower Thursday afternoon at the home of Mrs. William Morehouse in honor of Mrs. William Miller, who received many handsome and useful gifts. The afternoon was spent in social conversation, with a fine luncheon as main feature. Those in attendance were Mesdames George Hunziker, George Morehouse, Jos. Hubbard, Abb Clark, William Presentin, Fred Shular, Clinton Dolph, Thomas Grimm, Harry Wainright, Walter Clark, D. Gary, Roy Cornutt, Richard Buller, Louis Hunziker, Edward Hunt, William Morehouse, Miss Edna Buchanan, Miss Marguerite Wainright, Miss Veryl Morehouse and the honored guest.

Mr. and Mrs. Harry Wainright motored to Concrete Sunday to spend the day in shopping and calling on old friends.

Herbert Johnson left the first of the week for Tacoma, where he will visit with friends for a week or so.

Mrs. Thomas Grimm, who has been visiting at Neah Bay for two weeks, returned to her home here Tuesday.

Mr. and Mrs. Elias Reece and daughter Dorothy motored to Bellingham the first of the week for a short visit with relatives and friends.

Mr. and Mrs. E. E. Smith and Miss Marguerite Wainright were visiting friends at Marblemount Tuesday afternoon.

Miss Edna Buchanan and Mrs. R. L. Porter motored to Mount Vernon Friday to visit the schools there.

Mr. and Mrs. James Hooper of Marblemount were calling on old friends in town the first of the week.

Jos Belfrey drove to Concrete on Tuesday for a short business visit.

Karl Hunziker was attending to business matters and greeting friends in Concrete Tuesday.

Fred Shular was greeting friends in Concrete Tuesday evening.

Mrs. Edward Presentin entertained Thursday afternoon in honor of Mrs. Henry Hobson of Valselt, Ore., with a delightful Hallowe'en luncheon. The rooms were beautifully decorated in Autumn flowers, foliage and Hallowe'en colors. The table was softly lighted with candles and grinning jack-o-lanterns. The guests, who were some of the old time friends of the honor guest, included Mrs. E. J. O'Brien and Mrs. Robt. A. Lang of Concrete, Mrs. H. C. Swettenham of Hamilton, Mrs. H. A. Martin, Mrs.

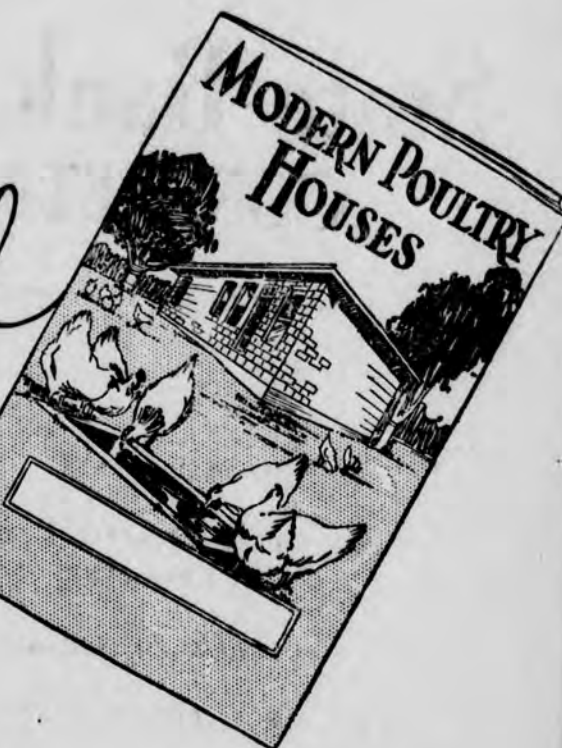

Fred Martin, Mrs. R. O'Conner, Mrs. Edward O'Conner, Mrs. W. C. Harvey, Mrs. William Porter, Mrs. M. E. Stafford and the honor guest and her little daughter Dorothy Ann.

LOCAL ITEMS

Mr and Mrs Oscar Bystedt, who have been residing at Port Angeles for the past few months, are moving back to Concrete, and Oscar will resume his former position as mechanic in the Kissner-Greiner garage next Monday Al Streichan, who has been employed as mechanic for the past few months, will leave Saturday for Southern Oregon, where he has accepted a position with a large construction company.

Mr. and Mrs. Geo. W. Ross drove to Seattle Tuesday to visit their daughter, Mrs. Helen Murray, who has been ill for some months in the Providence hospital. Mrs. Murray left the hospital for her apartments, and Mrs. Ross will remain with her for a few weeks until she regains her strength. Mr. Ross returned to Concrete yesterday evening.

Keen-Eyed Indian Caddies Are Popular

Baile, Alberta.—The keen eyes and passiveness of the Indian braves are proving the ideal combination for caddies at this Canadian resort. Members of the tribe of Stoney Indians, many of them old braves, are employed as caddies. Their ability to see balls driven for great distances has won them popularity among golfers. Caddy masters say they have not yet lost a ball. A topped shot never brings a snicker, nor do they ever speak unless spoken to. Chief Sitting Eagle, descendant of famous warriors, is one of the best liked of the Stoney Indian caddies.
