bters Approve Sewer Bond Issue

is the town's future Tuesday a overwhelming / yes" vote to sever ordinance issue that the possible the long-over-stalistion of sanitary sewer

official count stood at 5 % "no" for a moreper cent acceptance of inne that will provide of a network to serve town. City officials immediate action to extend the proposed piping system to serve areas not in-cluded in the first phase.

The victory followed almost last-minute efforts by members of the Concrete Action Committee to explain the actual issues involved to the voters and to obtain endorsement from leading citizens

The ordinance authorizes sale of up to \$27,000 in general obligation bonds to finance, along with federal matching funds, the

ment plant, pumping station and lines to serve a major portion of the town's population.

On the regular general elec-tion ballot, many positions were still in doubt when the county auditor's office closed at 2 a.m. Wednesday after tallying 111 of 123 precincts.

Results at that time did not follow either party lines or the traditional "edge" supposedly enjoyed by incumbents.

ative, the incomplete report shows Mack Johnson leading Re-publican incumbent James Cosnows Mack Johnson leading Re-publican incumbent James Co-stanti 8152 to 7730. Donna Kjar-gaard, held a clift-hanging 9-vote lead over Republican incumbent Duane Berentson (8,069 to 8,060) in the partial Skagit County returns but San Juan voters, with 12 of 13 precincts reporting, went 619 to 672 in her favor.

Other incumbents seem assured f return to office with County

Commissioner Howard Miller (R) Leading Robert Wilcox (D) by a comfortable 8,672 to 5,894 with 12 precincts yet to report and Sheriff John Boynton (D) ahead of Monte Schroeder (R) 9501-8551. Ann Ross (R), deputy auditor and contender for the post to be a contended by retirement of Al

and contender for the post to be vacated by retirement of Al Johnson led Donald Bottles (D) 8,973 to 6,986 and Gene Olson (D) tallied 8,237 votes for county as-sessor against 7,507 for his Re-publican opponent, Gordon Lien.

should be a real crowd-pleaser, as all of the personnel are either as an of the personnel are entire professional or top, amateur. At this writing, contact has been made with students from the Philippines, Melanesia, Africa, India, Viet Nam. Latvia, Central America, Yugoslavia, Denmark and Ireland. The U.S. may also be represented.

The audience will be enter-tained by magical acts, instru-mental renditions, song and dance routines and comedy

Sengtor Peterson **Hits Game Policy**

State Senator Lowell Peterson in a news release today, criticized the State Game Commission for setting a doe season in Skagit County and other areas in the

state. Peterson said he appealed to the Game Commission earlier this year to cancel doe hunts until our deer population could be brought back to a reasonable level. Peterson's request was ignored and doe seasons were set almost identical to previously controlled hunt areas. Senator Peterson is making a personal appeal to all hunters this weekend not to shoot does. "If the deer you see doesn't have horns—don't shoot—let her live." he asked.

Deer Hunting Prospects Good For Final Weekend, State Says

Deer hunters took advantage of a beautiful weekend to be afield,

a beautiful weekend to be afield, and in many popular deer areas success did pick up, according to the State Game Department, which predicts generally good prospects for the approaching final weekend.

At the Lyman checking station, 122 hunters were tallied with 10 bucks (including a two-point hagged by Publisher Robert Fader early Saturday morning) compared to 227 hunters checked with three deer during the same weekend last year. The Baker

Lake and Rockford areas of Whatcom County produced a number of large bucks over the weekend. Notable was a four-point weighing 226 pounds which fell to a lucky hunter from Sedro Woolley.

The Game Department cautions deer hunters that the general-buck season closes for two days this week, November 5-6 in those areas where elk are likely to be found and reopens for a two-day overlap with the start of the general bull elk season November 7.
