Volkswagen Wrecked In Two-Car Accident

A Volkswagen just purchased a week ago was totally wrecked in an accident near Darrington last Saturday morning. Donn Drake, driver, lost control of the car as it went off the road and crashed in the ditch alongside. Neal Sharp, one of the passengers, was taken to the hospital with an injured wrist.

According to the State Patrol, James D. Nations of Darrington attempted to pass Drake while both cars were eastbound on the Darrington-Rockport road about 5 a. m.

The two cars collided and went out of control, with Drake's going into the ditch and rolling over several times.

Parents Conferences Set For December

Parent-teacher conferences will be held at both the Concrete High School and Grade School on Dec. 1 and 2. School will be dismissed at 1 p. m. on conference days. These conferences will supplant the usual school open house this year, said High School Principal Mike Elavsky.

Conferences will be scheduled from 1:14 to 4:30 p. m. in the afternoons and from 7 to 9:30 in the evenings.

Appointment forms have been sent home with students and a conference schedule will be set up for each school. Parents will be contacted for second time choices if requested times are not available.

The first quarter for grades 9 through 12 ends Nov. 25. Parents attending conferences may receive their children's report cards upon request from high school teachers.

Garden Club Discusses Plans For Holiday Show

Plans for the annual pre-holiday open tea and gift sale of the Upper Skagit Garden Club were discussed at last Wednesday's meeting at the home of Mrs. Joe DePinto. Mrs. C. E. Jensen served as co-hostess.

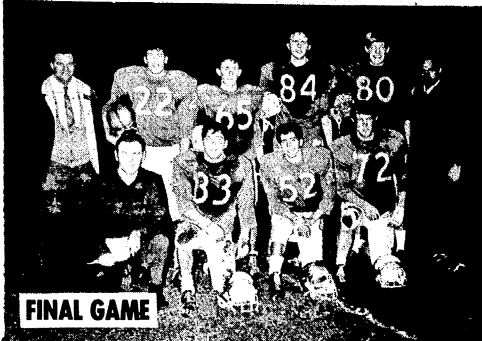

The holiday show, titled "Christmas in the Cascades," will be Monday, Dec. 8, at the Legion Hall. Mrs. Ray Ross is general chairwoman.

Mrs. Fred Culbertson demonstrated construction of papier mache figurines and Christmas decorations to the 19 members at the Nov. 12 meeting.

Mrs. Ken Hegenderfer was welcomed into the club as a new member. Mrs. Clarence McGuire, vice president, presided at the meeting in the absence of Mrs. Ruth Peterson, president, because of illness. Local Garden Club members will go to Darrington today, Wednesday, as guests of the Timber Bowl Garden Club to see a demonstration of flower arrangements by Mrs. Fred French of Arlington.

DAVIS HOME SOLD TO BELLINGHAM WOMAN

The home of Mr. and Mrs. Elmer Davis at Rockport has been purchased by Mrs. Ann Rose of Bellingham. Mrs. Rose, a retired nurse, plans to make her home in Rockport, at least for part of the year. The Davises have moved to Burlington. The sale was handled by Mrs. Mabel Culbertson of the Walston Realty, Concrete.

Concrete high school Seniors playing their last Lion football game Friday night were introduced to the crowd. In the photo are Coach Jim Menzies (front row) Robin Buller, Mike Pollice and Chris Weir. (Back row) Asst. Coach Dick Riehl, Dennis Brown, Jim Crookshank, Craig Knechtel, Tim Evans and Asst. Coach Richard Frank.

Concrete Lions Romp To 42 - 0 Win Over Granite Falls To Close Out Football Season

Concrete Lions romped to a 42-0 win over the outmanned Granite Falls Tigers last Friday night, decisively avenging last year's 26-13 defeat.

The game had been rated much closer, but the Lions, itching to bow out with a win and blocking and tackling fiercely, were not to be denied. Granite Falls simply was never allowed to get started, as the first string Lion defense held the visitors to a minus 15 yards total offense in the first half.

For the game Concrete gained 333 total yards, 232 rushing and 101 passing, while Granite netted 7 rushing and 49 passing for 56 total yards.

On the second play from scrimmage Robert Johnson dashed 50 yards around right end for the first Lion touchdown. Later in the first period Elbert Howell dashed through a huge hole in the Granite forward wall for 36 yards and a 12-0 lead.

A spectacular completion of a Keith Pyatte pass by Bob Wright for 28 yards in the end zone made it 18-0. Wright caught the ball while reversing himself and with a Granite defender up in the air with him. Not to be outdone, Dennis Brown snatched an aerial from Robin Buller later in the period.

Brown leaped high, caught the ball on his fingertips, and brought it in to his body as he fell across the goal line on a 15-yard play. The halftime score was 24-0.

On the second Concrete play of the second half Keith Pyatte found Jim Crookshank all alone on the tackle eligible pass. The senior lineman outran the defenders and scored on a 58 yard pass-and-run play for a 30-0 Concrete lead. The rest of the third quarter was played by the Concrete re-

Marblemount Community Praised For Interest In 4-H Activities At Lucky Fours Award Night

The community of Marblemount was commended for its active participation in 4-H club work and the interest and cooperation it provides to its young people at the annual 4-H awards presentation last Saturday evening, Nov. 15, in the Marblemount Community Hall.

Jack Crawford, Skagit County extension agent, told the 85 persons attending that the Upper Skagit area was one of the most outstanding communities in the county on the basis of its club member interest and cooperation between leaders, club members,

148 Students Tested To Measure Abilities

Students of seventh, eighth, ninth, and tenth grades of Concrete school district took National Education Development Tests last week, said Jack Bradley, counselor at the Concrete High School.

Altogether, 148 took the three-hour series of tests Monday and Friday. The tests in English, social studies, mathematics, natural sciences, and word usage are designed to measure each student's ability to apply basic learning skills rather than his ability to memorize facts.

"We will use the test to help students, parents, and teachers identify individual strengths and weaknesses in each student's educational development and in making a realistic appraisal of his education and vocational goals," said Bradley.

Births

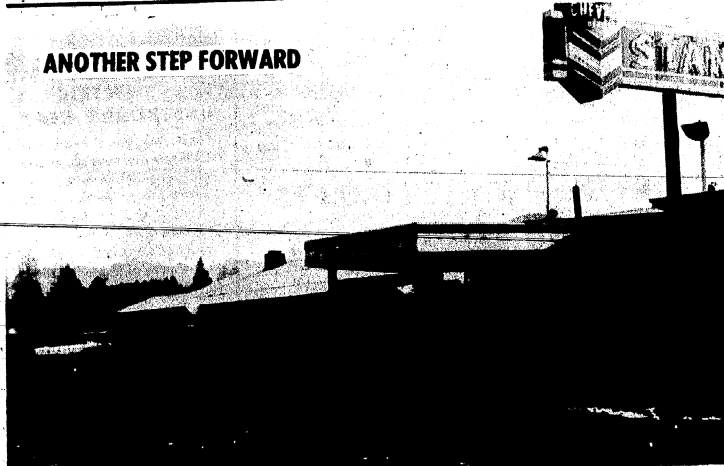

ANTHONY LEE LADUE
Word was received here last week of the birth of a son, Anthony Lee, to Mr. and Mrs. Don LaDue, formerly of Concrete, now located at Alsea, Ore. The new son was born Nov. 8. He weighed 9 lbs., 5 1/2 oz., and was 22 inches long. He joins a sister, Bernadine, 5, and brother, Danny, 3.

LaDue was stationed here with the U. S. Forest Service. He transferred from this area to the Siuslaw National Forest in Oregon.

and parents and the community. Crawford spoke on the reason for 4-H, what it holds for the youth of today, and its plans for the future.

Fred Culbertson, superintendent of Upper Skagit School District No. 102, talked about the history of 4-H, giving facts and figures on its origination, amount of members and projects now in existence within the United States.

Other honor guests were William Blunt, member of the Concrete High School faculty, and

Blue and white is the color scheme for the Baker Chevron buildings on Highway 20 West of Concrete. Jerry and Marge Clements did the redecorating job.
