VOLUME XXXX — CONCRETE, SKAGIT COUNTY, WASHINGTON, THURSDAY, JUNE 19, 1941. — NUMBER 31

SEEN and HEARD —ON— MAIN STREET

Romance lasted longer in the old days. Maybe it was because the bride looked the same after she had washed her face!

Young ladies who insist they will not marry a man who lies to them probably will die old maids.

POME

"'Marriage may be a failure,"
Lisped Lucy McPhee.
"But I'm going to make some guy
Prove it to me."

"I still maintain that no two persons think alike."

June groom: "You'd change your opinion if you could see our wedding presents."

Yvonne: "What would you do if you had seven dates with a man and he never tried to kiss you?"

Paulette: "I'd lie about it."

POME

Let's raise the cup
To the parson's daughter.
She seldom does
What she hadn't oughter.

This would be a fine world to live in, muses Dad Gummit, if all the women had as much faith in their husbands as they do in their beauty specialists.

LOCALS

Miss Theresa Mitchell left on Thursday for an extended visit with relatives in Seattle and Port Townsend.

Mrs. H. G. Weiser and daughter Marie and Mrs. Leva Wolbert spent Monday shopping in Bellingham and Mount Vernon.

Mr. and Mrs. Forrest Hood and son LaMarr and Mr. Hood's mother, Mrs. Luella Secrist who is here from Idaho, motored to Chilliwack, B. C. Sunday to visit relatives.

Six car loads of local Eagles drove to Sedro-Woolley Tuesday evening to take in a strawberry shortcake party put on by the Sedro-Woolley lodge.

Mrs. Chas. Ford, Mrs. Robert Mathany, Mrs. H. A. Bronson, Mrs. Roy Paine, Mrs. Chas. Cunningham and Mrs. Alice Leonard attended the county convention of the Royal Neighbors Lodge at Anacortes on Monday.

R. J. McDonald, who has been in ill health for some time, was removed to the Burlington hospital on Sunday. Word was received here Wednesday that he had been operated upon and was getting along as well as could be expected.

Mrs. Harry Dods and Mrs. Fred Crinklaw were hostesses last Friday evening at a shower for a recent bride, Mrs. Walter Raymond. The evening was spent in playing games and in the opening of gifts by the honor guest, after which a dainty luncheon was served.

The Busy Bee Club will hold their regular meeting at the Women's club rooms on Tuesday, June 24th. Anyone wishing to check the guage and safety valve of their pressure cooker, whether members of the club or not, are invited to bring their lid to the club rooms anytime during the afternoon and it will be checked by Miss Sylvia Antilla of Mount Vernon.

A number of old friends of Mrs. Wm. Biggerstaff motored to Burlington on Friday to help her celebrate her birthday. The ladies arrived in time to serve a delicious pot luck luncheon they had brought with them and spent an enjoyable afternoon visiting. Those making the trip were Mesdames Chas. Ford, Grace Thomas, Jim Wilson, Robert Mathany, Chas. Cunningham, E. M. Buchanan, Jo McKinney, Frank Ritchie, John Anderson, Jess Reece, Peter Kalames and Erla Holyfield and children.

Theta Rho Club Formed Here Saturday

New Girl's Club Sponsored By Rebekah Lodge Elects And Installs Officers.

Last Saturday night the Rebekah Theta Rho Club No. 43 was instituted with nineteen girls and two Rebekah Sisters as members. Henretta Emigh of Walla Walla, Ethel M. Brewington of Everett, and Esther Johnston of Mount Vernon were instituting officers.

The Evergreen Theta Rho Club No. 21 of Mount Vernon initiated the new members and installed the new officers. The officers installed are: Mary Whitehair, President; Helen Leonard, Vice President; Emily Wolbert, Secretary; Marville White, Treasurer; Ellen Larsen, Musician; Lois McGovern, Chaplain; Mildred Bishop, Acting Past President; La Dean Jensen Marshall, Roberta Craft,R. The next meeting will be held at 8 o'clock on Tuesday night, July 1st. All members are requested to be present if it is at all possible.

Burlington Plans Ready For Festival Crowds

Luscious Skagit county strawberries, with fresh shortcake and rich cream, will be served free to thousands of visitors to the fifth annual Strawberry Festival at Burlington this Friday afternoon.

The annual four-day celebration opened with a big dance and carnival Wednesday evening, with a similar program planned for Thursday.

The free strawberry shortcake wil be only one of many big features for Friday. The shortcake will be served to the waiting crowds immediately after the parade passes.

The annual Strawberry Festival parade, with scores of floats, many decorated cars, comic entries, marching bodies and bands, will be held at 1:30 Saturday afternoon.

Burlington's annual celebration is sponsored by the Burlington Volunteer Fire department, assisted by the chamber of commerce and other civic organizations.

DRIVER'S LICENSES EXPIRE NEXT MONTH

Your state driver's licences will expire next month, and in anticipation of the rush of motorists for their new blanks, the state highway patrol started this week issuing renewal slips.

A new plan is being put into effect this year to speed up the renewals. Persons now holding licenses will be issued pink renewals, which are only temporary and some time in the next two years they must take a physical examinaion for eyesight, hearing, reaction and driving ability. The written examination will be skipped this time.

When a pink slip is issued it will bear a date, setting the time you must report for examination. First numbers 1 to 50,000 will start taking tests November 1st and the balance of numbers will call for the tests at intervals up to May 1, 1942, with 50,000 called each time.

Those applying for licenses for the first time will take the full examination.

Licenses may be obtained from the state patrolman of your district, at the county auditor's office or at the head office of the state patrol. It is expected that the patrolmen will be given special days for each town, announcement of which will be made within the next few weeks.

Loggers Go Back To Work Monday

The strike of 12,000 loggers in the northwest, which has tied up the logging industry for a month, ended this week as suddenly as it started. By an almost unanimous vote the workers announced their decision to return to work on the basis of the recommendations of the National Defense Mediation Board, made May 23rd.

Most of the logging camps in the valley started operations Monday morning, and the balance will be logging just as soon as they are able to get equipment into operation and men on the job.

Upper Valley Students Receive College Diplomas

The sixty-sixth annual Commencement of the University of Washington was held on the campus at Seattle last Saturday. Three students from Concrete and one from Rockport and one from Birdsview were awarded diplomas.

Mary F. Dillard was awarded a degree of bachelor of arts; Kathryn Dunn received a degree of bachelor of science and Joseph J. McDonald received a degree of bachelor of science in mechanical engineering. All are from this city. Dean DeBolt of Birdsview also was awarded his degree.

The first law school student from the upper valley to graduate was Norman Pressentin of Rockport, who received his degree Saturday upon completion of a six year course. There were fifteen graduates in his class.

Dog Retreives Lost Cash

Ace, spaniel owned by Leroy Reynolds, postmaster, yesterday demonstrated unusual ability as a retreiver. The dog had been at the post office and had slipped out for a moment. When he returned he followed the postmaster's steps until he gained his attention and then laid at his feet a purse containing over $30 in cash and checks.

The purse had been lost on the street and picked up by the dog, who turned it in dutifully. Checks in the purse easily identified the owner and the money was returned.

ROCKPORT NEWS

Mr. and Mrs. O. L. Ness were pleasantly surprised at their home Saturday evening when sixteen friends called to help them celebrate their 22nd wedding anniversary. Games and dancing were enjoyed during the evening, after which a luncheon was served and the honor guests presented with a lovely gift.

VARIETY STORE OPENS FOR BUSINESS FRIDAY

The newly re-modeled and renamed "Concrete Variety and 10c Store" will open its doors to the public tomorrow morning with a Grand Opening Sale, The store fixtures and stock was recently purchased from the March Variety store, moved to the building formerly occupied by the Cascade Cafe, and in the past week has undergone a complete re-conditioning.

The fixtures have been re-painted in red and cream and the large new stock attractively arranged to fill the entire room. Many new lines have been added to make the stock one of the most complete in the county.

Mr. and Mrs. Irving Pierson, proprietors, are now awaiting shopper's suggestions as to other lines and merchandise that can be added to best serve the community.

Town Team Drops Game To Anacortes Here Sunday

The Concrete baseball team entertained the Anacortes Brown Lantern team here on Sunday and dropped a nine-inning contest 5 to 1.

Concrete opened the ball game with a run in the first inning when Schwartz singled and was brought in on a triple by Paxton. Anacortes was held scoreless until the fifth when they scored two runs to get out in front and then came back in the sixth to score two more—then added the fifth run in the seventh.

Whitehair started on the mound for Concrete and was replaced by Hatcher in the seventh.

George Olson, Anacortes manager, and well known in baseball circles here, pitched for the seaport boys. His team-mates turned in two double plays to assist him in stopping the local sluggers.

Both teams payed errorless ball, Anacortes gathering 9 hits and Concrete 4 hits.

City Park Zoo Moves In Of His Own Free Will

Concrete's city park, recently completed on the river bank below the city hall, proved to be inviting to an unusual visitor over the week end, and if he continues his visit the town will be well on its way to having a zoo as well as a park.

The visitor was a medium sized brown bear, who was discovered wandering around in the park last Saturday. Apparently satisfied with his surroundings he resented any attempt to run him off and early this week was still browsing around along the river and in the park itself.

State Ready To Oil Valley Road

All state highway equipment for putting another coating of oil-mix on the upper valley highway from Marblemount to Birdsview, has arrived at Rockport and is now awaiting the cecession of rain and the arrival of the oil before starting work.

Stock piles of gravel have been built up at intervals the length of the highway, this work being completed some time ago.

If and when it stops raining the oiling job is expected to be completed in about three weeks.

MANY FINISH FIRST AID COURSE MONDAY

Diplomas stating that their bearers are qualified to administer first aid were awarded to twenty-nine Concrete men and women Monday evening. The certificates were awarded upon conclusion of the Red Cross ten-week course of instruction, given here by Mr. DeAtley, Red Cross first aid man.

Those receiving their certificates were Mrs. Phoebe Buchanan, Mrs. P. L. Burns, Mrs. C. K. Hatcher, Mrs. Jesse Larsen, Mrs. Ray Miller, Mrs. Zelda Ryan, Mrs. Sigurd Steen, Mrs. Donna Thompson, Miss Edith Williams, Mrs. Mary Wood and Mrs. Clara Martin, for the women. The men were John Bowsher, P. L. Burns, Wm. Doyle, A. E. Dunn, A. G. Gardinier, Edgar V. Gates, Bert Hanstead, C. K. Hatcher, A. W. Hooton, Gilbert Martin, George O'Brien, Hugh Ritter, Sigurd Steen, Harold Thompson, Elmer Wood, Kenneth Walin and Hjalmer Moline.

WEDDING DATE SET

Mr. and Mrs. R. E. Lisherness of Lyman have announced the coming wedding of their daughter, Shirley, to Robert L. Jewett of Seattle on July 18th. Both young folks are graduates of the Sedro-Woolley high school and are well known in the valley. Miss Lisherness also attended Washington State college and is now going to beauty school in Seattle.

Miss Joyce Ruble, daughter of Pete Ruble of this city, has been very ill at her home in Bellingham for the past week. She is suffering from strepticoccic poisoning of the lungs and spent a week in the hospital. She has now returned to her home and is recuperating as well as can be expected.

TO CALIFORNIA FIELD

Donald Strong, who recently joned the U. S. Army, has been assigned to the 16th Transport Squadron and will be located at McClellan Field, California.

Cascade Days Celebration Off For This Year

Lack Of Interest Brings Decision To Forego Usual August Celebration.

The annual Cascade Days celebration, which reached a climax as one of the most successful of county celebrations last year, will not be put on as planned this August 8 and 9.

This decision was reached Monday evening when the second consecutive meeting of the Booster Club failed to draw enough interested members to conduct the business that had to be done to get the celebration under way. The regular meeting last month passed with few showing up and the special celebration meeting called for Monday brought out only a few of the faithful.

Logger's Strike A Factor

One factor of the decision to drop the celebration was the fact that due to the prolonged logger's strike, cooperation of the various camps in regards to providing big logs for the parade, and materials for the contests has become very uncertain. Without this support in prospect the relatively active members who work on the celebration felt the job a bit too big for them to handle alone.

A change in program at this late date would have meant much extra expense and a huge amount of detailed plannning.

Comment on the unexpected cancellation of the celebration is evenly divided pro and con among the business men, some favoring immediate action to revive the event and others well satisfied to skip this year and plan for next. The general public's attitude has not yet been generally expressed.

School Re-Organization Group Hears State Head

The Skagit county committee for the reorganization of school districts met at the office of Superintendt Guy Rowland Wednesday of last week to discuss their reorganization work with Elmer Breckner, director of the state committee.

Mr. Breckner outlined the procedure to be followed and went over the problems brought up by the county members. Among them were use of existing facilities in a reorganized district, transportation, indebtedness of districts consolidating, and determination of school population centers.

The group will meet again some time in July, when material for the initial reorganization work will be available. They have decided that a majority of nine of the thirteen members will be necessary before consolidation proposals will be submitted to the state committee.

Anacortes Teacher To Succeed Guy Rowland

Verne J. Leide, Anacortes junior high school teacher was named this week by the county commissioners to succeed Guy Rowland as county superintendent of schools. He will serve out Rowland's term, expiring September, 1943.

Rowand leaves for his new post in Olympia June 30th.

Stone used in the construction of Washington's $7,385,768 capitol building at Olympia came from five different countries.

Exterior stone came from the Wilkeson quarries of Pierce County, Washington, while interior marble was obtained as follows: Senate chamber—Germany; House chamber—France; state reception room—Italy; main corridor—Alaska.

It is possible to find numerous designs of animals and other characters in the colorfully polished stone.

JUNE IS NATIONAL DAIRY MONTH

What does this mean to you?

Dairying is Washington state's third largest industry, and Skagit county's biggest.

Farmers of the state receive approximately $25,000,000.00 a year for butterfat.

Prosperity in a dairying community is largely dependant upon local dairy products sales.

June—the month of greatest production of milk—is a good time to boost 2,500 local dairymen.

For Safety's sake PAVE THE GAPS WITH Concrete

WHY do state highway departments warn the public: "Concrete Pavement Ends"?

Because it is universally accepted that speeds which are reasonable and safe on concrete become dangerous on other surfaces.

To save lives to prevent accidents... demand concrete *all the way*.

True and even, it has no high crown—is usable to its full width. Brakes are at their best on its gritty, non-skid surface. Its light gray color and sharply defined edges give visibility at night. Any car is a better car on concrete.

And concrete saves money for motorists and for taxpayers. Insist on concrete for your roads.

Concrete's Resistance to Spring "Break-Ups" Worth Millions to Taxpayers Every Year

When the frost comes out or the rain pours down, concrete pavements "can take it." They're always ready to get you through with *safety*. Even after the terrible punishment of this winter, routine, inexpensive maintenance will quickly put concrete in condition for heavy summer traffic. Aggravating detours and costly delays are avoided.
