

THIS AND THAT

By H. L. D.

We were just reaching to turn off the "Pass The Buck" program last evening when they called Dan Dillard at Oak Harbor, so we left the radio on to see how he came out. Dan got the "buck" on a correct answer, but missed on the jackpot riddle.

We had the pleasure last week end of having as house guests Mr. and Mrs. William Waldie and Mr. and Mrs. Ed Byers of Vancouver, B. C. Mr. Waldie is District Governor of the Lions International and Mr. Byers has the unique distinction of holding a 25-year pin for perfect attendance at his own club. This club meets every week and he has never been absent in the past 27 years. Both men were here to attend the local Lions' Club's tenth anniversary of their Charter Night.

The Auxiliary is getting an early start on their annual drive for gifts and cash donations for hospitalized veterans. It is the "Gifts for the Yanks that gave" program. No gift nor donation is too small nor too large.

Homecoming

The high school homecoming was certainly a complete success. We were surprised and pleased to see the number of floats that lined up for the parade. The high school class floats were all very attractive and it must have been hard to choose between them. The Juniors were too busy getting everything ready for the big night to concentrate too much on the parade float and so came out last. But they certainly did a wonderful job on the rest of the work.

The hall was prettily decorated for the dance that evening and a very good crowd turned out. We saw lots of alumni there that we had not seen in several years and they all seemed to be having a good time. It is a very nice gesture to the old grads to give them a day in their honor and we hope the custom continues.

Most Outstanding Doctor

Dr. George Boynton of Mount Vernon was nominated for the honor of being the most outstanding medical practitioner in Skagit county by the Skagit County Medical Association at a meeting at the President Hotel in Mount Vernon Tuesday evening. From the various county candidates a "state" honoree will be chosen.

The Upper Skagit Garden Club has changed its meeting date from the first to the second Wednesday of each month. The next meeting will be a guest luncheon at the home of Mrs. A. E. Dunn on Wednesday, Nov. 9th at 12:30 p. m.

Mrs. Robert Mathany entertained the birthday club at the home of Mrs. Chas. Ford last Friday. It was a one o'clock luncheon honoring Helen Bradner. Those present were Carrie Hawkins, Myrtle Wilson, Norma Biggerstaff, Grace Crooks, Georgia Cunningham, Erla Holyfield, Ida Mathany and Alta Ford.

Lloyd Hooper, Bob Keith, Don Ross, Kay Spurling and Betty Herin of Western Washington College at Bellingham were home for Homecoming last week end.

Joe McDonald of Eastern Washington was home last week end for Homecoming and to visit with his parents, Mr. and Mrs. J. J. McDonald.

LOWER SAUK VALLEY

Clarence Kesselring and Hal Gross of Alger were Tuesday night guests of Mr. and Mrs. Ben Gross. Mr. and Mrs. D. S. Allen and family were Monday evening visitors of Mr. and Mrs. Alfred Kvanne. Mr. and Mrs. T. H. Moody were visiting in Anacortes several days last week.

The regular meeting of the Sauk Community Club will be held on Wednesday evening at the Elmer Larsen home.

Mr. and Mrs. Chas. Stone and family were in Concrete Friday evening to see the Homecoming parade.

MARBLEMOUNT BOY WOUNDED WHILE HUNTING

Billy Newby Shot In Back As .22 Discharges; Will Recover.

Billy Newby, 14-year old son of Mr. and Mrs. Art Newby of Marblemount, was seriously wounded in a hunting accident Saturday morning. Young Newby was struck in the back by a .22 caliber bullet when a gun accidentally discharged. He is now recovering satisfactorily at the Memorial hospital.

Billy and his cousin, Jimmy Spargo of this city, were hunting for a coyote in the woods near Marblemount. According to the story of the boys, Jimmy laid his gun down against a log and they were sitting on the ground, talking, when the gun fell over and discharged. The bullet entered Billy's back at a shallow angle, striking and shattering a rib and glancing back out just before reaching the spine. The wounded lad made it out to the highway with the help of his companion. There Fritz Wenrich took the boy to the hospital.

Hallowe'en Party Monday

Monday night, October 31st, is Hallowe'en, with all its dire threats from evil spirits abroad. But here in Concrete the occasion will be greeted with pleasure by both young and old as it means that it is time for another big Hallowe'en party by the merchants for the youngsters.

Everything is in readiness for Monday evening's fun. The merchants have provided for generous servings of doughnuts, cider and other good things, a program of movies has been arranged and prizes are ready for the winners of the annual Hallowe'en parade.

Program

The program for the evening will start at 7:30 when parade entrants will gather at the school with their costumes for entry numbers. At 8:00 the parade will start and at 8:30 the judges are expected to begin passing out prizes.

At 8:30 the gym will be turned into a movie theater and at 9:25 luncheon will be served. Grade school children will eat in the cafeteria and the high school pupils will be served in the Home Economics room.

Parade Prizes

There will be six main types of costumes in the parade and a first, second and third prize will be given in each division, as well as a prize for the largest and the smallest participant in the parade. There will also be a gift for everyone in costume.

- Classifications include:
1. Jack O' Lantern
 2. Funny Costume
 3. Ugly Costume
 4. Weird or Spooky
 5. Best Hallowe'en
 6. Best Miscellaneous

The party is open to all children who wish to attend and parents are invited to come and join in the fun.

BENEFIT DANCE AT BULLERVILLE SAT.

There will be a benefit dance tomorrow evening (Friday) at the Bullerville Hall at Marblemount for Mr. and Mrs. James Charon, who lost their home by fire last week. The public is invited. The Marblemount community is planning to build the couple a new home and will welcome new and used items that can be used in setting up and furnishing the building.

Proceeds from the dance will go toward purchase of doors, windows and hardware. Len Scott has donated a load of logs, from which the mill men will cut the lumber. Shingles have been offered by Dell Rickner of the shingle mill and a crew of volunteers will raise the building.

Gifts may be brought to the dance hall Friday night or left with Mrs. Geo. Sloan or at the Clark & Tucker store.

VACATION'S END . . . Henry Ford II and his wife arrive in New York aboard the Queen Elizabeth after short vacation trip. Ford faces a demand by CIO United Automobile Workers for a fourth-round pay boost.

Epp Shular Dies Today

Death came today to William E. "Epp" Shular, 81-year old pioneer of the upper Skagit valley. He died at the Burlington hospital, where he has been undergoing treatment for some time.

Funeral services will be held on Monday from the Lemley chapel in Sedro-Woolley and burial will be made in the family plot at the Grasmere cemetery.

The news of Mr. Shular's death was not entirely unexpected, as he had been in poor health for the past year.

Mr. Shular was born at Waynesville, North Carolina. He is survived by one son, Fred of Rockport, and two daughters, Mrs. Chas. Prater of Newhalem and Mrs. C. C. Biggerstaff of Sedro-Woolley.

IVAN DEXTER SUES IN ACCIDENT DEATHS

Ivan R. Dexter of Renton, whose wife and child were killed in an auto accident while on their way to visit in Birdsview Sept. 23rd, has filed suit against Mr. and Mrs. Roy Cudney of Everett for damages totalling \$125,000. The suit was filed Saturday in the Skagit county superior court.

The complaint charges recklessness, carelessness and negligence on the part of the Cudneys, whose car swung directly into the Dexter car from the opposite traffic lane. Dexter asks \$48,000 damages for the death of Mrs. Dexter, \$15,000 for loss of love and companionship of his wife, and \$10,000 each for the loss of their mother by Linda Jean, a daughter, and James Leonard, a son.

Damages for the death of the baby boy are set at \$10,000. In addition Dexter asks \$20,000 for alleged injuries to himself and \$10,000 for alleged injuries to the daughter. Damages of \$2,000 are asked for the son, James.

The complaint sums up with a request for \$500 damages for the loss of the car, plus damages for medical care and hospitalization.

Mr. and Mrs. Joe D'Amico and daughter of Oak Harbor were visiting with relatives and attending homecoming festivities over the week end.

'Way Back When

Concrete Herald, Oct. 25, 1934

Amateur burglars made Concrete their training ground last week as two local establishments were honored by their presence. Sunday night, the 14th, someone entered the McGovern Auto Service by forcing a back window and made away with three tires, all second hand. New tires and expensive tools were untouched. A few days later an attempt to force the back door of the Green Lantern was made, but the thieves were unsuccessful. A broken tire iron was found in the door. The job was evidently by the same person who entered the garage as the garage window was also forced open with a tire iron.

Two gasoline fires occurred over the week end, one in an engine, the other in a car but fortunately neither of the conflagrations caused much damage. Joe Baxter had a close call with his car Saturday evening. He was driving up Aldridge street when he noticed smoke coming from under the hood. Lifting the hood a burst of flame shot out and he found that a leaky carburetor was feeding the fire. He turned off the gas and by securing a fire extinguisher from the Lisherness garage was able to put out the fire. On Monday afternoon the Miller and Foss gas engine at Glover's landing on Lake Shannon caught fire due to a gas leak near the exhaust. On this engine there was no gas shutoff and the operators had a stiff fight to put it out. They succeeded before any great damage was done.

Last Thursday afternoon on the Sedro-Woolley field the Concrete Lions tore into the Cubs and emerged from the battle with a 13 to 6 victory. Fresh from this triumph a quickly arranged game with Burlington was played on the Concrete field Tuesday afternoon and again the Lions ran away with the honors, winning easily by the one-sided score of 33 to 0.

Whole Football Team To Wear New Britches Friday

A group of businessmen and other football boosters in the upper valley recently noted the new football pants worn by the CHS basketball team—but not by the rest of the team. The result was a quiet fund raising campaign which will bring a complete set of the new Skin-Tite outfits here for Friday night's game.

The football squad replied today with this note: "The football squad would like to take this opportunity to thank these men for their generosity and interest. We can only endeavor to show our appreciation for this grand display of cooperation on your part. We acknowledge with thanks contributions from the Selective Logging Co., Superior Portland Cement, Inc., Lake Shannon Timber Co., Walt Van De Grift, Pat Ward, O. K. Barber Shop, Paul Carroll, Hotel Barber Shop, Carl Monrad, Lawrence Cunningham and the Alumni."

Food Sale Saturday

The Royal Neighbor Lodge of Concrete will hold a sale of home-cooked foods at the Penguin Locker building Saturday.

No All-State Doe Season This Week Says Dept.

Reports that the last three days of the regular open deer season will be thrown open for the taking of deer of either sex were squelched decisively this week by the state game department.

The game department points out that the regular buck deer season closes Monday, October 30th. The special seasons for deer of either sex will fall into two categories thereafter; one season running from October 31 to November 2, and the other from October 31 to November 13th. These are not for the whole state, but are for specific areas in eastern Washington.

Lions Hold Charter Party

The Concrete Lions Club held a "Charter Night" party Saturday evening in honor of the tenth anniversary of the club. The party was held at Camp Lyman and about seventy-five people attended. Special guests for the evening were Mr. and Mrs. William Waldie and Mr. and Mrs. Ed Byers of Vancouver, B. C. Mr. Waldie is district governor of Lions International.

After a period of getting acquainted the guest sat down to a delicious chicken dinner at nicely appointed tables. At the close of the dinner Mr. Waldie gave a short talk and then introduced Mr. Byers, who presented ten-year pins to the members still in the club who had signed the charter ten years ago. Those receiving pins were Bert Hanstead, E. M. Buchanan, Chas. Dwyer and Edgar Gates.

The rest of the evening was spent dancing and visiting. Among those attending from out of town were Mr. and Mrs. Tracy Lee of Snoqualmie, Mr. and Mrs. Bob Howard of Bellingham and Mr. and Mrs. John Stahl of Burlington.

FRESHMEN WIN TOP PARADE FLOAT PRIZE

It was the Freshman class that won the big Homecoming parade contest, the first-year high school class coming up with a float representing the CHS football field. The entry showed so much work and originality that the judges of Friday night's procession found it best of all twenty or more entries.

Second prize went to the "Tarheel" float of the Senior Class and third was awarded to the Sophomore's Harem scene.

The fine parade proved a pleasant surprise to the crowd gathered uptown Friday afternoon, as it came near to being as good as the annual Cascade Days event.

The line of march was headed by the Fire Department, followed by the honor guard of the Boy Scouts. Then came a camping float by the local scout troop, a CHS float, the Junior's Red Lion, a decorated car, the F. O. E. Auxiliary float, the Queen's car; a Kaiser driven by a tiny youngster, the Rebekah entry, the Legion Auxiliary, Camp Fire Girls, Hockett & Co. clowns, Craft's new Chrysler car, Cascade Supply entry, Alumni decorated car, the Seniors float, Sophomores float and the winning Freshman entry, then a decorated car from the Dept. Store. The navy loud speaker furnished the music for the procession.

Altar Society Sets Date Of Sale For November 5th

The ladies of St. Catherine's Altar Society are holding their annual bazaar and food sale on Saturday, November 5th. The sale will be held in the I. O. O. F. Hall instead of in the club rooms at the library building as in former years. The sale will include handwork and sewing suitable for Christmas gifts, such as pillow slips, luncheon cloths, dishtowel sets, aprons, baby clothes, etc.

Also featured will be homemade foods, bread, rolls, cakes, pies and canned goods. A supply of dressed chicken for Sunday dinner will be on hand also. The usual interesting grab-bag for the children will be stocked with nice gifts.

Luncheon will be served from 11:00 a. m. and in the evening the usual "Beano" game will start at 7:30. Prizes to be awarded are on display at the Dept. Store.

HOMECOMING GAME ENDS IN SCORELESS TIE

Monroe Outplayed Most Of Game, But Goal Line Plays Fall Short.

Homecoming for the grads of CHS present one of the most thrilling gridiron games ever to be played on the local field. The Monroe Bearcats battled the Lions for 48 action-packed minutes to squeeze out a 0-0 tie. The Purple and Gold of CHS came so close to scoring in the closing minutes of both halves that even the calmest spectator was on his feet, shouting his heart out as the team rolled down the field only to be halted by the relentless hands of the clock.

The real heart-breaker came at the end of the game when the last play found the ball resting just a few inches from a touchdown.

The first half turned out to be a punting duel between two defensive walls until the Lions sparked late in the second quarter with a 60-yard march on two beautiful long passes. Mickey Howell, who played a marvelous game, grabbed two fingertip catches from Horn and was down on the Bearcat 6 before he could be dragged down. There time ran out.

The second half CHS had several scoring chances but failed to make them materialize as the Monroes line stopped their attack cold. Then the three piledriving backs—Les Bell, George Livie and Orland Howell combined late in the game to move the ball on a drive that set up the final excitement. On the last three plays Howell swept end and drove to the 11. Livie bulled thru the line to the 2 and then with 3 seconds left Bell took the pigskin and carried three tacklers to the six inch marker only to be robbed again as the hands of the clock squeezed out the final second.

Booming Ray Stow, the pivot man of the line, led his teammates with fine playing, blocking a crucial Monroe punt. Newcomers Byrd, Bill Tingley and Dave Stoudt also did some fine defensive work.

Twin Cities Here Friday

Tomorrow night the Lions meet Twin Cities in a do-or-die struggle for the league crown. The local team will go into the game as the underdog, but the scrappy CHS team has been fooling dopesters all season and it could be possible to come up with another upset. If they do, they will walk off the field with the league title in the bag.

Coupeville boomed through last Friday for an upset by beating Sultan 24 to 20. Granite Falls also came out of the cellar to trim the Darrington Loggers 13-0. Langley kept in the title race by turning back Oak Harbor 27-13 in the big game of Island county.

The Concrete second team rolled again as they downed the Mount Vernon Frosh last week 30 to 6, but the victory was marred by the loss of their best back, Albert Howell. Albert, the dangerous little powerhouse who combines speed and deception with his punch, broke his collar bone during the game and will be sidelined for the rest of the season.

NEWHALEM ITEMS

Mr. and Mrs. George Hunziker spent a few days last week with Mr. and Mrs. Floyd Maxwell in Sedro-Woolley.

Mr. and Mrs. Floyd Curnutt and son of Bellingham spent the week end here, visiting with relatives and friends.

Mr. and Mrs. Chas. Kligore and family of Anacortes spent Sunday visiting with Mr. and Mrs. Dale Higgins.

Mr. and Mrs. Howard Carlson are receiving congratulations on the arrival of a baby boy last week at the Memorial hospital in Sedro-Woolley.

Representatives from all clubs and civic organizations in the upper valley have been invited to attend a special meeting of the Oak Harbor Chamber of Commerce at that city next Wednesday evening, November 2nd. The subject of the meeting will be "military development of the northwest".

Deception Pass Bridge in Deception Pass State Park on Puget Sound in the State of Washington, connects Whidbey, the nation's second largest island, to the mainland. The park is a favorite recreation spot with both residents and out-of-state visitors.

Entered at Concrete Postoffice as Second Class Mail Matter

This week we received a story from the county juvenile authorities, issuing a stern warning of punishment for Hallowe'en pranksters who do damage to private property this year. It was with a great amount of pleasure that we consigned it to the waste basket. In the past few years we townspeople and the children of the community have found the ideal solution to Hallowe'en problems through a simple device that can be used by any community. We put on a big party for the youngsters, they cooperate by omitting the usual destructive pranks. The parties are usually so much fun that both young and old look forward to them each year. No need for threats here, thank you.

Your 1949 car license is not only going to cost you more, but applying for it is going to make you madder. As usual, some bright lad in Olympia has come up with the idea that it would be most effective to make the licensee a guinea pig again and force him to dig up information on how far he drove his car on Washington roads, and how many miles he got to the gallon of gasoline during the past year. Just the opening wedge for another bit of bureaucracy that is almost sure to grow until they have you keeping a full set of books on every car. For tax purposes, of course!

Gold rush in Alaska! But as any old timer will tell you, it isn't the finding that's so hard, it's the keeping.

BIRDSVIEW NEWS

Rev. and Mrs. Joseph Davis and son Danny of Mount Vernon were Tuesday evening dinner guests of Mr. and Mrs. Harvey Morgan. Rev. Davis is Mrs. Morgan's brother.

Mr. and Mrs. Tom Candler and children of Sedro-Woolley and Mrs. Billy McMillan of Bellingham were visiting at the Jungblom home on Saturday.

Mr. and Mrs. Jesse Ingersoll are the happy parents of a daughter born to them at an Everett hospital Monday morning. The little girl joins a brother, Neil, aged 2½.

Mrs. Adams, mother of Mrs. W. Van De Grift, is recuperating from an operation at the home of her daughter. She expects to be here for the next two weeks.

Herman Haase returned to his home from the Memorial hospital last Saturday. He is much improved but is still not completely recovered from the effects of his accident.

Ivan Dexter is spending this week visiting in Kent at the home of Mr. and Mrs. Robert Swettenam while Linda and Jimmy are spending the week with their grandparents at Harper.

Mr. and Mrs. Ralph Radcliffe drove down to Seattle Friday to bring Mr. Radcliffe's brother home to Darrington from the Marine hospital where he has been a patient since a serious accident some time ago.

Mrs. Benjamin Casbeer of Portland, who has been visiting with

her parents, Mr. and Mrs. H. P. Siphier, for the past week left the latter part of the week for a visit with Mr. and Mrs. John Savage at Bush's Point before returning to her home.

LOWER SAUK VALLEY ITEMS

Mrs. Chas. Stone and Judy visited school Monday afternoon.

Mrs. Helen Whipple was visiting Monday at the Ben Gross home.

Mr. and Mrs. Alfred Kvande were Sunday dinner guests of Mr. and Mrs. Ben Gross.

Mr. and Mrs. Harold Trueman of Lyman were Sunday afternoon guests of Mr. and Mrs. Chas. Stone.

Jack Larsen and Bill Stone of Seattle were week end guests of Mr. and Mrs. Elmer Larsen.

Bum Bryson is hunting east of the mountains this week with H. Moody of Anacortes.

Mr. and Mrs. George Lauderback of Seattle were Sunday visitors of T. H. Moody.

Mr. and Mrs. D. S. Allen were business callers in Arlington on Friday.

Henry Moody of Anacortes was a week end guest at the T. H. Moody home.

Miss Sharon Gross was a Thursday overnight guest of Miss Barbara Arnold of Concrete.

The KYNOS met Wednesday with Doris Allen. After a delicious potluck dinner and business meeting several amusing games were played.

From where I sit... by Joe Marsh

Now They're Sitting Pretty

Squint Miller, who's working as a telephone lineman, was telling me about some birds that got into a fight with his company.

Seems a couple of woodpeckers set up housekeeping in a telephone pole. Nobody minded them living there, but they kept pecking at the wires—causing one short circuit after another.

Finally, the telephone people—who had nothing personal against the birds—just stopped up the hole where they lived. But they kept coming back. At last, the company

donated that pole to the woodpeckers and set up a brand-new one for their own use!

From where I sit, we'd all be better off if we were as tolerant with our own kind as that telephone outfit was with the woodpeckers. Let's consider the other fellow's point of view—whether it's his right to live where he wants, or to enjoy a friendly glass of temperate beer or ale when and if he pleases.

Joe Marsh

Best In The World

As a national magazine recently pointed out, bread is a universal food but nowhere in the world has it been developed to the perfection that is reached in American bakeries.

While other nations eat bread that is coarse, hard and of rough ground, dark flour, we in America have come to expect as a matter of course our white, soft and delicious loaves with the crunchy crust.

To this add the hidden goodness of vitamin enriched flour, sanitary wrapping and convenience of a ready-sliced loaf. No wonder our bread is best in the world.

"Sportlines"

By A. D.

Coach Tag Christensen's well-named "Mighty Mites" will meet their toughest opponent of the season tomorrow night when they come up against the Powerhouse Twin City Cardinals. The Cardinals will be out to keep their perfect record intact, having three conference wins and no ties or defeats. The Cards have more than established themselves as favorites in this tussle of the week, after walling the Lake Stevens Vikings (who tied with Concrete 7-7) by the very lopsided score of 45 to 7. This makes things look black indeed for the Lions. In fact, looking from the statistical standpoint, the Lions haven't got a prayer. But—who wants to look at the dark side. If the Mighty Mites are on the ball and play football as they have been known to play, they have a good chance of coming up with the upset of the year.

Last week's game was quite a disappointment for most of the Concrete fans and for the team itself. The Lions played good football and bad football, but most of the bad football was within the Monroe 25 yard line. The local boys were in scoring position three or four times and bogged down every time. Why? Nobody knows. They just didn't have it when it came to getting over the goal. Let's hope it doesn't happen again.

One of the bright spots of the game was the fine playing of end Mickey Howell, whose pass-catching ability is really something, and who is equally good on defense. Mickey, who is only a Sophomore, should go places before he graduates.

For those who are interested in the football teams at St. Martins and Western Washington, here are last week end's scores. Western Washington beat out Whitworth 29 to 7 to nose into the Evergreen League title picture. Western has won one, tied one and lost one. St. Martins also came out on top when it went out of the league and beat North Idaho College 21 to 7.

Marblemount

NEXT TIME YOU Buy A Road

... AND YOU DO BUY ROADS!

You make payments on them almost daily. Each year, when you buy license plates, you are helping to pay for the roads you use. Every time you fill your gas tank, more working pennies join the funds that support roads. In addition you pay federal gas tax and excise taxes on tires, vehicles and parts, some of which is returned as federal aid for roads and streets.

When you consider that it is your money that pays for all state highways, county roads and city streets, doesn't it seem worth while to ask that you get full value for the money spent?
