Heavy equipment and machines moved into the Baker Lake area recently to begin shoreline sta-bilization work along the east

bank of Baker Lake Campground. Olympic Contracting Company of Mt. Vernon was awarded a \$5 000 contract by the Forest Service last week to place a rock re-

taining wall along the badly eroding banks, in an effort to maintain the present shoreline. The Forest Service expects to close the campground for several weeks during the construction.

Other heavy maintenance work is being done by Forest Service crews to improve both Baker

Lake Campground and Boulder Creek Campground. In addition to regraveling the tent pads and spurs, additional turn-outs are being made and parking spurs widened. Improvement work is ex-pected to last through mid-May, ccording to District Ranger Bob

School Repairs, Levy To Be Resubmitted The special levy for the Con-

crete School District, which failed by about 22 votes in last Tuesday's election, will be submitted to the voters again in another election on June 2.

The levy for \$190,000 for maintenance and operation for the 1970.71 school year, which is said to make up approximately onethird of the local school's budget will be resubmitted in the same amount.

In addition, on the same ballot, will be a total of \$180,000 in repairs to the high school and grade school. Four separate items will be listed for voters' opinion. These include an improved heating system for the high school, \$110,000; lighting for the high school, \$25,000; new gym floor, \$10,000; and \$35,000 for a fire alarm system and other fire safety improvements to the 1938 grade school building.

Voters may vote for all four of the items or for any of them separately.

The amount approved by voters of the district will be raised by a three-year bonding issue.

ELECTION RESULTS

The vote for the levy in last week's special election was 341 favoring it to 265 against, four per cent short of the necessary 60 per cent needed to approve it.

The bond issue on the ballot in the amount of \$1,350,000 which included construction of a new grade school and gymnasium and repairs to the high school, went down by a vote of 438 against. 159 for, in a total vote count reported by the county auditor's

The total vote lacked one absentee ballot yet to be counted and included a vote in the Marblemount precinct which was challenged and sustained.

Vote by precincts was: Concrete

precincts and Baker precinct— Levy, 188 for, 114 against; bond proposition, 88 for, 209 against. Rockport—Levy, 28 for, 42 against; bond, 7 for, 62 against.

Alice Guerin, daughter of Mr. and Mrs. Ray Buchanan, and Del-bert Berner of Mount Vernon were married Friday evening at the Buchanan home at Rockport.
The Rev. Fred Dellinger per-

formed the 8 o'clock ceremony in the presence of the family. Mr. and Mrs. Dan Ewing of Sedro-Woolley attended the coup-le as matron of honor and best

After a few days' honeymoon trip they will be making their home in Mount Vernon.

Margaret Stadlman III In Mt. Vernon Hospital

Mrs. Margaret Stadlman, mayor of Concrete, is under treatment at the Skagit Valley Hospital, Mt. Vernon, for effects of what was called a slight stroke suffered a week ago Saturday at the home of her daughter, Mrs. John Webster, in Tacoma. Partial vision of her left eye was affected. Although recovering satisfactorily. according to latest reports, she is not allowed to have visitors yet.

Clean-Up Posters To **Point Up Campaign**

Posters proclaiming advantages of a clean town will be put on display this week to herald the coming spring Clean-Up Day, Saturday, May 2:

Seventh and eighth graders of Dick Riehl's school art class will display their posters in windows of downtown businesses. Those judged the best will be awarded cash prizes by the Cascade Juniors. First prize is \$5, second \$3, and third \$2. Judging will be done this Friday.

In other Clean-Up Day plans, Fred Bianchini, general chairman, said that students who help clean the town on the Saturday date will be eligible to go to the hotdog barbecue which will be held at the grade school in the afternoon. Admission will be by tickets which will be handed all workers. Lions Club members will help with the barbecue.

The city truck will be on hand to haul the piled-up trash to the
