Mother-Daughter Tea

A large crowd of mothers and guests attended the Mother-Daughter Tea at the high school auditorium Wednesday afternoon. As the girl's guests appeared they were welcomed by their hostesses and presented with Carnation corsages, then steated in the auditorium. When all the guests had assembled tea was served. The tea tables were were prettily decorated in spring flowers. Open-faced sandwiches, decorated tea cakes and cups of ice cream with tiny flowers of icing were served.

Following the tea a program was presented. Ardis Bust welcomed the mothers and guests with Mrs. Robertson making the response. The Home Economics class then presented a style show of garments made during last year's class. Everything from beach wear to formals was modeled by the girls.

Sidney Shelver sang two solos, accompanied by his sister Marion; followed by a saxaphone duet by Donna Rhodes and Donna Eldridge. Three of the girls presented a tumbling act that was well received. Marion Shelver and Miss Viles next played piano duets, followed by an accordian solo by Donna Eldridge.

Band Boosters Meet

Citizens of this city are all in favor of raising the money for uniforms for the band if it can possibly be accomplished. The goal is large and everyone agrees it may take some time—but a start has been made by the band itself thru their concert at Newhalem.

The Band Boosters, an organization of band, parents and interested citizens, has been formed and had a meeting after the PTA meeting Tuesday night. Mrs. Alvin Harris, state PTA delegate to the Bellingham convention, reported that the local band was rated outstanding at the meeting there and that it was the only band of its size in the state without uniforms. Spurred by this report the group began plans for raising the money needed.

Several ways of raising money were suggested, such as a stand during Cascade Days, the sale of Band Booster hat bands, the sale of donation certificates from 25c to $10. All these ideas will be talked over at future meetings. A good will offering will be taken up at the Spring Festival Friday night.

Marriage License

A license to wed has been issued during the past week for James L. Lowell of Concrete and Miss Nola Dean Clark of Marblemount. The wedding will be an event of Saturday, June 9th at the Mt. Baker Presbyterian Church. The bride-to be is the daughter of Mr. and Mrs. Ed Clark of Marblemount and is employed at the local bank. The groom is employed at Peterson's Service here.

BASEBALL TEAM PLAYING FOR CHAMPIONSHIP

Lions Play At Mt. Vernon Today With Title As The Big Prize.

Last Thursday's game was a pitchers' holiday as far as Concrete and Sedro-Woolley was concerned. After four innings a shower blew in over the field and Sedro-Woolley gave the game to Concrete rather than have their boys play in the typical Washington weather.

Howell scored in the first and Williams in the second for the only runs of the evening. M. Howell and McGovern got the only hits off Davis, Cub hurler. Davis struck out four, had no walks. Evans of Concrete allowed two hits, struck out ten.

Concrete 7, Burlington 0

Monday the Lions played their last home game, downing the Burlington Tigers 7-0. In the first inning A. Howell, Goodwillie, Harry Harris and Joe Williams scored for the Lions. Again in the third Merle Williams tallied and in the fourth A. Howell made his second trip across the plate. Clark scored in the fifth on an error. Outstanding hits of the game were A. Howell's triple in the first and Clark's three-bagger in the fifth.

Anderson pitched for the Tigers, giving up six hits, two walks and striking out nine. Evans pitched four innings for the Lions, giving up three hits, no walks and striking out seven. McGovern took over in the fifth. He struck out six, walked two, allowed no hits.

Championship In Sight

Mount Vernon was dropped from a first place tie with Concrete by a 2-0 loss to LaConner Monday night. As the Bulldogs and Lions play today in their final game, it will be for a clear-cut Championship for Concrete if they win, or a tie for the title if Mount Vernon comes out on top.

Due to the athletic banquet here Thursday night, the game will be played in the afternoon at Mount Vernon.

The winner of the Skagit title is expected to play off with Snohomish. This means a play-off will be necessary in case of a tie between Mt. Vernon and Concrete.

Road Oiling Job Started

A new group of workers swarmed into Concrete the past week as work began on the oil surfacing of the new state highway below town. The work is being done under the contract let to Northwestern Construction last year.

Guard rails are being installed, drainage rechecked and put in perfect shape, and the oiling will be completed as rapidly as weather permits.

The new road has been closed, all traffic being detoured over the old highway until the job is completed.

Tax Runs Into Snag On Timber, Mining Sales

The county finds itself with a problem in collecting the 1 per cent realty sales tax when it applies to timber and minings deeds. Timber sales are not done on deed, but one price of timber marketed. This means that the county will have to find some system of collection other than deed transfers.

State-wide action by the county commissioners will be sought before new regulations are set up.

Another Forest Rantger

Ray Hornbeck, District Ranger, was passing out big cigars this week on the arrival of James Roger Hornbeck, born Friday, May 11th at the Memorial Hospital. The new forester weighed in at 7 lbs, 14¼ ounces .

The Cub Scouts will hold their annual picnic at the school ground Monday evening at 6:30. Scouts and families are to bring their own picnic lunch.

GRANDY LAKE OPEN FOR TROUT SUNDAY

Trout fishing will be open in full swing this coming Sunday, the date set for opening of all high lakes and streams in the state. The only catch is that the real high lakes will be closed by snow for another month or two, and the streams have been generally in bad condition due to high waters.

For the upper valley fisherman, however, Sunday will be memorable for the opening of Lake Grandy—always an occasion for a big time. Grandy has been producing well the past few years and should draw a record crowd opening day.

The planned opening of Vogler Lake had to be postponed when a check of the fish planted there last year revealed that most are still under the legal limit. The lake will probably be closed all year and opened with the low lakes next spring.

In the lower valley, Clear Lake is being reopened and promises to be excellent fishing.

Joe McDonald Dies Monday

Death claimed another old timer of Concrete Monday. This time Joseph J. McDonald, veteran quarry blacksmith, former mayor and more recently Justice of the Peace. Mr. McDonald had been a resident of Concrete for over 40 years, during which time he became known by almost everyone in the valley in his various capacities from baseball umpire to Mayor of Concrete. He was a popular member of the old quarry crew, was well-liked by his fellows townsmen.

Funeral services will be held on Saturday, May 19th, at 10:00 a. m. from the St. Mary's Catholic church in Sedro-Woolley. Burial will be made in the Union cemetery there.

Joe McDonald was born in Kansas, March 28, 1886. He came to Concrete as a young man and spent most of his life here. He married Emma (Kitty) Moran, popular Sauk young lady and to them was born one son, Joseph Jr., both of whom survive him. Joseph, Jr. is now in Paducah, Kentucky. Others surviving are his father, Robert J. of Seattle; two brothers, Clyde of Seattle and George of Yakima; two sisters. There are two grandchildren.

Young Car Bandits Are Caught By Sheriff's Force

The two teen-agers sought in the car-stealing episode here a week ago, were caught last Thursday at Similk Beach after having been kept on the run for two days by county deputies. The boys were escapees from the Chehalis training school, it was learned.

Camp Fire Group

The Tanda group held a makahiki" party at the home of their guardian today. Lorena Prater and Anne Roundy acted as joint hostesses. Kathlen Boulton, Jackie Taskey and Sharon Gross each presented one feature of the program. Each girl contributing earned one of her Torch Bearer honors, which is the highest Camp Fire rank.

Fire At Davis Home

A fire call was answered this morning at the Lonnie Davis home in Mill addition. The blaze started in the chimney, spread to the attic. Little damage was done and the fire was quickly extinguished.

Betty Herin and Robert Larsen Wed In Pretty Ceremony At Birdsview Hall

Before an arch of white flowers and wedding bells, Miss Betty Lee Herin, daughter of Mr .and Mrs. Lee Herin of Clarkston and former Birdsview resident, became the bride of Robert Larsen, son of Mr. and Mrs. Elmer Larsen last Saturday afternoon at the Birdsview Grange Hall. The lovely ceremony was performed by Rev. Richard Riffle of Concrete.

The bride wore a white crepe dress with a lace bodice and a corsage of white roses. Her attendant was Mrs. Kathryn Wise of Mt. Vernon, who wore gold taffeta and a corsage of white roses.

The groom was attended by his brother, Herbert Larsen, who came up from Forest Grove, Oregon, for the wedding. Bill Johnson of Birdsview acted as usher. Don Cobb of Seattle was soloist and Mrs. Cobb played the wedding march.

At the reception Mrs. Ralph Dexter, aunt of the bride, served the wedding cake and Mrs. Ed Hawkings served the grooms' cake. Miss Marion Lay was in charge of the gifts and Miss Joyce Scales took charge of the guest book.

Relatives attending were Mr. and Mrs. Frances Wattenberger and Mr. and Mrs. Elmer McDaniels of Sunnyside; Mr. and Mrs. Don Cobb and son of Seattle; Mr. and Mrs. Ralph Dexter and son Dale, Mr. Myrna of Marysville; Mr. and Mrs. Ivan Lay and daughter Marion and and Mrs. J. L. VanPatter, Ivan Dexter and children, Mr. and Mrs. Roy Scales and daughters of Birdsview; John and James Herin of Clarkston, brothers of the bride; Louis Larsen, Mr .and Mrs. Ed Hawkings, Mr. and Mrs. Glen Chambers and children and Mr. and Mrs. Vic Hawkings of Concrete.

After a short trip the newlyweds will make their home at Birdsview.

Both the bride and groom attended and graduated from Concrete high school. They have many young friends who are wishing them well.

Lions Completing City Parking Lot Improvement

The Concrete Lion's Club project to fix up the town parking lot was in full operation this week as the members began putting poles in place to rail off the lot into convenient and efficient parking zones.

Cedar poles furished by Thunder Creek Logging Co. were peeled by the Lions work party last week end. This week work parties began placing the poles in position.

Credit for aiding in the project also goes to Speed Thompson for cutting the poles and to Fred Thorne for loading and trucking them from the woods.

Angle parking on three outside rails and along a center rail is expected to provide plenty of space for visiting cars. The new plan will eliminate congestion and give plenty of room for all cars to go and come at will.

From where I sit ... *by* Joe Marsh

"One For The Book"

Miss Reynolds, our town librarian, really put a smart-aleck motorist in his place last week—right in center of town, corner of Main and Walnut.

Her car stalled, tying up traffic. Most drivers just waited quietly—realizing she couldn't help it—but one fellow kept blaring away on his horn.

So Miss Reynolds gets out of her car, walks over and says sweetly, "I'm afraid I can't start my engine. If you'd like to try I'll stay here and lean on that horn for you." That stopped him!

From where I sit, a lot of us are sometimes a little overeager to "sound off" before we really understand what it's all about. Let's try to see the other fellow's side in whatever he does—how he votes, what he thinks, whether his preference is for a glass of beer or buttermilk—rather than simply blast out anyone who "gets in the way" of our ideas in these matters.

CHURCH NOTICE

REGULAR CHURCH SERVICES OF THE MT. BAKER PRESBYTERIAN CHURCH

Sunday School—9:45. Camp contest soon to close. Classes and graded lessons for all ages.

Morning Worship—11:00. Message by the pastor, "His Name Shall be called Wonderful."

Junior Young People meet, 5:30.

Senior Youth Fellowship—5:00 at the parsonage. Devotional hour at 6:30.

Evening Service—7:30. Inspirational song service. Continuing the series of prophetic messages from the Book of Daniel.

Thursday—7:00 Choir rehearsal. Bible study and prayer at 8:00.

The Bible needs no private interpretation. It speaks for itself. The vital message men need to know is simple and plain in the reading. Our ministry and teaching program has one great and man objective, which is preach and teach what God's Word says and not man's idea or man's ideaology. The Truth of the Bible sometimes hurts, but if applied personally will also help. Our prayer is, that we may serve God acceptably and sincerely that our community may be benefited to the best degree. You are cordilly invited to all the services of the church.
