Quick action by the District No. 10 Rural Firemen, plus an assist with an extra pumper from the Concrete Vol-unteer Fire Department prevented a serious fire at Superior Shake Mill No. 2 at Van Horn Monday afternoon when a spark from the burner lift in some tinder-dry ceder bark on the log pile. The fire occurred just as the crew was quitting at 4:00, so there were plenty of extra hands to fight the blaze which threatened to spread to nearby trees and the homes adjacent to the log dump. Damage was light, only a few of the logs being burned deep enough to be unsuitable for cutting into shakes or shingles.

Credits Increased For Graduation

Upgrading of requirements for graduation from Concrete High School will be studied by the board of education following a discussion of credit requirements at last Tuesday's board meeting.

High School Principal Mike Elaysky suggested that requirements should be raised to 52 credits effective with the graduation class of 1973 and that interim graduation requirements shall be 38 for 1970, 42 in 1971, and 48 in 1972. Principal Elavsky said that the schedule would be a realistic one for the present quarter sys-

The board took the change un der advisement.

A financial report showed that \$432,386.71 had been spent thro-ugh April with \$112,481.05 left in the budget for the two remaining months in the fiscal year.

Average expenses through 10 months is \$43,286.77 a month.

A decision to revise insurance of district buildings on a new valuation basis was approved. The board decided to insure the high school, industrial art shop, and bus garage at current replace-ment cost. The rest of the school buildings within the district will be insured at insurable actual cash value.

Factory rebuilt Diesel motors will be installed in two of the

school buses.

The board scheduled a meeting with the teachers' negotiating committee for this Tuesday and a special meeting of the board to outline levy items tomorrow, May 21. A preliminary budget hearing will be next Thursday,

Phil Dodd volunteered to chair the committee with the help of Steve Zitkovich and Barry

Other committees will be established after the board studies suggestions turned in by indivi-duals at the meeting. Future plans will be discussed at a meet-ing on June 4.

Meanwhile, members and all interested residents throughout the district were urged to devote their efforts in support of the school levy which will be on the June 2 ballot.

The group voted to run an

The group voted to run an advertisement on the levy in the Concrete Herald and asked that donations be turned into the Herald office by next week.

Boyd said that the Student Action Committee, will help get out the vote and give free rides to the polls and baby sit to release mothers to vote, as well as a door-to-door canvass to inform citizens of issues on the election.

Ray Atkinson Of Cape **Horn Dies Unexpectedly**

Ray Atkinson of Cape Horn unexpectedly Sunday evening of an apparent heart attack. Services are planned for today, Wednesday, at the Lemley Chapel in Sedro-Woolley at 1 p.m.

Officiating will be the Rev. Al Twilliger of Spokane, a brother-in-law of Mr. Atkinson. Mr. Atkinson was born Aug. 9,

1903, in Spokane and was employed as business agent for the Teamsters Union there for 15 years before transferring to Seat-tle in the same capacity. He held the position for another 15 years, retiring three years ago to make his home on his Cape Horn pro-

perty.

He is survived by his wife, Irene; a son, Don of Bremerton; a stepson, Steve Brown, of Seatile; and five grandchildren, and a sister, Olive Brooks of Spokane.

Mike Kelly And Karen Johnson Named Senior Valedictorian And Salutatorian

MIKE KELLY

For the first time in several years a boy achieved the highest scholastic average during his four scholastic average during ins four years in high school to become valedictorian of Concrete High School. Mike Kelly, son of Mr. and Mrs. James Kelly, is leading student in the Class of 1970.

Karen Johnson, daughter of Mr. and Mrs. Ray P. Johnson of Rockport, is salutatorian.

Both have not only been top students throughout their school career, but have participated in many school and extracurricular activities.

Mike served as sophomore class president, junior class represen-tative and student body president during his senior year. He has played basketball and baseball all four years and football during his junior year, has been a mem-ber of the high school band all

ber of the high school band all through high school and acted in two school plays this year.

He attained a straight A average in his junior year and that same year won the school award for being the most outstanding student in English, French, algebra, trigonometry. He attended the model United Nations in Kelowna, Canada, and the Wasko-
