Eight From Concrete Leave Next Week For European Trip

Eight young people from this area will leave next week on a month's study four of Europe which will take them to the main cities in Spain, Italy, France, and England before their return home

England before their return home in August.

Richard Frank is chaperoning a group of 10, including two from Arlington, on the tour which is arranged by International Cultural England Country Carbon Line of Solt al Exchange Schools, Inc., of Salt

Lake City, Utah.
Going from Concrete are Vicky
Whitt, Linda Evans, Robin and Robert Wright, Myrna Strand; Abb Benton of Rockport; Neva Drake and Keith Yeager of Newhalem. Arlington students joining the local group are Beth Bur-goyne and Mavy Pardo.

goyne and Mavy Pardo.
They enplane from Scattle
July 5 and leave New York the
next day for their first stop in
Madrid. While in Spain they also
will visit the Valle de los Caidos,
memorial to dead of the Spanish
Civil Wer and Toledo Civil War, and Toledo.

Their itinerary will take them next to Rome, Pompeii, Naples, Florence and Venice in Italy; to Paris for five days: and then to London by ferry boat across the English Channel.

They will stay on college cam-puses-in each dity and have lec-ture and orientation periods be-fore their guided tours of the highlights of each area.

On their return they hape to spend two or three days sight-seeing in New York and Wash-ington, D. C., before coming home. Their arrival date back in this country is scheduled for

Well Known Servicemen **Assigned To Viet Nam**

U.S. Air Force Sergeant Patrick N. Smith, son of Mrs. Ellen McKain of Route 1, Concrete, is on duty at Cam Ranh Bay AB, Viet Nam.

Sergeant Smith, an air freight specialist, is assigned to a unit of the Pacific Air Forces. Before his arrival in Viet Nam, he served at Dover AFB, Del. He is a 1966 graduate of Con-

crete High School. His father, Norman V. Smith, resides in Ar-cata, Calif.

SEEBEE TO DA NANG

CA Daniel Johnson, son of Mr. and Mrs. John A. Johnson, is now with the Seabees in Viet Nam, based near Da Nang. He had been stationed at Pt. Hueneme, Calif.

Swift Creek Area At Baker Lake

Lightning Sets Forest Fire In

acres in the Mount Baker Nation al Forest in the precipitous Swift Creek and Shuksan Creek area for ten days was under control by the time the weather changed and drizzles began last Friday.

We certainly welcomed those drizzles," said District Ranger Bill

drizzles," said District Ranger Bill Knechtel of the Baker River District, in describing the difficulties of controlling the fire set by lightning weekend before last. A fire-fighting crew of some 75 men fought for days to hold the line on the fire over the steep cliffs. They would have it almost confined when it would seem to practically explode again in the practically explode again in the heat of the afternoons. The fire was spotted by a heli-

copter pilot about 2 p.m. on Mon-day, June 16. Within an hour it was rolling up the steep slopes into the cliffs and by 5 o'clock that same evening had covered

John Whitt's Nephew

Killed In Accident

Dickie Lee Whitt, 18 year old son of Mr. and Mrs. James Whitt of Palmer, Alaska, and nephew of John Whitt of Concrete, was killed instantly last week when he was hit by a tree while working on his uncle's H & W Logging Co. crew in the woods above Skyko-

accident occurred last Tuesday morning.

The youth was spending the summer months here working for H & W Logging and living with the John Whitts.

Diablo and Gorge Lakes have been open since April 20.
