Baker Lake Camp On List Of F. S. Projects

Construction of facilities at the Bayview campground on Baker Lake would be one of the firstyear projects in a five-year pro-gram to develop national forest lands bordering North Cascades National Park if federal appropriations are available

The Forest Service said last week that it has plans to spend \$15 million on improvements on both sides of the North Cascades National Park with about a third of the projects to start in the fis-cal year beginning July 1 if Congress approves the financing.

Recommendations of the pro-jects will probably be included in a two-year study now under war by the Departments of Agricul-ture and Interior, parent depart-ments of the Forest Service and the National Park Service.

Projects considered the first

Construction of a 140-unit campground, boat lodge, and dock facilities at the Bayview campground site on Baker Lake

Construction of a campground on the North Cross State Highway near Early Winters Creek and location of a site for an in-formation station at Early Win-

Improvements on the Pacific Harts Pass, and Suiattle highways. Improvements on the Pacifis
Crest National Scenic Trail and
its feeder trails
Completion of a feasibility
study of the Mount Baker Loop

Completion of feasibility studies for an aerial tramway to Table Mountain, and a visitor cen-ter at Heather Meadows at Mount

EASTER EGG HUNT SET FOR APRIL 5TH

Children of this area will have a chance to hunt for prize-win-ning eggs in the annual Easter Egg Hunt sponsored by the Con-crete Lions Club on Saturday, April 5, at the Dalles Park. The hunt will start at 11 a.m.

Children of all ages will compete in three groups. Group 1 will be children up to 5 years old; Group 2 will be for children 6 to 8 years; and Group 3, from years and up. Those locatin

Those locating the special colored eggs will receive cash prizes.

SS QUESTIONNAIRE SHOWS-Girls Want Clean, Dependable Husbands; Boys Would Like The House Kept Clean

rls of Concrete High School clean, affectionate, dependhusbands with pleasant disons, whether they can make ing or not. And, so do the
except that they are a little
demanding—they want their
s to be good housekeepers,

eferences were disclosed in a exercinces were disclosed in a ye conducted by Philip Rei-sociology class, an elective see for juniors and seniors. ever, the "Choosing a Mate" ey covered the entire school. ie survey contained 25 items e checked from use of tobacliquor to religious beliefs, background, difference in Each of the 25 points was by degree of importance by four groups—freshmen and sophomore girls, freshmen and sophomore boys, junior and senior girls, and junior and esnior

The girls of both groups were almost unanimous in their pre-ference for a mate who wants a normal family life with children while the boys were divided about

family life's importance.

Boys seemed more co ore concerned Boys seemed more concerned than the girls that their mates be of the same race. None of the young groups thought good, physical health was of any particular concern. However, all considered physical attraction of some importance, although not in the "very important" category.

Parental aproval was more important to freshmen and sophomore girls than any of the other groups.

NEW STREET SIGN adopted for the town of Concrete can be seen at corner of Duffy and Reitze Streets (look for it). Street names are painted in white in routed ceder and show up plainly, especially at night, against a background of natural varnish, High school industrial arts students are making similar signs for all important intersections of Main Street.

Mrs. Don Ross Hurt In 3-Way Accident

Mrs. Don Ross received leg, neck and arm injuries in a three-car accident last Thursday afternoon about a mile and a half

east of Burlington on Highway 20.

Her 1964 model sedan was to-taled in the rear-end collision taled when it was struck from behind as Mrs. Ross stopped for a car

According to the state patrol Mrs. Ross was stopped for the car of Robert Smith of Route 3, Mount Vernon, who had stopped for a car shead of him. A tractortrailer rig driven by Earl I. Han-son of Route 2, Mount Vernon, struck Mrs. Ross car. She was taken to United Gen-

eral Hospital for treatment of her injuries but released on the day of the accident. However she was readmitted to the hospital this Monday for further observation and treatment. None of the children in the car at the time suffered serious injury.

SLOGAN WINNER, Marilyn Thompsen, says that she is going to put her \$10 prize into a fund for a bicycle, and "not spend it foolishly." Marilyn is author of Concrete's Clean-Up Slogan: "WE MEAN IT—CLEAN IT."

Homer's Saw Shop **Target Of Thieves**

ner's Saw Shop at Birdsview Homer's Saw Shop at Birdsview was burglarized Monday night, the thief apparently just picking himself out a new chain saw. Entry was made by breaking in-through a door. The loss was one brand new Homelite saw, completely equipped. This is the third time the place has been broken into and robbed. The saw shop is congretated by Homer Researt! operated by Homer Bossart.

ACTION COMMITTEE

A meeting of the Community Action Committee is called for next Wednesday, April 2, at 7:30 p.m. in the City Hall. Business men and group re presentatives of Concrete and the surrounding area are urg-ed to be present to lay plans for the Dutch Clean-Up Day on April 12.

Five Local Students To Attend Model U. N.

Five students from Concrete High School have been chosen to participate in the working model of the United Nations to be held at Kelowna, B. C., the rest of this week, March 27-29.

Mike Kelly and Robin Wright, both juniors, and Scott Culbertson, sophomore, will represent son, sopnomore, will represent the country of Spain, while Shirley Parker, a junior, and Tina Green, sophomore, will represent Israel. Philip Reiter will accompany the five as faculty advisor. The make-believe United Nations is conducted for high school students. from British Columbia.

students from British Columbia and the state of Washington un-der sponsorship of the Kelowna School District. It will be set up on the same format as the real United Nations with a General Assembly session and committee meetings. A United Nations speaker will be on the program for the Saturday night banquet.

Painters Give Estimates Here

Concrete's Clean-Up program continued to build up steam the past week, aided by a few sunny days which stirred the urge to get going on the various projects. get going on the various projects. The campaign is also getting no-tice elsewhere and Monday the classified ad for painters paid off with a visit of a Bellingham contracting firm whose members contacted all local merchants and gave estimates on repainting work. Other contractors have also expressed interest in the remodelexpressed interest in the remodeling that may be done in the next few months. John Crookshank and Tim Roetman, upriver contractors, have already been busy on various jobs here.

The Action Committee is now awaiting ideas and suggestions from Washington State University artists and architects, who have been furnished large photos of every building on Main Street, One noticeable improvement credited to the Lion's club assign-

ment of cleaning up the entrances to Concrete was the removal of all signs at the Dalles Road inter-section. The untidy mess of mis-cellaneous and dirty signs was cleared entirely and signs placed in the future will be checked for appearance. An attractive comprehensive directional and civic sign has been suggested for the location to prevent cluttering.

Paint brushes have been at work with painting being done at Worker Auto Board.

McGovern's Auto Repair, the Wal-ston building, the Laundromat and The Shanty.

Repeat Of Jamboree Planned In Late April

A repeat of the popular Counry-Western Jamboree which drew a "standing room only" crowd last summer is in the planning stage by the Upper Skagit Com-

stage by the Upper Skagit Community Council.

Members of the Community Council will meet tomorrow night, Thursday, March 27, at 7:30 p.m. in the Lutheran Church meeting room to consider details.

room to consider details.
This year's Jamboree is tentatively set for the latter part of April. As last year, the four-hour "good old country music" affair will be in the high school gymnatum on a Sundav afternoon and sium on a Sunday afternoon will include, for the most part,

Mount Vernon Contractors Bid Lowest On Cardiac Care Unit For United General Hospital

The contract for construction of a Cardiac Care unit within the present United General Hospital building was awarded last Thursday night by the Board of Commissioners to Eiford & Sather,

cay night by the Board of Commissioners to Elford & Sather,
Inc. of Mount Vernon, The low
bid for the project was \$12,500
and will require about one month
after the work is started.

The remodeling will require rebuilding one section of the hospital into a Cardiac Care ward
where four beds will be under
constant visual and electronic
observation by trained personnel.
All electronic equipment is, now
awaiting installation and the staff
training program has the first
group completing the course. Further courses will train all members of the staff in emergency
procedure and use of the ward.
Under the contract the construction will not begin until all
material is on the site, so that the

work can be completed without unforeseen delay. It is hoped to have the unit in operation by the first of May.

first of May.

On the new Extended Care wing, final plans were submitted to the state health department last Friday-with hopes of approval for an early bid call during April. The project will be on one bid from general contractors rath-er than separate bids for the various phases of installation.

SPRING VACATION TO BE NEXT WEEK

School children in the local scholl district will have a week's holiday during the spring vacation scheduled for next week. Classes will disband on Tuesday, April 1, at 1:30 p.m., and resume the next Monday, April 7, at usual times.
