

VOLUME XXXXII

CONCRETE, SKAGIT COUNTY, WASHINGTON, NOVEMBER 5, 1953.

NUMBER 45

## THIS AND THAT

By H. L. D.

### Home From Hospital

Mrs. Marie Miller, who has spent several weeks in the Memorial hospital receiving treatment for an arm injury, returned to her home here this week.

### Marriage License

George V. Anderson, 30 of Franklin, North Carolina, and Bessie M. Dickinson, 18, of Concrete, have applied for a marriage license.

Also signed up for a marriage license this week are Alice Anderson, 16, of Concrete and Guy Parker, 19, of Sedro-Woolley.

### It Rained At Bear Creek

If anyone wonders why the river came up so fast last Friday when it did not rain very hard in the valley, the report from the Bear Creek power station reveals the reason. Their rain gauge showed a total of 1 inch of rain Thursday and 3.29 inches on Friday.

### Recovering From Illness

Mrs. Roy Hollister returned to her home here this week after spending several days in the Memorial hospital. Mrs. Hollister was suffering from a very serious infection.

The Pakicum Camp Fire group is joining other Camp Fire groups in working on a Christmas project of making stuffed dolls for youngsters overseas. The group will need nylon for stuffing the dolls and are asking people to keep old nylon stockings or other pieces of the material which could be used for stuffing and to contact Mrs. Allan Gardiner or Mrs. Irene Rickabaugh who will pick it up, or leave the material at the department store.

Kenneth Young, who was released from the Naval hospital in San Diego October 19, has spent the past week visiting his parents Mr. and Mrs. Lloyd Holubar and his grandparents, Mrs. Mae Tarvin of Tacoma and Frank Holubar of Rockport. Kenneth left by plane Sunday from McCord Field back to El Centro where he is with the transportation division.

### Chairman Named

Mrs. Milton Scott of this city has been named as local chairman of the 1954 Easter Seal campaign of the Washington Society for Crippled Children and Adults. The annual seal drive is the society's chief source of raising funds for helping crippled children.

Mrs. H. E. Queen of Concrete, Mrs. Eva Olson of Rockport and Mrs. G. S. Briggs, Jr. of Marblemount, have volunteered to serve as Seal Sale chairmen for the 13rd annual Christmas Seal Sale, sponsored by the Skagit County Tuberculosis League.

The Christmas seal sale starts November 19th and runs through December.

The Upper Skagit Garden Club's regular meeting for November has been changed to next Tuesday, the 10th. The group is to meet at the home of Mrs. Jerry Clements with Mrs. Lloyd Baker as co-hostess.

Each member is to participate in the program by presenting some idea in decoration, package wrapping, card displays, or arrangements for the Holiday season.

Mrs. Manford Thosath entertained with a pink and blue shower last week in honor of Mrs. Edgar Monrad. Those present were Mrs. Al Boury, Mrs. Jim Boury, Mrs. John Whit, Mrs. Loren Scott, Mrs. Raymond Hornbeck, Mrs. Carl Monrad, Mrs. Frank McGovern, Mrs. M. McGlenn and the honored guest, Mrs. Carl Monrad made the centerpiece for the table. The honored guests received many lovely gifts.

### Harvest Dinner

The Birdview Grange will hold their annual Harvest Dinner this Friday evening, November 6th, at the grange hall. The dinner will be served from 5 until 8 o'clock.

### Cancer Fund Dance

The Concrete Eagles lodge is sponsoring a dance this Saturday evening at their hall for the Damon Runyon Cancer Fund. Tiny Jack will furnish the music.

## ELK SEASON OPENS WITH SMALL KILL

Elk were made legal game on Sunday, but heavy rains held down hunting pressure and success. Only Yakima and Kittitas counties reported a better kill than last year, while Olympic Peninsula hunting also produced good results when weather cleared in the afternoon. Hunters are still hoping for snow to bring herds down from the higher elevations.

Earl Robertson of this city was one of the successful hunters on the peninsula, bagging a fine 2-point bull elk on the Hoh river area. The big animal dressed out over 400 pounds of meat.

In the Skagit-Whatcom area bad weather and high waters put the damper on elk hunting as no elk hunters were checked out in the local permit hunt. During the week 348 hunters at Lake Terrell bagged 424 ducks, 3 honkers, 4 snow geese and 5 pheasants. The lower Nooksack valley has also been furnishing fair duck hunting. On the Skagit flats 149 hunters checked during the week had 156 ducks, 2 honkers and 4 snow geese.

A large flock of geese were seen on the upper Skagit over the week end, evidently driven in by the weather, but their stay was brief and they were seen headed out Sunday evening.

Estimates on the deer season kill this year has been placed at 2250 for the San Juan, Island, Whatcom and Skagit area. Broken down, they show: San Juan county 250; Island, 300 on Whidbey and 100 on Camano; Whatcom, 600 and Skagit 1,000.

## Bo Worley Dies At Burlington

Talmadge Mullis, of Route 1, Sedro-Woolley, who is known to most of his friends in the upper valley as Bo Worley, passed away last Thursday at the Memorial hospital in Burlington. He was 21 years of age.

Funeral services were held at Lemley Chapel in Sedro-Woolley at 1:30 on Monday.

Rev. Garrison of Burlington conducted the services. Burial was in the Sedro-Woolley cemetery. A large group from the upper valley attended the last rites.

Mullis was born March 21, 1932 at Baldwin, North Carolina, and had been a resident of the valley for the past three years, working as a logger. He is survived by his father, Floyd Mullis of North Carolina; his mother, Mrs. Allen Corcoran of Sedro-Woolley; two brothers, John Worley of the U. S. Air Force and Clarence Worley of Marblemount; one sister, Patsy Worley of Sedro-Woolley, a number of aunts and uncles.

## Homecoming Picture Still Missing; We Did Try

Due to our oversight in failing to write up the Homecoming events last week we received a couple of unsigned letters calling our attention to the fact. We had planned to print the letters, but on second thought decided that if the writers were too shy to sign their names to a legitimate gripe they did not deserve to have their criticisms printed.

Actually, the story was this. We made arrangement with the photographer taking the pictures to send up the prints by Monday, which is the deadline for getting them sent away to be made into engravings. They prints didn't arrive—and at the last call to the school, were still not in evidence this week.

Without the picture which had been planned for, the alternate story just failed to get written. No excuses on this, except that the Herald has been published the past month by a couple of invalids who think they are doing very well to get any sort of a sheet in the mail—let alone an outstanding edition.

It is the cross a newspaper man has to bear—you can print a good paper for years and never hear a note of praise, but miss one story and you're doing it on purpose to spite someone. Ah, well.

### Brother Dies

George F. Dods, brother of Harry Dods of this city, died Oct. 29th from injuries received in a auto accident in Seattle. Funeral services were held Monday in Sumas.

## Record Cut Made On Mt. Baker Forest For Quarter

More timber was cut from the national forests of Oregon and Washington during the three-month period ended September 30 than in any previous quarter in their history. The 19 national forests in the Pacific Northwest region reported a total harvest for this period of \$28.45 million board feet valued at more than \$12 million. The previous high was that of a year ago, also ending in September, when \$28.72 million feet was cut.

The local Mt. Baker forest cut was 43.18 million feet with a value of \$1,056,441. This is the first time in Mt. Baker history that value of timber cut in a quarter has exceeded a million dollars.

## OAK HARBOR TROMPS LIONS 26-6 ON FRIDAY

Oak Harbor moved up into second spot in the league last Friday night at the expense of Concrete, who were outpowered by the Oaks 26 to 6 on the island field. White Concrete was taking its lumps, the Twin City gang kept a firm hold on undefeated first place by trimming LaConner 19-0; Monroe averaged their tie of a week ago here by swamping Sultan 35 to 6 and Lake Stevens had no trouble beating Granite Falls 21 to 6.

Lake Stevens is now in third place with Monroe and Concrete in a tie for fourth spot.

The story at Oak Harbor last week end was just too much line and too many Langs on the team Concrete had to tackle. The Oak Harbor line showed power to open the holes and Kenny and Lenny Lang did the rest. The Lang cousins turned in a number of sparkling runs to score their 26 points.

Concrete fought valiantly for the major portion of the game without being able to muster up a real scoring threat. Then when things looked blackest, they took the ball on their own 1-yard line and marched straight down the field for their only touchdown. Weezy Harris put on a show with runs of 22 and 19 yards. Danny Parker broke away for 18 yards for the touchdown.

Tomorrow night the Lions will go to LaConner to try to pick up another victory for their record. As LaConner has won only one game Concrete should have little trouble outscoring their opponents, but the Braves have on occasion proved a stubborn foe where Concrete is concerned.

The final game of the season is scheduled for November 13th, with Granite Falls here. Granite Falls has a record of two wins and four losses. Concrete will need this one, too, to stay up at the top side of the standings.

Mrs. Louis Leader underwent surgery in the Rowley hospital in Mount Vernon Monday.

Mr. and Mrs. W. B. McDaniel and Mr. and Mrs. Warren S. Clay attended the Halloween dance of the Puget Sound Power & Light employees in Bellingham last Friday evening.

## Miss Swensen Is School Queen

Miss Deanna Swensen, daughter of Mr. and Mrs. Arthur Swensen of Newhalem, was the lovely queen chosen to reign over the Concrete High School Homecoming program here on October 23rd. Her attendant were Miss Kay Coone and Miss Janet Johnson, runners-up in the queen race.

The Homecoming activities began Friday afternoon with a big parade of decorated cars up Main street to advertise the football contest and dance that evening. Many fine jobs were turned in by the car decorators. The band was also featured on a special float.

Miss Deanna and her court were honored at a crowning ceremony just before the game, being escorted from their sport convertible to the stands by three of the Concrete football stars, who did the honors during the ceremony of conferring the crown and pinning on the corsages.

After the game the Homecoming crowd gathered at the gym for one of the best Homecoming dances in several years. The large crowd enjoyed the music of M. McKee and his band in a beautifully decorated hall.

## Pole Truck Has Trouble On Sauk Hill Tuesday

The pole truckers continued in rough going in the upper valley with another tie-up of traffic on Tuesday of this week on the Sauk hill. This time the steering trailer on the end of the load went out of control coming around the turns on the steep hill and the trailer went into the hill and up the bank.

While the crew went to get another trailer, a double trailer load of logs tried to get around the stalled poles. The rear trailer of this rig hit a soft spot in the shoulder of the road and rolled over. Traffic was tied up for a hour or more while the truckers worked to untangle the puzzle.

## LOCAL HAPPENINGS

Mrs. Mary Lynds is receiving medical care in the Memorial hospital.

Mr. and Mrs. J. P. Brooks, who have been on an extended vacation trip to their home home in Virginia, arrived home Monday.

Mr. and Mrs. James McCusker and children of Seattle spent Sunday here visiting at the home of Mr. and Mrs. Gordon McGovern.

The Rebekah's Officers club met at the home of Helen Crinklaw Tuesday evening with Mrs. Harriette Miller as hostess.

Mrs. Sue Gardner of Marysville visited last week end with her sister and family, Mr. and Mrs. Riley Crooks.

## Deputy McGlenn Turns In Yearly Mileage Report

M. B. McGlenn, county sheriff's deputy for the upper Skagit area, turned in his 1952-53 fiscal year's report this week with some interesting figures showing up. Total mileage traveled in line of duty for the year was 15,502 and the total number of calls answered was 184.

Deputy McGlenn made 25 arrests either personal or by warrant. Burglaries and thefts in the valley totalled 28 for the year and three persons met death violently in cases that required investigation.

Included in the mileage traveled were investigation and routine cases covering the full range of criminal, civil, juvenile, child negligence and welfare irregularities.

## Wedding Held At Marblemount

At a lovely candle-light ceremony held at the Assembly of God church in Marblemount Friday, October 30 at 8:30 in the evening, Miss Bonnie Flick, daughter of Mrs. Lester Flick and the late Rev. Flick of Burlington, became the bride of Nolan Parker, son of Mr. and Mrs. C. C. Parker, also of Burlington.

Rev. Dan Maser of Spokane, a brother-in-law of the bride, performed the double ring wedding ceremony before an altar of fall flowers.

Mrs. Dan Maser, sister of the bride, sang "I Love You Truly," "Because" and "Living For Jesus," accompanied by Mrs. Clifton Parker, who also played the wedding march.

The bride wore a gown of white rayon satin with finger-tip veil and carried a white bible upon which rested a lavender orchid. She was given in marriage by Don Eldridge.

Mrs. Dona Eldridge was maid of honor and wore a gown of green taffeta. Mrs. Dolphus Stafford, sister of the bride and Miss Patsy Boury, bridesmaids, wore yellow taffeta. Gail Houston, niece of the groom was flower girl and wore a dainty pink dress. The candle-lighters were Phyllis Wilson, wearing aqua, and Doris Parker, wearing yellow.

After the ceremony a reception was held in the church basement at which Mrs. John Erickson of Seattle and Mrs. Art Hansen of Montana, aunts of the bride, poured. Mrs. William Reed served the cake and Misses Ina and Stella Turner served the bridal party.

Miss Ruth Murphy had charge of the guest book with Mrs. Ed Stafford, and Mrs. Don Eldridge attended the gift table.

For going away the bride wore a gray suit with navy blue accessories and her bridal orchid.

The young couple will be at home to their friends at Burlington after they return from a short trip to eastern Washington.

## Catholic Bazaar Plans Nearing Completion

The ladies of St. Catherine's Altar Society are very busy this week completing the handiwork and dolls for their bazaar, which is to be held next Saturday evening, Nov. 14th at the IOOF hall.

The doll booth this year will feature all kinds of dressed dolls, some with crocheted dresses and some made of materials. There will also be a booth with handiwork of all kinds that will make lovely Christmas gifts or help to fill hope chests, or perhaps just to fill out your linen closet at home. A surprise booth will have gifts wrapped and tied with prices on the outside. Purchasers are to buy sight-unseen and all are guaranteed a pleasant surprise. There will be a fish pond and candy booth for the youngsters.

Luncheon will be served from 11:00 until all diners are served. The menu will feature ham and chicken sandwiches, chili, home made pies and cakes.

### Hard Times Party

The Odd Fellows and Rebekahs will turn out this Friday night to a Hard Times costume party at their hall. Husbands and wives of each organization are invited to attend and have a good time.

## Halloween Party Fun

The annual Halloween party in Concrete and others in the upper valley community brought about one more sensible observance of the time-honored holiday for this district. Parties were given in Newhalem, Marblemount, Rockport and Concrete schools. Concrete had two parties, one in the high school and one for the grade school which included down to pre-school age. Both local parties were sponsored by the Lion's Club, the American Legion and the local merchants.

The program here featured the usual costume parade and prizes, a movie and a feed of hot dogs and cider.

The parade was one of the best of the series, with lots of entries and much work going into the preparation of clever costumes. Winners in the various classifications were:

Witches—Karen Whitehair, 1st; Charlene Severson, 2nd; Nancy Frank, 3rd.

Ghosts and Spooks—Mary Ann Stokes (devil) 1st; Steven Arnold (ghost) 2nd; Freddie Gramman (devil), 3rd.

Funny—Stanley Greene (hobo), 1st; Danny Hornbeck (clown) 2nd; Bill Allan (hayseed) 3rd.

Story Book Characters—Marilyn Sobek (Mary and her lamb) 1st; Linda and Sheila Buchanan (wolf and Red Riding Hood) 2nd; Bob Kinney (Little Black Sambo) 3rd.

Animals—Gene Galloway (Hoot Owl) 1st; Valerie Stafford (cat) 2nd; Lynell Solomon (cat) 3rd.

Miscellaneous—Terrie, Pat and Mary Ann McIntire (soup and fish group) 1st; Eddie & Patty George (Jack-o-lantern clowns) 2nd; Dennis Dye (carnival) 3rd.

Marla Williams won a prize as the largest costumed entry and Patty George was judged the smallest.

Stan Brown handled the parade and the loud speaker during the party. Others credited with making it a huge success were Eddie Pulice, Gordon McIntire, Vince Scott, Lyle Buchanan, Joe Bitonti, Armond Bianchini, Vince Scott and his Boy Scouts made the cider.

Stan Brown had his graders out Monday morning policing the town for signs of damage, but they could only find one lone soap mark that continued the length of main street as some youngster left his mark to show there was at least one rebel against pranks Halowe'en.

## Brother Killed In Auto Accident At Bellingham

Philip A. McCaulay, 40, of Bellingham, a brother of Mrs. George Nims of this city, was killed last Thursday when he was thrown from his car and pinned underneath as the machine stalled on a hill, rolled backwards and overturned. He died about four hours after the accident.

Funeral services were held in Bellingham on Monday.

## LEGION AIRS

The Legion Auxiliary is having the annual Gifts for Veterans Gift Shop this month and every one is asked to send or bring a gift to the next meeting of the Auxiliary on November 11th. These gifts are for the hospitalized veterans to select for their families and should be a gift such as you would give to your own brother, sister or parents.

Anyone can give to the gift shop so leave your gift with either a Legion member or an Auxiliary member and they will all be mailed to the hospitals.

The Legion Auxiliary had a very successful Smorgasbord dinner again this year. It was even larger than last year but it was far too short on food and the ladies are very sorry they had to turn away people before the closing hour. They are already planning an even larger dinner for next year.

Helen Bradner, Gladys McGovern and Julia Prater were October hostesses and served a delicious lunch at the close of the last meeting.

Hallowe'en in Concrete was another of the happy occasions we have experienced ever since the town civic organizations got together on a big party for the youngsters. They had a big time and the town got by with no damaging pranks. Others towns in the county did not fare so well. Concrete has long been proud of it's young folks and it appears that the kids are also pretty proud of their town.

A phychiatrist insists that the main trouble with American family life is that the husband is too tired from making a living to adequately make love to his wife. Could be, but from the divorce records it appears he still has the strength to make love to some other fellow's wife.

Highway killers are the target of an intensive drive by Governor Langlie and the state highway patrol. A car is a deadly weapon and speed is it's ammunition—and there are just too many of us running up and down the highways with loaded guns.

The boom is beginning to roll. Ground was broken this week at Anacortes for the new refinery. No one expects that these big things to come will make everybody rich, but with a booming industry it will be much easier to apply for credit.

Once there was a man who went through life trying to get by without saying anything or doing anything. Then came his funeral and nobody in his community said anything or did anything.

The Republicans are in trouble. Having been elected to clean up a lot of the waste and confusion in our national government, they now find voters in a panic for fear they might do it.

Hard luck is a state of mind. For every good break you yet, you should be prepared to take a few bumps. Hard luck is when you get several at a time.

Being concerned about the armament race, the air wing race and the submarine race, somewhere along the line we have forgotten the human race.

It is said that the most difficult adjustment in life comes with sudden wealth. But there are few who wouldn't give the problem a go, just once.

One of the most disturbing things about the way top government offices are run is the high price they are so glad to pay for bad advice.

"How are you" is an outworn greeting. Even your doctor couldn't tell without a series of tests.

## Ready For It?

Every day or so we get another sign that winter will be along soon. Are you ready? Make a check of your home today for any repairs that might be needed to make months ahead more comfortable.

We can furnish you with anything you need in the way of lumber, insulation and repair materials. Give us a call.

## Birdsview

By Mrs. Harvey Morgan

Mrs. Leonard Hornbeck and daughter were attending to business in Sedro-Woolley Monday.

Mr. and Mrs. Walter VanDeGrift attended the Logging Congress in Seattle for a few days this week.

Mr. and Mrs. Perham Hockett and daughters of Harlan, Oregon were visiting with the L. E. Joy family over the week end.

Miss Bessie Dickenson and Victor Anderson exchanged marriage vows at the First Baptist church in Sedro-Woolley this past Monday evening.

Doreen Royal spent the week end with Anne Sjoborn of Van Horn and attended the Hallowe'en party for the young people of the Mount Baker church Saturday evening.

Mrs. S. T. DeBolt, Mrs. Truman Sparks, Mrs. W. VanDeGrift and Mrs. L. G. Cunningham attended Altar Society meeting at the home of Mrs. James Ovensell of Concrete Tuesday evening.

Harvey Morgan, Ralph Dexter and Vivian Bates of this community and W. W. Perrigo, Robert Perrigo and Ed Kolb of East Hamilton attended the men's fellowship meeting at the Mount Baker church Monday evening.

Virginia Christenson, Doris Dills, Jeanne Anderson and Eunice Morgan attended the Jr. high school's Hallowe'en party at the school Monday evening. Mrs. Morgan accompanied them and visited at the home of Mrs. Alice Leonard.

W. S. Johnson received word Sunday that his sister, Mrs. R. M. Ledford passed away at the home of her daughter at Clemson, S. C. October 31. She had returned a short time ago from visit to Washington, visiting her brother and other relatives, and a daughter at Great Falls, Montana.

Mrs. Lon Steen of Concrete entertained a number of relatives at Sunday dinner. Guests were Mr. and Mrs. Tom Royal and family. Mr. and Mrs. Clifford Johnson and children of Sedro-Woolley, Mr. and Mrs. John Jassman and children of East Hamilton and John Steen, also of East Hamilton.

Old friends of Mrs. Tom Wilson now of Lyman, will be sorry to hear that she has been ill in the Memorial hospital for the past week. She submitted to surgery there last week. Her daughter, Mrs. Herbert Bloom of Ridgefield has been attending her and staying with her father. The Wilsons lived at Birdsview for many years and were well known in the community.

### Insect Sprays

Sprays are useful for destroying flies, mosquitoes and other insects found on the farm, in the garden and around the house. When used properly, they are effective against pests and will not harm humans. However, they must be handled carefully.

DDT, TEPP, Parathion and others are in common use as insecticides. These are poisonous to man under certain circumstances. Usually the poisoning is due to absorption through the skin or by inhaling the spray. The poisoning is usually slow to develop and may be difficult to recognize for what it really is.

The occasional user of these insect sprays and dusts will suffer little harm ordinarily, unless he manages to inhale or swallow a great deal of the material. Precautions must be taken, however. It is not known just how much of these new insecticides the human body will tolerate without ill effects.

The person who is using the insect sprays in great quantity, and carelessly, is due for a fast case of poisoning. Parathion has been the cause of considerable concern. It has been the cause of a number of instances of acute poisoning in this state.

The person poisoned with Parathion is weak. He has trouble with his vision. His appetite becomes poor. He may have cramps and diarrhea. Severe poisoning results in shock and may terminate in death. Prompt and heroic treatment is necessary to effect recovery.

The use of these insecticides around foods must be done with considerable caution. The farmer is warned about the spraying around milk. He is informed about spraying around foods that cattle and goats may eat. The insecticide eaten by the animal may be secreted with the milk.

The Federal government has required that every package of insecticide carry the precautions necessary to prevent poisoning. Too many users fail to follow these instructions. When the label says "avoid inhaling dust or spray mist—harmful if swallowed—Keep out of reach of children" it means just these things.

The newer pesticides, when sanely used, have been shown to be highly effective in reducing infestations of insects, rodents, fungi, weeds and bacteria. They have contributed to the control of diseases carried by insects. They have helped assure adequate food, plant

fiber and forage supplies.

Like the atom bomb, insecticides can work for the good of mankind or for his harm, depending on how they are used.

## Newhalem

By Mrs. Vera Hunziker

Tex Densen was a business visitor in Concrete on Saturday.

Mrs. Betty Johnson and children of Marysville are visiting here at the home of Mr. and Mrs. Jack Bell.

Ray Creed was looking after business interests in Concrete Saturday.

Mrs. Chas. Horn of Concrete spent the week end with Mr. and Mrs. Paul Wilcox.

Mr. and Mrs. Andy Lorentzen left on Monday for a two months vacation in Florida.

Jack Froelich of Gorge spent the week end with friends in Sedro-Woolley.

Don Higgins of California is spending several days visiting with Mr. and Mrs. Dale Higgins.

Bob Waech of Gorge Camp spent the week end with relatives and friends in Seattle.

Mr. and Mrs. S. Nelson and family of Diablo were shopping in down river towns Saturday.

Bud Glover and son Bobbie were visiting friends and shopping in Concrete Saturday afternoon.

Mr. and Mrs. Jack Roper and children returned last week from a months vacation in New York.

Mr. and Mrs. Gurnie Stafford and Mrs. Gladys Ness of Rockport were visiting at Newhalem on Saturday evening.

Mrs. Frances Johnson is spending a few days with relatives and friends in Tacoma.

John Nelson of Seattle was attending to business interests here Monday.

Shirley Rowland of Marblemount was visiting friends here Saturday evening.

Mrs. Orville Rupe and Mrs. H. Nelson of Diablo were shopping in down river towns Monday.

Mrs. Gladys Barbeau and son were attending to business interests in Seattle Saturday.

Mrs. Joe Stevenson is making an indefinite visit in Barnsville, Minnesota with her mother.

Mr. and Mrs. Andy Lorentzen and Mrs. Chas. Stroud were visitors in Mount Vernon Wednesday.

Mr. and Mrs. Ernie Titus were shopping and visiting relatives in Sedro-Woolley Friday.

Mr. and Mrs. Gus Menne, Mr. and Mrs. Wayne Smith and Mr. and Mrs. George Hunziker returned home from hunting east of the mountains on Saturday.

Mr. and Mrs. Frank Motz and daughter Arlene were shopping in Seattle Saturday.

Mrs. Doc Barbeau and children were visiting Sunday in Sedro-Woolley.

Mr. and Mrs. Dana Courier spent a few days in Seattle visiting with their daughter, Miss Lorraine Courier.

Mr. and Mrs. A. E. Woody and children of Seattle visited at the home of Mr. and Mrs. Frank Motz last week.

Miss Marvel Woodard of Mount Vernon spent a few days here visiting with Mr. and Mrs. Andy Lorentzen.

Mrs. Harry Nelson spent several days shopping and visiting with relatives and friends in Seattle.

Mr. and Mrs. Stan Kelsey, who have been hunting east of the mountains, returned home last week each with a nice deer.

Mr. and Mrs. W. C. Klein of Diablo and Mr. and Mrs. Walt Harrison were shopping and visiting

friends in Seattle Friday and Saturday.

The Seattle Assay Co. was established May 21, 1898. Immense shipments of gold came from the North with receipts often averaging a million dollars a month.

Conversions are quickly fitted to the Ford Pickup's four corner-post stake pockets! Conversions available include solid-board racks, passenger carrier units, various canopy tops, special equipment racks and compartments, stock racks, etc. Strong new bolted-construction Pickup box has rigid tailgate to support heavy loads without bending or twisting.

## World's most powerful Pickup has the stamina for a thousand jobs

The famous Ford Truck V-8 engine, now 106 h.p., makes the new Ford Pickup the most powerful on the road.

The new Ford Pickup is so rugged it does many jobs that you might think only heavier trucks could handle. Some of these jobs are shown here. Manufacturers of bodies and equipment offer scores of "conversions" made especially for the Ford Pickup.

And because new Ford Pickup sales are soaring, your Ford Dealer can now give you an extra-generous trade-in allowance on your old truck. So, drive in! See him today!

Ford F-100 Pickup, G. V. W. 4,800 lbs. V-8 or Six. Deluxe Cab (extra cost) shown.

The winter of 1893 the Columbia river froze three times: November 1892, January 1893 and again March 3, 1893. This time, Howard J. Marshall crossed to The Dalles and the mercury dropped to 30 degrees when he and Judge A. L. Miller returned, crossing on "rubber ice."

Diversified agricultural products not found in any other locality of the Pacific Northwest are found in Klickitat county. The fertile forest soil of the western part, with an elevation ranging from 101 feet on Bingen Flats to an altitude of 2,100 feet in the Trout Lake Valley and 1,900 feet in Camas Prairie and an annual rainfall of 40 to 50 inches, affords advantages for dairying, beef cattle, tree fruit, berries, vegetables, poultry, grains and grasses.

In pioneer days, clothing for the men and boys was made from "hardtimes cloth," while the girls' dresses were made of "ladies' cloth." They wore big aprons to school to cover their pretty dresses.

The singing school at Custer was a popular institution and was taught by a singing master from Whatcom who also had classes at Ferndale and Blaine. It afforded the young folks an opportunity to acquire the rudiments of music, but what was more appreciated were the social advantages enjoyed.

The heaviest blow on the coast occurred on January 14, 1913. The anemometer at North Head registered 125 miles per hour before it blew down.

## Marblemount

Shirley Rowland

In Mount Vernon Monday on business was Mrs. Karl Lindall.

Len Scott of Ross Lake visited over the week end at his home.

Cecil Benfield was in Mount Vernon Monday on business.

Mr. and Mrs. Jim Wyatt of Birdsview visited Tuesday at the Vashti Hooper home.

Herman Rohde and Sadie Cudworth were shopping in down river towns Tuesday.

Mrs. Fritz Wenrich and Linda were overnight guests Tuesday at the Jack Bloom home.

Mr. and Mrs. Abe Kydland of Sultan visited Wednesday with Mrs. Vashti Hooper.

Dinner guests Saturday at the Marsh Rowland's were Mr. and Mrs. Malloy Rowland.

Mr. and Mrs. Fred Trudell returned during the week from their vacation trip.

Many friends in Marblemount attended the service in Sedro-Woolley Monday for Bo Worley.

Mrs. Ted Million of Seattle was visiting last week with Mrs. Jack Wortendyke.

Mrs. Ivan Rowland entertained her family Wednesday evening with a birthday dinner in honor of Mrs. Pat Rowland.

Dinner guests Friday evening at the Fritz Wenrich home were Mr. and Mrs. Jack Bloom and sons Jack and Jimmy of Sedro-Woolley.

Shopping Friday in Sedro-Woolley were Mr. and Mrs. Bing McLeod, Mrs. Ivan Rowland, Mrs. Marsh Rowland and Mrs. Malloy Rowland.

Visiting Sunday at the Lee Maupin home at the Sauk ranger station were Mr. and Mrs. Malloy Rowland and Mr. and Mrs. Marsh Rowland.

Mrs. Vashti Hooper entertained the bridge club last week. Mrs. Dell Riekner won high, Mrs. Russ Utley, second and Mrs. Ivan Rowland, low.

The Marblemount church was the scene of a lovely wedding last Friday when Miss Bonnie Flick

and Nolan Parker, both of Burlington were united in marriage. After the services a reception was held in the church basement for the many friends and relatives attending.

## WASHINGTON HISTORY

The first Fort Nisqually was erected just on top of the hill, during the summer of 1833, and served the purpose of the company for ten years. In 1843, about the time that Dr. Tolmie was given charge, a new site for the Fort was selected farther from the shore line.

# Another HIDDEN TAX

The toll of the highways may reach 40,000 killed and 2,000,000 injured. These are stark statistics in themselves. But there's another toll, too!

Every American family of four, whether they have had an accident or not—or even if they don't own an automobile—will pay an average of \$100 a year in hidden costs as the result of speeding, reckless driving. This is the nation's highway accident bill, to be paid through increased taxes, wage losses, mounting insurance costs, medical and hospital bills, property damage and other charges. The total will run to nearly \$4,000,000,000—enough to build a city of 200,000 homes costing \$20,000 each. Believe it or not, there is an average economic loss of about \$95,000 for every person killed.

This stupendous waste can be curbed only when the American public becomes sufficiently aroused to demand concerted, nation-wide action—more law enforcement, more highway patrols, and more teeth in penalties—to rid the highways of devil-may-care drivers and moronic accident repeaters. Get back of any safety movement in your community. Think and talk safety.

When death, maiming and destruction take over the highways, someone pays—and that someone is you—it's all of us.

**SLOW DOWN—LIVES ARE IN YOUR HANDS!**

CARD OF THANKS

My thanks to all my friends and well-wishers for the letters, cards, flowers and gifts sent to me at the hospital following my accident. I appreciated every bit of thoughtfulness expressed.

STATE FOREST BOARD  
NOTICE OF SALE OF TIMBER  
ON STATE LAND

Notice is hereby given that on Tuesday, the 1st day of December, 1953, commencing at ten o'clock in the forenoon of said day, in front of the main entrance door to the county court house in the City of Mount Vernon, County of Skagit, State of Washington by the County Auditor of said county, the timber on the following described state land will be sold at public auction to the highest bidder therefor, to-wit:

APPLICATION No. F-2979  
Timber on Lot 3 and the S½ NW¼, section 3, township 35 north, range 11 east, W. M., containing 119.81 acres, more or less, according to the government survey thereof, appraised at \$12,670.00.

Time for removal will be 4 years. Bond required to guarantee compliance with sale terms is \$3,000.00. According to the State's cruise there are approximately 50,000 feet cedar, 1,265,000 feet hemlock, 15,000 feet dead standing and down hemlock and 480,000 feet white fir.

The SE¼NE¼SE¼NW¼, SE¼SW¼SE¼NW¼ and SE¼SE¼NW¼ is reserved for seed area.

APPLICATION No. F-3225  
Old growth fir and red fir and the old growth red cedar only on the NE¼NE¼SW¼SE¼, W¼NE¼SW¼SE¼, E¼NW¼SW¼SE¼ and NW¼SE¼SW¼SE¼, section 13, township 35 north, range 10 east, W. M., containing 15.00 acres, more or less, according to the government survey thereof, appraised at \$1,126.00.

Any and all timber cut or unnecessarily damaged that is not included in this sale must be paid for at the rate of \$50.00 per thousand. Tractor logging only.

Time for removal will be 1 year. Bond required to guarantee compliance with sale terms is \$500.00.

According to the State's cruise there are approximately 34,000 feet old growth fir, 1,000 feet dead standing and down old growth fir, 31,000 feet red fir, 2,000 feet dead standing and down red fir, 11,000 feet red cedar and 1,000 feet dead standing and down red cedar. Burn as directed by the State Forest Warden.

The purchaser of the above described timber, his heirs and assigns, do hereby agree to comply strictly with all applicable provisions of Title 76, Revised Code of Washington, in conducting their

operations on the lands described, and do further agree to assume all liability of whatsoever kind and nature arising out of their operations, and agree to hold the state harmless therefore, and agree to reimburse the state or any duly authorized forest fire protective organization, including the United States Forest Service, for any and all fire fighting costs reasonably made necessary as a result of their operations on said lands, and in particular where they have failed to abate a fire hazard as required and as referred to in said Title 76, Revised Code of Washington. Said parties agree to reimburse the state for all expenses reasonable incurred by the state as the result of a breach by them of any provision herein set forth. The purchaser, his heirs and assigns, agree to assume responsibility for all acts and operations of their employees, agents and contractors to insure compliance with the provisions above recited.

The purchasers of state timber are required to run out the lines and are responsible for trespass in case timber is cut on adjacent state-owned land.

The bill of sale to be issued will give the holder the right to construct roads across the above described tract for the removal of said timber, but will not give him any exclusive jurisdiction over the tract. The state reserves the right to grant rights of way for logging roads or for any other purpose over and across the above described tracts at any time and neither the State nor the grantee shall be liable to the holder of the bill of sale for any damage caused thereby.

The successful bidder will be required to post a bond to guarantee full compliance with the terms of the sale contract. The amount of the bond shall be as designated in the Notice of Sale. The arrange-

CHUCKLES

Rastus was dead. A wonderful funeral was in progress. The preacher talked at length of the good traits of the deceased; what an honest man he was; what a loving husband and kind father. Finally, the widow whispered to one of her children: "Go up dare and take a look in de coffin and see if dat's you're pa. Maybe we is in de wrong church."

Platonic Love: The gun you didn't know was loaded.

**Pre Christmas SHOWING OF TOYS**

NOT A WINDOW DISPLAY

Just our mezzanine floor chock full of toys of all kinds that are now ready for Christmas trade. The display is tucked away so that the youngsters won't see it unless you want them to.

This is our annual pre-view for parents. An opportunity for you to look over as fine a stock of toys as you will find anywhere in the county. This year we have chosen our assortment with care and are especially proud of the quality and the reasonable prices.

The toy department is on our mezzanine floor, so if you want to visit it without the children you can do so during your usual visit to the store.

Again this year we are offering our Lay-Away plan for your convenience. You can do your shopping right now, select all the gifts you will need from the fresh stocks and upon payment of a small deposit, we will pack them away and hold them for you until Christmas time.

We aren't trying to rush Christmas along—merely trying to get you adjusted to the fact that it is only seven weeks away and that you need to be thinking about it.
